

## Themes of Stakeholder Outreach Feedback to Date

---

Four preliminary stakeholder outreach sessions were held in late June 2014. A summary of the top fifteen priorities from the June 25 and 26 stakeholder sessions are below, and are illustrated by the graphic on the preceding page.

### Top Fifteen Priorities from the June 25<sup>th</sup> and 26<sup>th</sup> Stakeholder Sessions

- Placemaking/Redevelopment
- Transportation
- Affordable Housing
- Workforce Development
- Development Process Improvements
- Demographic Changes (Respond to Aging Population, Social Equity, Diversity, Millennials)
- Innovation Support & Small Business Support
- Healthy Communities (Support policies to create a healthier population/community)
- Communication (Encourage more community engagement and participation)
- Diversify the Economy
- Regulatory Reform (Review current regulations, such as the Zoning Ordinance)
- Changing Workplace
- Environment
- Infrastructure
- Regional Focus

A full report with all participant comments from each session is also available on our website, [www.fairfaxcounty.gov/success](http://www.fairfaxcounty.gov/success).

These comments, as well as others gathered in the coming months, will help County staff formulate action steps for the next 3-5 years. A series of outreach sessions are also planned for the fall, as part of the **Economic Advisory Commission's Strategic Plan to Facilitate the Economic Success of Fairfax County**.
