Meadows of Chantilly	Sully	490

Background

Strategic Areas of Focus

- A: Community Outreach and Engagement
- B: Understanding Community Needs, Providing Community Benefit
- C: Code Compliance and Community Quality
- D: Land Use
- E: Legislation

A: Community Outreach and Engagement

Action Items:

- Create dedicated Manufactured Housing webpage
- Convene Manufactured Housing Roundtable
- Hold annual meetings with each community
- Improve resident notification of land use activity
- Dedicate new position as Manufactured Housing Coordinator

B: Understanding Community Needs, Providing Community Benefits

Action Items:

- Conduct resident-centered community surveys
- Support community ownership models
- Provide unit owners & community owners access to financial support
 - Potential pilot grant program to assist unit owners with home improvements
 - Financing programs for needed infrastructure improvements
- Provide access to home ownership support

C: Code Compliance and Community Quality

Action Items:

- Provide education and other resources to unit owners on permitting and regulatory framework
- Implement best practices of other jurisdictions

D: Land Use

Action Items:

- Initiate Comprehensive Plan Amendments
 - Revise Manufactured Communities designations on Comprehensive Plan Map, as appropriate
 - Review and Clarify Site Specific Comprehensive Plan Text as appropriate (Area Plan)
 - Strengthen Preservation Policy in the Comprehensive Plan (Policy Plan)
- Evaluate potential Zoning Code amendments:
 - R-MHP Zoning District to Address Nonconforming Status
- Consider including affordability analyses prior to redevelopment to understand the impact to residents and the larger community

E: Legislation

Action Items:

- Continue to advocate for resident rights during occupancy and at community sale
- Include legislative updates on dedicated *Manufactured Housing* webpage
