ADDITIONAL BOARD MATTER13. **ABOLISH THE AUTO DECAL TAX** (1:16 p.m.)

(A) Chairman Connolly stated that he had discussed with each Board Member the abolishment of the auto decal and the auto decal fee of \$25. He noted that each Board Member sought to be an original co-sponsor of this Board Matter. He asserted that the County could afford to take this action for the following reasons:

- The County enjoys 98 percent compliance with the personal property tax.
- Several years ago the County went on an honor system and mailed decals in advance of the requirement to pay and there was still 98 percent compliance.
- Technology has made the decal obsolete through multiple ways of identifying those who have not paid and ways to enforce payment.

Therefore, Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and, on behalf of the each Member of the Board, moved that the Board:

- Authorize staff to advertise a public hearing to eliminate auto decals and the associated fee by repealing Article 12, Motor Vehicle License Tax, Sections 82-12-1 through 82-12-12, of the Code of the County of Fairfax, to be effective beginning July 1, 2006. The current decal will be the last.
- Direct staff to include the fiscal impact of this action as a Consideration Item for the Board as it deliberates on the *FY 2007 Advertised Budget Plan*.

Supervisor McConnell seconded the motion.

Following discussion regarding the loss of a \$20.3 million dollar revenue source and the effectIVE reliance on the real estate tax as well as identification implications for Neighborhood Watch, with input from Susan W. Datta, Director, Department of Management and Budget, Chairman Connolly noted that real estate taxes are deductible from State and Federal taxes, but decal fees are not.

Supervisor Hudgins asked unanimous consent that the Board direct the Department of Housing and Community Development to report with the number of people on the waiting list for housing. Without objection, it was so ordered.

Supervisor Hudgins noted the need for tax relief for homeowners who are not part of the senior or disability communities.

Further discussion ensued regarding actions of other localities and ways to trim the budget.

Supervisor Smyth asked unanimous consent that the Board direct the staff to include in the staff report for the Board item the impacts such as how the regional parks determine whether visitors are members of regional jurisdictions. These impacts could be in the form of frequently asked questions and include any cost savings such as staffing, police enforcement, and administrative costs. Following input from Anthony H. Griffin, County Executive, without objection, it was so ordered.

Following additional discussion, with input from Mr. Griffin, the question was called on the motion and it carried by unanimous vote.

Chairman Connolly expressed appreciation to Mr. Griffin and Kevin Greenlief, Director, Department of Tax Administration, for their assistance in determining that this idea was manageable.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

Diane Wolfrey, Property Analyst, Facilities Management Department, presented the staff report.

Supervisor Kauffman reminded the Board that at its January 23, 2006, meeting when this public hearing was authorized for advertisement the Board supported inclusion of a piece of land on Lockheed Boulevard identified as 92-4-001, Parcel 12B, which was inadvertently left out. After discussion with the David P. Bobzien, County Attorney, he was informed that it could be included in today’s public hearing. This parcel, 92-4-001, Parcel 12B will be transferred from the Department of Housing and Community Development (HCD) to the Fairfax County Park Authority.

Discussion ensued, with input from Hayden Coddington, Assistant County Attorney, regarding ownership and inclusion of the parcel.

Further discussion ensued, with input from Mr. Bobzien, regarding the advertising of this public hearing and the Board’s authority to approve transfer of the parcel.

Following the public hearing, which included testimony by two speakers, Supervisor Frey moved adoption of the staff recommendation to endorse the Resolution authorizing the conveyance of the County-owned property to the Park Authority. Supervisor Gross seconded the motion.

Supervisor Frey amended his motion to exempt from the Resolution the 1.1 acre parcel identified as 45-1 ((12)) Parcel A and defer decision until March 27, 2006, and this was accepted.

Supervisor Kauffman asked to amend the main motion to include the parcel identified as 92-4-001 Parcel 12 B, and, if for some reason there is any difficulty encountered, that HCD staff be instructed to work with the appropriate staff from the Park Authority and the County Attorney's Office to ensure transfer of the sale. This was accepted.

The question was called on the motion, as amended, and it carried by unanimous vote, Supervisor Bulova, Supervisor DuBois, Supervisor Frey, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, Supervisor McConnell, Supervisor Smyth, and Chairman Connolly voting "AYE."

Donna Pesto, Senior Assistant to the Zoning Administrator, Department of Planning and Zoning, presented the staff report.

Discussion ensued, with input from Ms. Pesto, regarding the proposed amendment and the financing control period.

Following the public hearing, Supervisor Hudgins moved adoption of the proposed amendments to the Code of the County of Fairfax, Chapter 112 (Zoning Ordinance), as recommended by the Planning Commission, with an effective date of February 28, 2006, at 12:01 a.m., and with the following changes recommended by staff:

- Handwritten Page 10, Section 2-812, Paragraph 1: Change "Except as qualified by Paragraph 8 below,..." to **"Except as qualified in this section,..."**

- Handwritten Page 16, Section 2-812, Paragraph 2: Change "...the thirty (30) year renewable control period with respect to rental units..." to "**...the thirty (30) year control period with respect to rental units...**"

Supervisor Bulova seconded the motion.

Discussion ensued, with input from Ms. Pesto, regarding the number of applicable affordable dwelling units (ADU).

Supervisor Bulova asked to amend the motion, on handwritten page 15, last paragraph, include the date "**July 1, 2006.**" Also, the word renewable be replaced with "**on or after.**"

Following discussion, with input from Ms. Pesto, regarding the amendment and the date, Supervisor Bulova withdrew her amendment to the motion.

