How Funny is it Now?

Pool vandalism costs neighborhoods and HOAs millions of dollars each year and many communities are forced to close their pools while they are cleaned and repaired. Related convictions for these types of crimes can ruin your life with fines, jail time, legal fees, and a permanent criminal record. Now how funny is that? If you see suspicious activity, call the Fairfax County Police immediately at 703-691-2131 or **911** for emergencies.
