The Small Business Commission conducted a wholly electronic meeting (using a conference call option as well as a video conference option) because the COVID-19 pandemic made it unsafe to physically assemble a quorum in one location or to have the public present. The public was encouraged to participate with notices providing call-in info and contact information for alternative accommodations. The meeting was called to order at 7:10 p.m. and was facilitated by Chairman Powell.

Minutes from the 12/6/21 meeting was approved without amendment.

- **Chairman Powell conducted the following actions relevant to electronic meetings:**
 - A sound and video check was conducted to ensure that each member of the BAC may be adequately heard and that all members could hear each other.
 - Chairman Powell stated that the usual FOIA procedures, requiring in person assembly, cannot be implemented safely or practically due to the Covid-19 emergency.