The question was called on the motion and it carried by a vote of nine, Supervisor Bulova, Supervisor DuBois, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, Supervisor McConnell, Supervisor Smyth, and Chairman Connolly voting "AYE," Supervisor Frey being out of the room.

52. **5 P.M. – PUBLIC COMMENT FROM FAIRFAX COUNTY CITIZENS AND BUSINESSES ON ISSUES OF CONCERN** (6:19 p.m.)

Citizens and Businesses of Fairfax County are encouraged to present their views on issues of concern. This public hearing was held and included testimony by Ms. Deanna Jennings regarding issues dealing with a contractor and County building inspectors.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct the Providence District Supervisor's Office to review this matter and report with its findings. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

ADDITIONAL BOARD MATTERS

NV:nv

53. **SENIOR CITIZENS ISSUES FORUM** (6:24 p.m.)

Jointly with Supervisor Smyth, Chairman Connolly reported that they attended a senior citizens issues forum for the Mantua Citizens Association using a town meeting format. He said it was a successful forum where they answered many seniors' questions and highlighted County services.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and moved that the Board direct staff to:

- Invite the organizers of Saturday's forum to appear before the Board to be honored for creating this valuable template event.
- Work with organizers and Members of the Board to develop and offer this program in other locations in the County.

Without objection, it was so ordered.

Supervisor Kauffman shared with the Board that he is working with the Area Agency on Aging to kick off the Board's new Committee on Aging that will deal with senior issues. He noted that two pieces of legislation have passed in both houses of the General Assembly. One is House Bill HB 110 which has each State level department examine and report annually on the impact of aging on their departments and how they are responding. The other is House Bill HB 854 which requires each department to have a designated person to review policy and program decisions in light of aging and disabilities.

(NOTE: Later in the meeting, the Board revisited the issue of forums for senior citizens. See Clerk's Summary Item CL#71.)

54. **STATE FUNDING OF JUVENILE JUSTICE SERVICES** (6:26 p.m.)

Chairman Connolly called the Board's attention to a memorandum from the Human Services Council detailing the lack of funding the State has provided for the County's juvenile justice services. According to the Human Services Council, after a 2003 Statewide reduction of 51 percent funding for the Virginia Juvenile Community Crime Control Act, the County currently receives \$858,000, as opposed to the roughly \$1.75 million received in Fiscal Year (FY) 2002.

Chairman Connolly stated that in FY 2005, the County received \$1.58 million from the Department of Juvenile Justice for State salary reimbursement of probation services. The County's share was almost \$7.5 million. The State's

funding represents only 21 percent of the total funding needed and is far below the 50 percent funding level that was initially intended in the State and County partnership on juvenile justice services. In FY 2005, 41 percent of the youths the Juvenile and Domestic Relations Court's Probation Services supervised were at medium to high risk of re-offending. He asserted that funding is inadequate for critical services.

Therefore, Chairman Connolly asked unanimous consent that the Board draft a letter to Governor Kaine and the Fairfax County Delegation to the General Assembly expressing its concerns over the State's lack of funding of these important services for the juvenile justice services. Without objection, it was so ordered.

55. **NORTHERN VIRGINIA SOIL AND WATER CONSERVATION DISTRICT (NVSWCD) SEEDLING SALE** (6:28 p.m.)

Chairman Connolly said that in 2004, the Board cemented its dedication to the environment by adopting the 20-Year Environmental Agenda, the main goal being the preservation and enhancement of the County's natural habitat. He said that the NVSWCD announced its 2006 seedling sale, and asked that Board Members help publicize the event in their own districts. For \$16.95, citizens will receive several seedlings of six different varieties of trees, such as graystem dogwood, American hazelnut, and Virginia pine. Pre-paid orders are due by April 14 and will be available for pickup April 21-22.

Chairman Connolly asked unanimous consent that the Board direct the Office of Public Affairs to coordinate with the NVSWCD to publicize the 2006 Seedling Sale. Without objection, it was so ordered.

56. **CLEAN UP FAIRFAX CAMPAIGN** (6:28 p.m.)

Chairman Connolly said that when the Board talks about preserving and enhancing the natural environment as part of its commitment to the Board's 20-Year Environmental Agenda, it has placed a particular emphasis on helping the Park Authority increase its land holdings within the County. The Board has given the Park Authority a specific goal to have ten percent of the County's land under the ownership and management of the Park Authority.

Chairman Connolly asserted that litter on all public property, particularly in the parks and on and around athletic fields, is a growing problem in the County, and if the County wants to continue to preserve and enhance its world-class parks and fields, it must reach out to everyone in the community with a comprehensive, multi-cultural, coordinated educational and enforceable anti-litter campaign.

Therefore, Chairman Connolly moved that the Board direct the County Executive to convene a work group to implement an aggressive "2006 Clean Up Fairfax" campaign focusing on environmental education and anti-littering enforcement.

Membership of this work group should include, but not be limited to, representatives from the Park Authority, Fairfax County Public Schools, the Police Department, the Department of Systems Management for Human Services, Conserve Fairfax, and the Clean Fairfax Council. Vice-Chairman Bulova seconded the motion and it carried by unanimous vote.

57. **SEVENTEENTH ANNUAL POTOMAC RIVER WATERSHED CLEANUP**
(6:29 p.m.)

