# West Ox Complex

The West Ox Complex is a partnership among Fairfax County, the Commonwealth of Virginia and the Washington Metropolitan Area Transit Authority. The complex encompasses approximately 130 acres in the Springfield District of Fairfax County.

The West Ox project will transform the former “Camp 30” state correctional facility to a multipurpose, multiagency complex featuring the county’s Department of Public Safety Communications (9-1-1 center), Office of Emergency Management, Police Department Forensics and a bus operations/maintenance facility in partnership with WMATA.

The West Ox Complex will also contain the Virginia Department of Transportation’s Northern Virginia Regional Operations, Area 04 Clifton Area Maintenance Headquarters and State Forces Construction for the Fairfax area, as well as the Virginia State Police Division 7 call-takers and dispatchers.

The West Ox Complex will provide critical infrastructure to improve the efficiency and effectiveness of both public safety and transportation services in the county and Northern Virginia.

*Media interviews are available immediately following the groundbreaking ceremony.*
