Relay For Life of Centreville-Clifton-Chantilly

On **May 22, 2010**, **Centreville High School** in Clifton will host the third annual Relay For Life of Centreville-Clifton-Chantilly. Relay is the American Cancer Society's signature fundraising event. It offers everyone in the community an opportunity to participate in the fight against cancer. Teams of people camp out at the high school and take turns walking around the track. One of the best things about Relay is that there is a place for everyone: teams can have members from all age groups and can represent churches, businesses, schools, and other organizations. Teams have fun while raising much-needed funds to fight cancer and raise awareness of cancer prevention and treatment. The Opening Ceremony on May 22 is scheduled for 4:00pm and the Luminaria Ceremony is set for 9:30pm.

In addition to being a team member, people can volunteer, donate, or simply visit the event. Visitors can cheer on survivors during the opening lap, take kids to the children's area, honor loved ones during the Luminaria Ceremony, and more. Relay offers us a chance to celebrate those who are fighting cancer or who have fought cancer and won, remember those lost to the disease, and fight back against this disease by raising resources and awareness.

To volunteer, form a team, dedicate a luminary, or obtain more information about the event, please visit www.CentrevilleRelay.org, or email the planning committee at CentrevilleRelay@gmail.com.

Breaking Down Barriers Seminar

"Breaking Down Barriers," is a **seminar on the updated Americans with Disabilities Act and other employment-related laws** affecting persons with disabilities.

(Continued on page 2)

When: Monday, May 17, 2010
9 a.m. to noon

Where: Fairfax County Government Center
12000 Government Center Parkway
Fairfax, VA 22035

The Fairfax County Office of Human Rights and Equity Programs (OHREP) is hosting the seminar in partnership with the U.S. Equal Employment Opportunity Commission – Washington Field Office (EEOC) and the ENDependence Center of Northern Virginia.

The seminar is free and will feature:

- An overview of the Americans with Disabilities Act Amendments Act of 2008.
- An overview of the new Genetic Information Non-Discrimination Act of 2008.
- Information on how to file a complaint and navigate the EEOC and OHREP investigative processes.
- Question and answer session.

Obtain valuable and useful information on the rights of persons with disabilities and the responsibilities of employers. Service providers, nonprofit organizations, employers, advocacy groups and individuals interested in the rights of persons with disabilities are encouraged to attend.

Further information and registration is available by contacting Nicole Rawlings at 703-324-2953, TTY 703-324-2900 .
