WHAT IS THE AFFORDABLE DWELLING UNIT (ADU) RENTAL PROGRAM?

The ADU Rental Program was established when the Fairfax County Board of Supervisors approved the Affordable Dwelling Unit Ordinance in July 1990. The program provides qualified low and moderate income households the opportunity to live at a reduced rent in some of the new privately-owned and privately managed market-rate apartment communities located in Fairfax County.

In the apartment communities listed in this brochure, there are two different limits on the rents and maximum household incomes. Two-thirds (2/3) of the ADU rental units in each development are reserved for households with incomes up to 70% of the Metropolitan Statistical Area (MSA) median income, and one-third (1/3) of the units are set aside for households with incomes up to 50% of the MSA median income, adjusted for family size.

Applications are accepted at each property's leasing office. The program provides a preference to applicants who live or work in Fairfax County or who have a household member with a physical disability or handicap that requires the leasing of an ADU unit with certain accessibility features.

WHAT FEATURES DO THESE COMMUNITIES OFFER?

Apartments offered may be one-bedroom, two-bedroom, or three-bedroom units, depending on the community. In addition to convenient locations, some of these apartment communities are located near Metro stations and many feature amenities such as pools, fitness centers, full-size washer/dryer in each apartment, and gated access for security.

New properties are added to this program as construction is completed. Check our website at: www.fairfaxcounty.gov/rha under "Other Resources" for updates.

HOW DOES THE ADU RENTAL PROGRAM WORK?

Applicants apply directly to the property in which they are interested in living. Households living in units rented under the ADU Rental Program must recertify their eligibility for the program on an annual basis with the leasing office. The Department of Housing and Community Development works with the property management firm to ensure apartments rented under the program are comparable to market rate apartments, are occupied by households who meet the income guidelines of the program, and that ADU rents are in compliance with rents approved for the program.

Fairfax County is committed to a policy of nondiscrimination in all County programs, services and activities and will provide reasonable accommodations upon request. Please call 703.246.5101 or TTY 703.385.3578.

WHAT IS THE RENT UNDER THE PROGRAM?

Each community has its own rental rates; however, there is a maximum rent established for the units set aside and offered under the ADU Program.
