Hackathon

- Fairfax County is organizing a transportation-focused hackathon
 - Where: Refraction in Reston
 - When: November 16th and 17th
- This hackathon is designed to create innovative, new technologies to relieve traffic congestion, improve safety or make it easier to get around, especially for seniors, people with disabilities and others..
- VDOT's new Smarter Roads Data Portal (www.smarterroads.org) and additional complementary data sets from DOT and other transportation-related partners and stakeholders will offered as well.

Proposal for Tracking/Reporting of Projects

- Total request is \$350,000
- The logistics of project and usage of funds will be executed or monitored by the Economic Initiatives Coordinator and County Executive
- Report of projects will be presented at the EAC-IC and EAC meetings
 - Breakdown of any funds used will be presented at this time
