**Come and see** the results of the environmental study that analyzes the addition of a Tri-County Parkway that connects the City of Manassas with I-66 and the Dulles area. The Draft Environmental Impact Statement (DEIS) presents a comprehensive analysis of the potential environmental impacts associated with the proposed development of alternative alignments for a Tri-County Parkway through Loudoun, Prince William and Fairfax Counties.

**Find out** about possible social, economic, and environmental impacts, tentative construction schedules, property impacts and relocation assistance policy relative to the alternative alignments.

**Review** the study information at the public hearing, at the VDOT Northern Virginia District, Preliminary Engineering Office, located at 14685 Avion Parkway in Chantilly, (703) 383-2000, at the Leesburg Residency Office, located at 41 Lawson Road, S.E., in the Town of Leesburg, (703) 737-2000 or at the Manassas Residency Office located at 10228 Residency Road in Manassas, (703) 366-1900.
