

PREVENT PACKAGE THEFT

DON'T LET A THIEF STEAL THE PACKAGES DELIVERED TO YOUR FRONT DOOR

IT CAN HAPPEN ANYWHERE

-Communicate with neighbors and ask them to take in your packages in case you're not home or make sure packages are registered "signature required."

-Check if your delivery company offers email alerts.

-Have your packages delivered to where you work instead of your house.

-Lastly, watch around the neighborhood. If a car drives by repeatedly, contact the Fairfax County Police Department at 703-691-2131.