Chairman Connolly said that no discussion of habitat enhancement in the County would be complete without touching on the over 900 miles of rivers and streams within the County's 30 watersheds. He asserted that these watersheds should be protected from pollution and litter.

Chairman Connolly announced that the Alice Ferguson Foundation is sponsoring its Seventeenth Annual Potomac River Watershed Cleanup on Saturday, April 8, 2006, from 9 a.m. until noon, rain or shine. The theme for this year's clean-up is "Take Pride in Our Potomac: Trash Free by 2013." He urged Board Members to take the opportunity to urge interested citizens to participate. Training and supplies are provided by the organization.

Chairman Connolly said that more information can be found on the flyer he distributed as well as through either the County's website, www.fairfaxcounty.gov/dpwes/watersheds/springcleanup.htm, or the Alice Ferguson's Foundation's website at www.potomaccleanup.org.

Chairman Connolly asked unanimous consent that the Board direct the Office of Public Affairs to promote this event.

Discussion ensued regarding the fact that volunteers do not have to don hip boots to go in the water and that emphasis is on the land to prevent litter from entering the Potomac River.

Without objection, the request was so ordered.

58. **TREES 2006 CAMPAIGN** (6:31 p.m.)

Chairman Connolly reminded the Board of its very successful Trees 2000 campaign from six years ago, in which 2000 trees were planted in the 2000 calendar year. To duplicate that success, Chairman Connolly moved that the Board:

- Initiate a Trees 2006 campaign, in which 2006 trees will be planted by the end of the calendar year.
- Request its representatives on the Tree Commission to partner with Fairfax ReLeaf, the Northern Virginia Soil and Water

Conservation District, the County Executive's Office, the County's Environmental Coordinator, and appropriate County agencies, including the Park Authority and the Office of Public Affairs, to identify resources, as well as promote and implement projects for this effort, in Members' respective districts.

Without objection, it was so ordered.

59. **FAIR HOUSING MONTH** (6:32 p.m.)

Chairman Connolly announced that April is celebrated as Fair Housing Month. He noted that the County had made strides in affordable housing.

Therefore, Chairman Connolly moved that the Board proclaim April 2006 as "*Fair Housing Month*" in Fairfax County and direct staff to invite the appropriate representatives from the Human Rights Commission and others to appear before the Board to receive the proclamation at March 27, 2006, Board meeting. Supervisor Hyland seconded the motion and it carried by unanimous vote.

60. **WORLD TUBERCULOSIS (TB) DAY** (6:32 p.m.)

Chairman Connolly said that "World Tuberculosis Day," is March 24, 2006. Therefore, he asked unanimous consent that the Board proclaim March 24, 2006, "*World TB Day*" in Fairfax County and direct staff to invite representatives from the Health Care Advisory Board and others to be recognized with the proclamation at the March 13, 2006, Board meeting. Without objection, it was so ordered.

61. **BLOCKING THE BOX** (6:33 p.m.)

Chairman Connolly said that on his recent WTOP radio show, "Ask The Chairman," a caller complained about rush hour traffic in the Tysons area. Specifically, he noted that drivers blocked an intersection so that opposite direction travelers could not enter it through repeated cycle changes of the traffic lights. He reported waiting through eight cycle changes before he could pass through the intersection. As the County's only designated Urban Core, Tysons is experiencing major city traffic problems, however, this problem is not restricted to only Tysons Corner.

Chairman Connolly reported that many cities have found that that no roadway sensor or photo electric eye can surpass the skills of an experienced traffic officer in controlling the movement of traffic through a congested area. Therefore, he moved that the Board direct the County Executive, in consultation with the Chief of Police, the Department of Transportation, and the Virginia Department of Transportation to develop, with all dispatch, a set of initiatives and provide the Board with recommendations for implementation of a plan designed to curtail the practice of Blocking the Box. Included in this effort should be a pilot project to

determine the effectiveness of traffic control by sworn officers. Supervisor DuBois seconded the motion.

Following discussion regarding enforcement efforts and programs in other localities including signs, the question was called on the motion, which carried by unanimous vote.

62. **FUNDING FOR THE COMPREHENSIVE BICYCLING INITIATIVE**
(6:35 p.m.)

[NOTE: Earlier in the meeting, the County Executive presented his Proposed Fiscal Year (FY) 2007 Budget. See Clerk's Summary Item CL#12.]

Chairman Connolly said that on December 5, 2005, the Board asked the Department of Transportation (DOT) to outline what would be required to improve facilities and procedures for bicycle transportation in the County, including, but not limited to, the creation of a bicycle program manager position, the creation of a Countywide bicycle facilities map, and the implementation of a pilot bicycle network in a specific area of the County.

Chairman Connolly said that Katharine D. Ichter, Director, DOT, reported to the Board with information on the cost of these various items, as detailed in the memorandum dated February 20 distributed with his written Board Matters. Because of the timing of the Board's request and DOT's response, these items did not make it into the County Executive's Proposed FY 2007 Budget which was presented earlier today.

Therefore, Chairman Connolly asked unanimous consent that the following items be placed on the Board's Consideration List for the FY 2007 Budget:

- \$90,026 to fund the position of Bicycle Program Coordinator.
- \$250,000 for consultant services to establish a pilot interconnected bicycling network in a specific area of the County.
- \$500,000 for contractor and consultant services to provide an inventory of the County's bicycle infrastructure to be used in creating a map of bicycle facilities within the County.

Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

63. **AMENDMENT TO OUT-OF-TURN PLAN AMENDMENT S05-IV-LP4 (MOUNT VERNON DISTRICT)** (6:36 p.m.)

Supervisor Hyland said that on August 1, 2005, the Board adopted his motion to direct staff to prepare an Out-of-Turn Plan Amendment for property adjacent to the former Lorton Elementary School site in Lorton. This motion was based on the possible use of the land as a Healthplex office building which is not currently supported by the Comprehensive Plan. He clarified that the motion was intended to apply to the entire land unit where the property is situated so that issues of access and consolidation may be properly considered.

Therefore, Supervisor Hyland moved to specifically include all of Sub-unit B2 of the Lorton South Route 1 Community Planning Sector in the Lower Potomac Planning District, Area IV, south of Lorton Road, and west of Interstate 95 in the evaluation of a Healthplex. Supervisor Kauffman seconded the motion and it carried by unanimous vote.

64. **PEDESTRIAN CROSSING AT RICHMOND HIGHWAY AND FORT HUNT ROAD (MOUNT VERNON DISTRICT)** (6:37 p.m.)

Supervisor Hyland said that staff has made him aware that the Woodrow Wilson Bridge Project Team, without coordination with staff or Mount Vernon residents, decided to eliminate the pedestrian crossing at the intersection of Richmond Highway and Fort Hunt Road. Richmond Highway is an enhanced transit corridor that needs extensive pedestrian improvements extending from the City of Alexandria to Fort Belvoir. Given the close proximity of Metro, offices, and high-density residential development, and a new pedestrian trail linking Fairfax County's northern gateway to Old Town Alexandria, this intersection should encourage safe pedestrian travel, not eliminate it. The Woodrow Wilson Bridge Project Team informed him that its current plans do not preclude putting in a raised pedestrian crossing at this intersection.

Therefore, Supervisor Hyland moved that the Board write a letter of support to the Virginia Department of Transportation (VDOT) Commissioner, the VDOT Northern Virginia District Administrator, and the Woodrow Wilson Bridge Project Team requesting them to install either an at grade or bridged pedestrian crossing at the intersection of Fort Hunt Road and Richmond Highway. Supervisor McConnell seconded the motion and it carried by unanimous vote.

65. **USE OF VOTER SOCIAL SECURITY NUMBERS ON ABSENTEE BALLOT APPLICATIONS** (6:38 p.m.)

Supervisor Hyland said that several weeks ago, one of his constituents went to the Electoral Board to fill out an absentee ballot application. He was advised that his application would not be processed if he did not provide his Social Security number. In fact, the form itself states "REQUIRED" on Part D. Supervisor Hyland said that he has been told by the County Attorney's office that after a

review of the applicable statutes, a Social Security number should not have been required.

As outlined in the written Board Matter, Virginia Code Annex §§ 24.2-701 and 24.2-643 (Supplement 2005), sets forth the requirements for applications for absentee ballots and requires an applicant to furnish one of several types of identification to include a Virginia voter registration card, a Social Security card, a valid Virginia driver's license, among others. Furthermore, Section 7 (b) of the Federal Privacy Act requires that any state or local government that requests a Social Security number shall inform the individual whether such disclosure is mandatory or voluntary and by what authority that number is requested. The current absentee ballot application fails to meet this provision.

Therefore, Supervisor Hyland moved that the Board direct the Chairman, on behalf of the Board, to write a letter to the State Board of Elections requesting a revision to the form to provide the requisite Federal notice and to provide for the use of any of the alternative forms of identification specified in Virginia Code Annex § 24.2-643. Supervisor Hudgins seconded the motion.

Following discussion regarding the Social Security number, the question was called on the motion, which carried by unanimous vote.

66. **RECOGNITION FOR THE CONSTRUCTION OF THE CROSS COUNTY TRAIL THROUGH LAUREL HILL (MOUNT VERNON DISTRICT)**
(6:40 p.m.)

Supervisor Hyland said that it is anticipated that the Cross County Trail will be completed through Laurel Hill later this spring. This trail, crossing through some of the County's most scenic areas, will make its final connection through Laurel Hill and connect the Occoquan River to the Potomac's Great Falls Park. The Park Authority will reach another milestone as the trail segment over Giles Run is built in late March.

Supervisor Hyland moved that the Board direct staff to invite:

- The Park Authority Board to appear before the Board on March 27 to be recognized for this accomplishment.
- Senior staff from the Park Authority to participate in a small reception prior to the Board meeting.

Supervisor Bulova seconded the motion, which carried by unanimous vote.

67. **RECOGNITION FOR MOUNT VERNON STUDENTS' HEROISM**
(6:41 p.m.)

Supervisor Hyland said his next written Board Matter concerned four students from the Mount Vernon District who were cited for performing extraordinary acts of bravery when they assisted Fire and Rescue personnel in extinguishing a fire and rescuing people from the Potomac River. He described their actions in his written Board Matter.

Therefore, Supervisor Hyland asked unanimous consent that the Board direct staff to invite these heroic Mount Vernon District students to appear before the Board to be recognized for their bravery. Without objection, it was so ordered.

68. **PARTIAL TAX RELIEF FOR RESERVE DEPUTY SHERIFFS** (6:42 p.m.)

Supervisor Hyland noted that the County grants partial tax relief for volunteer firefighters and auxiliary police officers to thank them for the countless hours of service to the community. Some years ago, the Virginia General Assembly approved a statute allowing for partial (personal property) tax relief for one vehicle for such volunteers. After the State approved the statute, the Board granted relief for the volunteer firefighters and auxiliary police.

