

## AMENDMENT TO DEVELOPMENT AND LOAN AGREEMENT

THIS AMENDMENT TO DEVELOPMENT AND LOAN AGREEMENT (this “**Amendment**”) is made and entered into as of this \_\_\_ day of April, 2020 (the “**Amendment Date**”), by and among the **FAIRFAX COUNTY REDEVELOPMENT AND HOUSING AUTHORITY**, a political subdivision of the Commonwealth of Virginia (“**FCRHA**”), AND **THE RESIDENCES AT NORTH HILL BOND 94, LLC**, a Virginia limited liability company (“**Developer**”; collectively with the FCRHA, the “**Parties**”).

### RECITALS

1. The Parties have entered into the Development and Loan Agreement, dated as of March \_\_, 2020 (the “**DLA**”). Each capitalized term used but not defined in this Amendment has the meaning given to such term in the DLA.

2. Section 1.03(B) of the DLA (a) requires Developer to use a separate contract for the construction of the Site Work apart from the contract for the construction of the vertical construction of the 94 Project but (b) allows Developer to request an amendment to the DLA permitting a single-contract structure.

3. Developer’s senior lender for the 94 Project – the Virginia Housing Development Authority – is requiring that Developer use a single-contract structure. Accordingly, Developer has requested an amendment to the DLA.

4. Additionally, due to unexpected increases in the anticipated costs of the design and construction of the retaining walls necessary for the construction of the Affordable Housing Units, the Parties wish to amend the DLA to address these increased retaining wall costs.

NOW, THEREFORE, in consideration of the mutual promises of the Parties and of other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

1. Developer may use a single contract with the General Contractor for both the construction of the Site Work and for the vertical construction of the 94 Project. The term “**Site Work Contract**”, as used in the DLA, will refer to this single contract.

2. Developer acknowledges that no Loan proceeds may be requested or used for the vertical construction of the 94 Project or any other use ineligible under CDBG program rules and regulations, except as permitted for Non-Federal Funds as provided in the DLA.

3. Additional Amendments.
