### **SATURDAY NIGHT IN THE SUBURBS**

Find out from a panel of high school seniors what is *really* going on (when you're not looking!)

**WHEN:** Thursday, March 26, 2009 at 7:00 PM

**WHERE:** Westfield High School, Lecture Hall  
4700 Stonecroft Blvd.  
Chantilly, VA 20151

**WHAT:** A free program for adults, an evening of dialogue with a panel of senior students to discuss drugs, alcohol, parties, driving, sexting, and communication between teens and parents.

This program was well received the past 4 years by Westfield and Middle School parents and is being brought back by popular demand. Join us for an "eye-opening" and honest discussion. Even if you *think* your teen is behaving, come out and hear what pressures your child has or will have to deal with and what others are involved in! Knowledge is power, and prevention starts early...

We will also have a Korean translator, Soon Kim at the program for those who are interested.

Funded in part by Safe and Drug-Free Schools and Communities Act  
Supported by Westfield Community Coalition and the Westfield PTSA.