Supervisor Hyland said that subsequent to that action, the Sheriff's Office created a valuable Reserve Deputy Sheriff Program. The program is similar to the police auxiliary and Supervisor Hyland asserted that these volunteers should be treated the same.

Given their often thankless service and the tremendous amount of personnel savings they bring to the taxpayers, Supervisor Hyland moved that the Board direct staff to include as a part of the Fiscal Year (FY) 2007 Budget for consideration, inclusion of Reserve Deputy Sheriffs in the special tax status category with volunteer firefighters and auxiliary police officers. Staff has preliminarily indicated that the revenue implications of such action are negligible. Supervisor Bulova seconded the motion, which carried by unanimous vote.

69. **SPECIAL EXCEPTION AMENDMENT FOR MOUNT VERNON HOSPITAL'S RENOVATION AND EXPANSION (MOUNT VERNON DISTRICT)** (6:43 pm.)

Supervisor Hyland said that his next written Board Matter concerns a special exception amendment application submitted by Inova Health Care Services for the Mount Vernon Hospital's renovation and expansion.

Supervisor Hyland moved that the Board:

- Direct staff to review the special exception amendment application submitted by Inova Health Care Services regarding Mount Vernon

Hospital on an expedited basis and to schedule the public hearings on the application before the Planning Commission and the Board on an expedited basis.

- Direct staff to process the site and building plans for the expansion concurrently with the special exception amendment application.
- Consent to the filing of a special exception amendment application by Inova Health Care Services for the property identified on Tax Map 102-1 ((1)) part 4, which is owned by the Board.

Supervisor Frey seconded the motion and it carried by unanimous vote.

70. **MARCH IS PURCHASING MONTH** (6:44 p.m.)

Supervisor Hyland moved that the Board proclaim “*March as Purchasing Month*” in Fairfax County and direct staff to invite representatives from the Department of Purchasing and Supply Management and the Public Schools’ Office of Supply Operations to be recognized with the proclamation at the March 13, 2006, Board meeting. Supervisor McConnell seconded the motion and it carried by unanimous vote.

71. **SENIOR CITIZEN FORUMS IN THE MOUNT VERNON DISTRICT**
(6:44 p.m.)

(NOTE: Earlier in the meeting, the Board discussed a forum for senior citizens held in the Providence District. See Clerk’s Summary Item CL#53.)

Supervisor Hyland stated that he will follow Supervisor Smyth’s and Chairman Connolly’s lead and will hold a similar forum for senior citizens in the spring.

72. **NEWSPAPER COVERAGE OF THE MOUNT VERNON DISTRICT TOWN MEETING** (6:45 p.m.)

Supervisor Hyland called the Board’s attention to copies of the *Mount Vernon Voice* dated February 9, 2006, which had extensive coverage of his February 4 Mount Vernon District Town Meeting.

73. **CITIZEN CORPS** (6:45 p.m.)

Supervisor Bulova reminded the Board that she presented a Board Matter on January 23 regarding the Citizens Corps Council. She had noted that some reorganization and structural changes were underway, but that those changes had not been presented to the Board for information and concurrence. She inquired about the status of a Board-approved acceptance of a UASI sub-grant in the amount of \$335,504. Subsequently, the County Executive responded in a

memorandum to all Board Members dated February 15. She said that not all of her concerns have been addressed.

Supervisor Bulova stated that the new organizational structure appears to be a diminution of citizen participation and she believes that the Citizens Corps Executive Committee has not had an opportunity to review the report.

Accordingly, Supervisor Bulova asked unanimous consent that the Board direct staff to:

- Refer the report to the Citizens Corps Executive Committee for its review and comments to be shared with the Board.
- Provide information on the release of the grant funds and how the funds will be monitored.
- Report whether Volunteer Fairfax plans to use some of the grant money for a program similar to the Community Emergency Response Teams (CERT), and, if so, whether that is a duplication. She noted that the Department of Fire and Rescue Services (FRS) is having difficulty in continuing to hold CERT programs, and she asked staff to determine whether there are available funds for FRS that are going to another organization.

Supervisor Gross asked to amend the request to direct staff to respond by April 3, and this was accepted.

Following brief input from Anthony H. Griffin, County Executive, without objection, the request, as amended, was so ordered.

74. **OAKTON GROUND BREAKING AND COMMUNITY DAY**
(PROVIDENCE DISTRICT) (6:49 p.m.)

Supervisor Smyth said that the groundbreaking for the Oakton Library, the first library in the Providence District, is scheduled for April 3, 2006. Her written Board Matter provided details on the history of this library.

Supervisor Smyth asked unanimous consent that the Board direct the Office of Public Affairs to publicize this event. Without objection, it was so ordered.

To recognize the positive contributions of Library Director Edwin S. ("Sam") Clay, Department of Public Works and Environmental Services' Architect Katayoon Shaya, as well as the Friends of the Oakton Library, and the Oakton Women's Club, Supervisor Smyth moved that the Board:

- Direct staff to invite these individuals to appear before the Board on April 3, 2006, to formally commemorate their contributions.

- Proclaim Saturday, April 8, 2006, as "*Oakton Community Day*" in Fairfax County and direct staff to prepare a proclamation to be read at the celebration.

Without objection, it was so ordered.

