

Fairfax County Parkway Extension

Pardon Our Dust Meeting

The proposed project is a vital transportation corridor serving residents and businesses located in Southeastern Fairfax County neighborhoods. Cherry Hill Construction, Inc. has been selected by Eastern Federal Lands Highway Division to design and build the extension of the Fairfax County Parkway from Rolling Road to Fullerton Road. Construction of the extension is scheduled to begin April 2009.

Please join your neighbors and representatives from the Design – Build Team to participate in the ‘Pardon Our Dust’ meeting to discuss this important project. Topics to be discussed include: the overall project plan; the preliminary construction schedule; plans to minimize traffic impacts during construction and safety improvements such as new intersections and continuation of the shared use path.

Tuesday, April 14 6:00 - 8:00pm

West Springfield High School
