## FAIRFAX COUNTY, VIRGINIA

## MEMORANDUM

**TO:** Command Staff **DATE:** November 16, 2001

**FROM:** Robert R. Beach, Major *RRB*  
Director, Criminal Justice Academy

**FILE:** 01-140

**SUBJ:** Defensive Tactics

**REF:** In-Service Training

The Fairfax County Criminal Justice Academy is in the process of developing an ongoing defensive tactics training program for incumbent officers and deputies. The training will address specific requests for weaponless tactics, such as knife defense, and general drills to enhance the basic principles of self-defense and officer survival. These are basic classes with an emphasis on both physical and mental/emotional control to enhance an individuals confidence in dealing with subjects in the active resister or assailant categories of the Use of Force Model.

This will be an expansion of the defensive tactics program now offered to the basic recruits, which focuses on gross motor skills, effectiveness, ease of learning and retention. This will also give the incumbent officers and deputies the opportunity to observe firsthand what the recruits are being taught. Academy staff will also have the opportunity to interact with and get feedback from veteran officers and deputies working the street and jail.

Deputies or officers wishing to attend these training sessions on their days off will do so on a voluntary basis. If a scheduled date and time falls on the Deputy or officer's shift, it is up to the shift supervisor to determine whether they can attend. Available dates and topics are listed on the attachment. Please note that these dates are tentative and subject to change depending on enrollment. If you are interested in attending any of the training sessions, please call PFC Mike Row 449-7265
