When: November 27, 2006 at 7 p.m.

**Where: Deer Park Elementary Cafeteria
15109 Calbern Dr., Centreville, VA**

Topics to be discussed include Lyme disease, how the herd in the Cub Run Stream Valley and surrounding areas impacts residents, and what, if any, actions should be taken by the county. The County Wildlife Biologist will be attending, as well as county staff from the Health Department and Animal Control.

**Public Information Meeting
Mount Gilead Master Plan
November 28, 2006**

The Fairfax County Park Authority has initiated a public planning process to develop a master plan for Mount Gilead, a historic site located at 5634 Mount Gilead Road in Centreville. To kick-off this planning process, a public information meeting will be held on **Tuesday, November 28, 2006, 7:00 p.m. to 8:30 p.m., in the cafeteria at Union Mills Elementary School, 13611 Springstone Drive, in Clifton.**

Mount Gilead, an approximately 7 acre property in the heart of the Centreville Historic District, draws its name from the most prominent feature within the site, the Mount Gilead house, built circa 1785. The site is owned and maintained by the Fairfax County Park Authority. In addition to the historic house, the site contains a wealth of cultural, natural, and archeological resources that represent the historical development of Centreville. This meeting will feature a presentation about the site's current conditions and future uses, and the park master

planning process. Following the presentation, the meeting will continue with a moderated question-and-answer session to identify community issues and concerns, and to gather suggestions for future features and activities.

Future meetings will be held as the process progresses to update the community on the status of the proposed master plan, and to garner further feedback from the community. Once the draft master plan is completed, it will be presented for comment to the community through a public hearing, anticipated to be held in the Spring 2007.

Comments will be accepted at the meeting or can be mailed to Sherry Frear, Project Manager, Planning & Development Division, Fairfax County Park Authority, 12055 Government Center Parkway, Suite 421, Fairfax, VA 22035. Email comments should be sent to: parkmail@fairfaxcounty.gov.

If accommodations and/or alternative formats are needed, please call (703) 324-8563, at least 10 working days in advance of the registration deadline or event. TTY (703) 803-3354