75. **DEVELOPMENT OF A COUNTYWIDE TRANSPORTATION DEMAND MANAGEMENT (TDM) PLAN FISCAL YEAR 2007 BUDGET CONSIDERATION ITEM** (6:51 p.m.)

Supervisor Smyth said that over a year ago she asked the Board to direct staff to form a working group to examine how to better incorporate TDM as an integral part of the land use and development process in the County and to report with their findings and recommendations. The Department of Transportation (DOT) staff transmitted a summary report on the working group's recommendations to all Board members for review and comment that includes funding for increased staffing, marketing, and outreach.

Therefore, Supervisor Smyth moved that the Board, in conjunction with its review of the FY 2007 Budget:

- Consider expanding the resources dedicated to TDM Countywide in the annual amount of \$608,233.
- Direct staff to initiate those items on the list contained in her written Board Matter of recommendations that can be undertaken within existing resources in advance of approval of the FY 2007 Budget.

Supervisor Kauffman seconded the motion, which carried by unanimous vote.

76. **BUDGET CONSIDERATION ITEM FOR URBAN FORESTERS ("TREE SAVE")** (6:52 p.m.)

(NOTE: Earlier in the meeting, during presentation of the proposed budget, there was discussion regarding tree save. See Clerk's Summary Item #12, page 7.)

Supervisor Smyth asked unanimous consent that the Board direct staff to add a Budget Consideration Item for the addition of urban foresters for better implementation of tree proffers and enhanced enforcement of them.

Following discussion regarding the dollar amount, Anthony H. Griffin, County Executive, stated that he would return with a staffing recommendation to address the concern.

Without objection, it was so ordered.

77. **JOHN FISHER'S EAGLE SCOUT PROJECTS (PROVIDENCE DISTRICT)** (6:53 p.m.)

Supervisor Smyth said that at the heart of the many activities in which Providence District residents engage lies the desire and commitment of individuals who want to better communities. She called the Board's attention to John Fisher, a Mantua resident, whose Eagle Scout Project's objective was the following:

- To match the actual locations of fire hydrants in the area between Route 236 and Route 50 and Prosperity and Pickett Road, with the locations shown on the street maps that Fire Station 23 uses when responding to fire and emergencies. It will help the firefighters find the fire hydrants easily, and the citizens will benefit also.

Supervisor Smyth reported that Mr. Fisher's project not only went according to plan, but the original search area was also expanded beyond Mantua. Mr. Fisher discovered that of the 215 fire hydrants shown on the map, 8 new ones were found and that 3 existing ones were actually missing. His findings were explained on a fire and rescue map and submitted, together with his report, to Fire Station 23. Furthermore, Mr. Fisher then went on to clear the debris and clutter surrounding 25 fire hydrants.

Supervisor Smyth said that Mr. Fisher exemplifies Providence District residents who desire and are committed to better their communities. Therefore, Supervisor Smyth asked unanimous consent that the Board direct staff to invite Mr. Fisher to appear before the Board, at an appropriate date, to accept a Certificate of Recognition for his noteworthy commitment and dedication to the Mantua community and Fire Station 23. Without objection, it was so ordered.

78. **PROVIDENCE DISTRICT BUDGET WORKSHOP** (6:54 p.m.)

Supervisor Smyth announced that her office will be hosting a budget workshop on March 9 at 7 p.m. The workshop will be held at Fairhill Elementary School, 3001 Chichester Lane, Fairfax. This event is open to all residents.

Furthermore, Supervisor Smyth asked unanimous consent that the Board direct the Office of Public Affairs to publicize this event. Without objection, it was so ordered.

79. **PROVIDENCE DISTRICT SENIOR TAX RELIEF WORKSHOPS**
(6:54 p.m.)

Supervisor Smyth announced that her office will be hosting senior tax relief workshops for the third year in a row. The workshops are scheduled for the following dates and times:

- March 15 from 10 am. - 2 p.m.
- April 5 from 10 am. - 2 p.m.

Both workshops will be held at the Providence District office located at 8739 Lee Highway, Fairfax, Virginia 22031. Residents are asked to call 703- 560-6946; TTY 711, to make an appointment.

Supervisor Smyth asked unanimous consent that the Board direct the Office of Public Affairs to publicize the workshop events as soon as possible. Without objection, it was so ordered.

Supervisor Smyth said that in the three years that she has been holding these workshops, two familiar staff members have continued to make them accessible and productive to residents. Accordingly, she asked unanimous consent that the Board direct staff to invite Ms. Desi Baltimore and Ms. Paula Loures, of the Department of Tax Administration, to appear before the Board to receive Certificates of Recognition in the service of assisting and educating seniors in matters of tax relief at an appropriate date. Without objection, it was so ordered.

- Upcoming Braddock District tax relief workshop for senior citizens.

Without objection, it was so ordered.

81. **HUNTINGTON METRO STATION GARAGE (LEE DISTRICT)**
(6:57 p.m.)

Supervisor Kauffman, jointly with Supervisor Hyland, reminded the Board that joint development around the Huntington Metro Station was underway. He said that in the next phase of development, replacement parking, as well as 500 additional parking spaces, were to be provided and it was critical that this occur in a timely fashion to minimize inconvenience for transit riders at the station.

Supervisor Kauffman moved that the Board direct Jimmie D. Jenkins, Director, Department of Public Works and Environmental Services (DPWES), to allow modified processing for the garage in order to allow the construction of the replacement to advance quickly. Supervisor Hyland seconded the motion and it carried by unanimous vote.

