

County of Fairfax, Virginia

I-66 TRANSFER STATION COMPLEX RULES AND REGULATIONS

4618 West Ox Road, Fairfax, Virginia 22030

703-631-1179

(Effective July 2023)

In order to provide safe, efficient, and economical disposal service, the following rules will be strictly enforced at Fairfax County's I-66 Transfer Station Complex.

GENERAL REGULATIONS

1. All individuals entering the I-66 Transfer Station Complex must conduct themselves in an orderly manner and follow the oral/written instructions of County personnel.
2. County solid waste permit decals must be clearly displayed on both sides of collection and disposal vehicles.
3. The speed limit at the I-66 Transfer Station Complex is 10 mph. Drive safely and minimize your speed when entering or leaving the facility. Follow road signs and adjust driving speeds to road conditions during inclement weather. All road maintenance vehicles and snow removal equipment have the RIGHT-OF-WAY, including waste loaders and other County equipment operating in and around the tipping floors, as well as throughout the complex.
4. All commercial vehicles entering the Complex are subject to random vehicle waste inspections by County personnel. In the event of a solid waste inspection, drivers are to remain with their vehicle until informed by County personnel that they may proceed to exit facility.
5. All persons/vehicles enter the I-66 Transfer Station Complex at their own risk.
6. No person will use or possess firearms, intoxicating beverages, or illegal drugs while on the property of the I-66 Transfer Station Complex.
7. The County of Fairfax assumes no liability for damages to vehicles or injuries to individuals on the I-66 Transfer Station Complex premises. Report any accident immediately to the I-66 Transfer Station Manager or his representative.
8. Use of the I-66 Transfer Station Complex is limited to commercial companies with valid collection or disposal permits, residents and government agencies.
9. Fairfax County reserves the right to change or modify these rules without written notice.
10. Out-of-State waste cannot be accepted for disposal at the I-66 Transfer Station Complex, unless specifically approved in writing by the agency director.

VEHICLE REGULATIONS

11. Drivers must remain with their vehicles. Minor repairs to vehicles may be made with the approval of the Complex Manager or his/her representative. Vehicles may not be repaired or abandoned at the facility. Any abandoned vehicle will be towed at the owner's expense.
12. The County of Fairfax assumes no liability for the towing of any vehicle.
13. Tailgates are not to be unlatched at the scale area. Tailgates are to be opened and closed while on the tipping floor only, unless otherwise instructed.
14. NO open top/ roll-off containers over 15 cubic yds are accepted.
15. NO open-top/ roll-off containers are allowed unless carrying grass, brush, leaves, metal, or under special circumstances previously arranged.
16. All open top or roll-off containers, including compactors, must have the county's "Box Number" prominently displayed. Box Numbers are obtained at the I-66 Permit Office.

Fairfax, Virginia 22035

Phone: 703-324-5230, TTY 711, Fax: 703-324-3950
www.fairfaxcounty.gov/publicworks

17. All waste disposal vehicles with materials that could blow out of the vehicle must be covered during transport. This includes empty open-body type vehicles that have finished disposal and may contain loose refuse. The cover may only be removed at the disposal area.
18. All solid waste collection vehicles using the I-66 Transfer Station Complex must have operating back-up alarms.

DRIVER REGULATIONS

19. **Drivers are not permitted to use Alliance Drive.** Tickets may be issued to truck drivers using this roadway, and Transfer Station personnel may suspend drivers from disposing their loads
20. Drivers must be aware of County residents and smaller vehicles entering and leaving the I-66 Transfer Station Complex and RDC.
21. Drivers must enter and exit the scales slowly and stop smoothly to prevent damage to the scale equipment.
22. Customers are responsible for immediately removing any unauthorized solid waste discharged at the I-66 Transfer Station.
23. Drivers must state the **ORIGIN** and **TYPE OF MATERIAL** of the waste to be disposed **ORIGIN** means where the waste was collected.
24. Drivers, whose routes or collection locations include a medical facility, clinic, medical complex or doctors' offices where medical procedures are performed, must alert scalehouse staff when entering the I-66 Transfer Station Complex.
25. Drivers of trucks with hydraulic leaks will be responsible for their own spills. Trucks with repeated problems may be banned from the site until adequate maintenance is performed.
26. Drivers may not use, AM-FM, CB, and/or two-way radios while on the scales or the tipping floor and should limit their use at all other times while at the I-66 Transfer Station Complex. Cell phone use is not permitted.
27. Drivers may not use horns on site unless for safety or emergency purposes.
28. Drivers are responsible for the removal of any litter blown from their vehicles onto the roads of the facility.
29. Drivers and all other personnel must wear hard hats, safety vests with reflective material or clothing with reflective markings (orange or yellow), gloves, safety glasses, and safety footwear when outside vehicle, on tipping floor or in tunnel at the Complex.
30. Drivers and all other personnel must wear safety vests with reflective material or clothing with reflective markings (orange or yellow) while out of their vehicles in all other areas of the I-66 Transfer Station Complex.
31. All drivers and all other personnel **MUST WEAR HARDHATS** while outside of their vehicles in all other parts of the I66 Transfer Station Complex designated, "hard hat area."
32. Drivers must **NOT** allow passengers to be out of the vehicle at the scale area. Drivers of other vehicles may not see a passenger. Passengers should remain in the vehicle or be let out in the parking lot.
33. Drivers must notify scale personnel immediately in the event of a vehicle fire/hot load and follow the instructions given by County Personnel.
34. If potential violations are noted during random or scheduled inspections, drivers must sign the inspection form used to document the issue for recordkeeping purposes. Signature does not indicate agreement with the alleged rules violations.
35. Drivers will not dispose of recyclable materials, brush, yard waste, or other special or prohibited waste on the tipping floor.
36. Drivers, helpers, and their vehicles **MUST MAINTAIN A MINIMUM DISTANCE OF 15 FEET FROM ALL OPEN PITS AND ANY OPERATING EQUIPMENT AT ALL TIMES.**

CUSTOMER SERVICE OR EMERGENCY CONTACT

In the event that a customer has a problem that is unresolved by scalehouse staff, or if an emergency arises, customers should contact the I-66 Transfer Station management for resolution of the matter at 703-631-1179.

