Document Shredding

It's a perfect opportunity to recycle:

- Tax Documents
- Credit Information
- Medical Records
- Contracts, and more...

In order to accommodate as many residents as possible at this event, a limit of 5 medium-sized boxes of paper per household will be accepted for shredding. There is no fee for this service. Please remove paper from binders and remove binder clips. All shredded paper will be recycled.

Fluorescent Light Recycling

Thanks to the partnership with Covanta Energy, Fairfax County's partner in solid waste management, we are able to accept compact fluorescent light bulbs for recycling at this event. Only compact fluorescent bulbs will be accepted at this event. Long fluorescent tubes and broken bulbs will not be accepted at this event. These items must be taken to one of the county's permanent household hazardous waste disposal sites at the I-66 Transfer Station (Fairfax) or I-95 Landfill (Lorton) Complex.