82. **CONSIDERATION ITEM: CUMULATIVE IMPACT ISSUE - TRANSPORTATION DEMAND MANAGEMENT (TDM)** (6:58 p.m.)

Supervisor Kauffman noted Supervisor Smyth's work in the development of the County-wide TDM plan and stressed the need for it to be integral to every development. He pointed out that last year he raised as a consideration item addressing cumulative impact issues to better address the enhanced modeling capacity; however, neither the necessary software packages, nor staff funding issues, were addressed in the Information Technology (IT) budget for 2007.

Supervisor Kauffman stated that approximately \$100,000 was needed for IT needs and another \$800,000 was necessary for staff, which included personnel in the Department of Transportation, one staff member in the Department of Planning and Zoning, and one-time consultant services.

Therefore, Supervisor Kauffman moved to include as a Consideration Item \$900,000 for enhanced modeling capacity to enable the Board to be better prepared to engage cumulative impact issues in new development. Supervisor Smyth seconded the motion and it carried by unanimous vote.

83. **BUDGET QUESTION: COURTHOUSE EXPANSION PROPOSAL AND THE INDICATION FOR ADDITIONAL SECURITY** (7 p.m.)

(NOTE: Earlier in the meeting, during presentation of the proposed Fiscal Year 2007 Budget, additional action was taken regarding courthouse security. See Clerk's Summary Item CL#12, page 8.)

With regard to the courthouse expansion proposal, and the indication for additional security needed, Supervisor Kauffman moved that, as a part of the budget review, the County Executive be directed to explore the feasibility of a

pilot project to meet the security needs within the same budget figures proposed by the County Executive using staffing for security other than the Sheriff's office. Supervisor Smyth seconded the motion and it carried by unanimous vote.

84. **PRESIDENT'S DAY WEEKEND FAIRFAX ANIMAL SHELTER ADOPTION EVENT (SULLY DISTRICT)** (7:01 p.m.)

Supervisor Frey, jointly with Supervisor DuBois, stated that on Sunday, February 19, 2006, the Fairfax County Animal Shelter opened its doors to host a special adoption event for homeless animals from Northern Virginia as well as for dogs and puppies recently rescued from the Gulf Coast. He noted that the event was a huge success with nearly 700 people attending.

Supervisor Frey said that in early February five animal control officers and one shelter staff person traveled 2200 miles to Gulfport, Mississippi and back as part of a regional effort to help animals in need at shelters in the areas hit hard by Hurricanes Katrina and Rita. He said they returned with 14 Katrina dogs and puppies which were provided medical care by Deepwood Veterinary Clinic and then placed in foster homes for a two-week adjustment period.

Supervisor Frey noted that the adoption event was a collaborative effort by individuals who care about the welfare of animals and wanted to help the dogs left homeless by the hurricanes, and that several dogs and cats that had been waiting at the shelter for some time also found adoptive homes as well.

Supervisor Frey particularly noted the efforts of Karen Diviney, Shelter Director; Mike Lucas, Chief Animal Control Officer; Captain Pamela Minnich, Commander of the Shelter; the entire shelter staff; members of the Animal Services Advisory Committee; Catherine Chianese, Office of the County Executive; the veterinarians at Deepwood Clinic; the foster care families; and the volunteers who made the event a success.

Therefore, Supervisor Frey, jointly with Supervisor DuBois, asked unanimous consent that the Board direct staff to invite the individuals involved to appear before the Board at a future meeting to be recognized. Without objection, it was so ordered.

85. **CERTIFICATE OF RECOGNITION FOR HUNTER MILL DISTRICT RESIDENT** (7:04 p.m.)

Supervisor Hudgins moved that the Board direct staff to prepare a certificate of recognition for a dedicated Restonian volunteer to be presented outside the Board Auditorium. Supervisor Hyland seconded the motion and it carried by unanimous vote.

86. **MAESTRO DINGWALL FLEARY'S TENTH ANNIVERSARY (HUNTER MILL DISTRICT)** (7:05 p.m.)

Supervisor Hudgins said that the Hunter Mill District is fortunate that many talented musicians perform throughout the district bringing beautiful music to multiple audiences. In particular Reston is fortunate to provide a home for the Reston Community Orchestra, a group of 48 professional, yet unpaid, volunteer musicians performing under the baton of Maestro Dingwall Fleary. Maestro Fleary is a harpsichordist, organist, and pianist. He has served as the music director for the Wolfrap International Children's Festival and is now serving in his tenth year as Conductor of the Reston Community Orchestra.

Therefore, Supervisor Hudgins asked unanimous consent that the Board direct staff to invite Maestro Fleary to appear before the Board to receive a certificate of recognition for his ten years of service as the Conductor of the Reston Community Orchestra. Without objection, it was so ordered.

87. **ROUTE 989 BUS MEETING (HUNTER MILL DISTRICT)** (7:06 p.m.)

Supervisor Hudgins reminded the community that on Wednesday, March 1, 2006, at 7:30 p.m., the Fairfax County Department of Transportation will hold a public meeting at McNair Elementary School to accept comments on proposed schedule changes to Route 989 from the Dulles Corridor to the Pentagon and Crystal City. She asked unanimous consent that the Board direct staff to assist with publicizing the event. Without objection, it was so ordered.

88. **HUNTER MILL DISTRICT COMMUNITY MEETINGS ON THE FISCAL YEAR (FY) 2007 BUDGET** (7:06 p.m.)

