Sully District e-Newsletter

Recently I have contacted the Sully neighborhood associations in an effort to ensure that my office has the most up to date contact information for each community. A Community Contact Form is available on the Sully District website, <http://www.fairfaxcounty.gov/sully/sud.htm> . Please take a moment to visit our website and if you are the president of a homeowners association or civic association please send my office this completed form so that we can keep in touch with you about important issues in the community.