CUSTOMERS AT THE I-66 TRANSFER STATION COMPLEX

Customers must obey the following rules in order to ensure the safe, efficient, and economical operation of the I-66 Transfer Station Complex. Failure to comply may result in the suspension of the individual(s) and the company from using the complex. The I-66 Transfer Station Complex Manager or his representative will determine the duration of any such suspension. At the option of the I-66 Transfer Station Complex, the restriction may begin immediately or be scheduled based upon the circumstances. The I-66 Transfer Station Complex Manager or his representative will telephone or email the company owner/representative to relay the specific circumstances and duration of any suspension.

AREAS OF THE I-66 TRANSFER STATION

Collection and disposal companies will deliver their municipal solid waste (MSW) into the I-66 Transfer Station Complex building for processing. Companies may bring materials such as yard waste, brush and metals to the Recycling and Disposal Center (RDC).

Residents of Fairfax County and Commercial Pay customers will dispose of waste and deliver recyclable material to the RDC.

Residents who wish to dispose of household hazardous waste will use the Household Hazardous Waste Complex.

No commercial size vehicles (dump truck, open top roll-off, lift body, etc.) will be allowed during **Residential Only** hours of operation.

It is the responsibility of the customer to immediately remove any unauthorized solid waste discharged at the I-66 Transfer Station and RDC.

I-66 RECYCLING and DISPOSAL CENTER

Clean brush, yard waste (NO Plastic Bags are permitted) and metals/white goods will be delivered to the I-66 Recycling and Disposal Center (RDC) areas designated for such materials. Yard waste consists of leaves, grass and twigs. Clean brush is the woody portion of yard waste, such as tree trimmings (including Christmas trees). The I-66 RDC can accept a branch and/or trunk with a diameter of 20 inches or less. Metals/white goods include, but not limited to, appliances such as stoves, refrigerators, washing machines, clothes dryers, and hot water heaters. Other metal objects include aluminum siding, metal shelving, metal lawn furniture and smaller objects that are primarily made of metal.

CONSTRUCTION and DEMOLITION DEBRIS

No commercial loads of dirt, soil, sand, stone, gravel, concrete, cement, brick, block, asphalt/tar, or rock will be accepted. Commercial loads of shingles, drywall and other similar material will be accepted in 15 cubic yds or less containers/box, NO open top or roll off containers over 15 cubic yds are accepted. Residential loads of dirt, soil, sand, concrete, cement, brick, block, asphalt/tar, or rock will only be accepted in small quantities, 2 cubic yds (4- 95-gallon carts).

SUSPENSION OF DISPOSAL PRIVILEGES

The Solid Waste Management Program (SWMP) reserves the right to immediately suspend disposal privileges or charge a higher penalty rate for loads in the event of:

- Nonpayment of solid waste disposal fees or delinquent accounts.
- Disposal of unacceptable or hazardous waste.
- Failure to have a vehicle properly permitted and inspected.
- Operating vehicle and/or container with safety deficiencies or in an unsafe manner.
- Salvaging and/or removal of unauthorized items from discharged waste.
- Noncompliance with rules and regulations concerning the I-66 Transfer Station Complex or Chapter 109.1 of the Fairfax County Code.
- The Complex Manager or his/her representative will determine the duration of suspension.
- Disposal of items, which, at the discretion of the I-66 Transfer Station Complex Manager or his/her representative, may impede operations or are considered hazardous to personnel.
- Unacceptable behavior, as determined by County operations staff.
- Driver giving incorrect information about the origin or type of waste being disposed.

Offense	1st Action	2nd Action	3rd Action	Comments
Mis-Identification of Waste, Origin & Material Type	1 Load @ Penalty Rate/Ton	3 Loads @ Penalty Rate/Ton	6 Loads @Penalty Rate/Ton	4th Action - Mandatory Meeting with SWMP Branch Chief at County's Discretion
Unsatisfactory Waste Inspections	1 Load @ Penalty Rate/Ton	3 Loads @ Penalty Rate/Ton	6 Loads @Penalty Rate/Ton	4 th Action - Mandatory Meeting with SWMP Branch Chief at County's Discretion
Non-Compliance with Other Facility Rules & Regulations	1 Load @ Penalty Rate/Ton	3 Loads @ Penalty Rate/Ton	6 Loads @Penalty Rate/Ton	Facility Manager Discretion
Failure to Attend Mandatory Meetings	1 Load @ Penalty Rate/Ton	3 Loads @ Penalty Rate/Ton	6 Loads @Penalty Rate/Ton	Directory Review and Signature at 2 nd and 3 rd Action
Failure to Comply with Permit Regulations	1 Load @ Penalty Rate/Ton	3 Loads @ Penalty Rate/Ton	6 Loads @Penalty Rate/Ton	4 th Action - Mandatory Meeting with SWMP Branch Chief at County's Discretion