Supervisor Hudgins noted that this morning the County Executive presented the FY 2007 Advertised Budget. To foster a sense of inclusion and to help constituents gather a better understanding of the advertised budget, she announced that she will be hosting three separate community meetings:

- Wednesday, March 15, 2006, 7 p.m. - 9 p.m. at the Reston Community Center, Hunters Woods, 2310 Colts Neck Road — Reston 20191
- Wednesday, March 22, 2006, 1 p.m. - 3 p.m. at the Vienna Community Center, 120 Cherry Street, S.E., Vienna, 22180
- Wednesday, March 29, 2006, 7 p.m. - 9 p.m. at McNair Elementary School- 2499 Thomas Jefferson Drive, Herndon, 20171

Therefore, Supervisor Hudgins asked unanimous consent that the Board direct staff to assist in notifying the public and the appropriate media regarding these

opportunities for input and to voice their concerns. Without objection, it was so ordered.

89. **DSV DULLES FOX MILL, LP – PROFFERED CONDITION AMENDMENT APPLICATION PCA C-696-5 (HUNTER MILL DISTRICT)** (7:07 p.m.)

Supervisor Hudgins said that DSV Dulles Fox Mill, LP has filed Proffered Condition Amendment Application PCA C-696-5 to modify one existing proffer associated with Dulles Station for off-site transportation improvements along Sunrise Valley Drive and Frying Pan Road. The applicant is working closely with staff and the Department of Transportation on this application and is scheduled for a Planning Commission public hearing on March 23, 2006. The applicant has requested an expedited Board public hearing date.

Therefore, Supervisor Hudgins moved that the Board direct staff to schedule a public hearing to be held before the Board on March 27, 2006, regarding Proffered Condition Amendment Application PCA C-696-5. This motion shall not be construed as a favorable recommendation by the Board or staff on the proposed application and does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not prejudice the consideration of this application in any way. Supervisor Hyland seconded the motion and it carried by unanimous vote.

90. **SMALL DISTRICT 5 (SD5)** (7:08 p.m.)

(BACs) Supervisor Hudgins said that in March 1975, the Board created SD5. It was located wholly within what was then the Centreville District. Its purpose was to acquire, construct, maintain or operate a community center within the district. The Reston Community Center (RCC) is funded by property tax receipts from Small District 5.

Currently, after three reapportionments, the greatest land mass within the SD5 is now located in the Hunter Mill District; however, small portions are also located within Dranesville and Sully Districts.

On September 12, 2005, on Supervisor Frey's motion, the Board directed staff to review the boundaries of SD5 and to provide options for persons who would like to be removed from it. A response from the County Attorney's Office to Supervisor Frey indicates that under Virginia Code Section 15.2-85 the Board has the authority by the adoption of an ordinance, after conducting a public hearing on the proposed ordinance, to contract the boundaries of SD5.

In December 2005, RCC Board voted 4-4, on the issue of redrawing the boundaries of Small District 5 to include only areas in the Reston Master Plan. In February 2006, the RCC conducted two public meetings to discuss the

possibilities of boundary changes and funding requirements for the Reston Community Center.

Supervisor Hudgins said that the community has expressed through correspondence to her office and the public hearings held by the RCC Board a clear desire for some change in the boundaries. It appears now is the appropriate time to address the original intent of the creation of SD5 by arriving at the most appropriate boundary adjustment. Boundary adjustments will affect some real estate tax bills of SD5 residents and businesses. Therefore, any change must be done in a timeframe to coincide with the County's Fiscal Year 2007 notification of the real estate taxes; thus, it is necessary to consider this matter immediately.

Therefore, Supervisor Hudgins moved that the Board direct staff to prepare by March 13, 2006, an advertisement of a proposed ordinance, for public hearing for March 27, 2006, to contract the boundaries of SD5, such that the district will be wholly contained within the Hunter Mill District; and further, that an option be provided which will allow consideration of such district to be aligned with the Reston Master Plan. Supervisor Hyland seconded the motion.

Following discussion regarding the motion, Supervisor Frey expressed concern about the rapid turnaround of the proposal and asked unanimous consent that the Board direct staff to provide information regarding the status of elected RCC board members who live outside the proposed district and the notification process. Without objection, it was so ordered.

The question was called on the motion and it carried by unanimous vote.

91. **HUNTER MILL DISTRICT WINTER COAT CLOSET RECOGNITION**
(7:17 p.m.)

Supervisor Hudgins said that the 2005-2006 Hunter Mill District Winter Coat Closet ended February 11, 2006. Enormous community support for the fourth Annual Coat Closet enabled volunteers to distribute an estimated 2,715 coats and 770 hats, gloves, and scarves. This compared with some 500 distributed last year. This endeavor would not have been possible without the dedicated staff support from Reston Interfaith and its cadre of volunteers.

Therefore, Supervisor Hudgins asked unanimous consent that the Board direct staff to prepare certificates of recognition for the volunteers in appreciation of their generosity. Without objection, it was so ordered.

92. **NO BOARD MATTERS FOR MASON DISTRICT SUPERVISOR GROSS**
(7:17 p.m.)

Supervisor Gross announced that she had no Board Matters to present today.

93. **WINCHESTER HOMES (DRANESVILLE DISTRICT)** (7:17 p.m.)

Supervisor DuBois said that Winchester Homes has been working for over a year with staff and with the community on Rezoning/Final Development Plan Applications RZ/FDP-2005-DR-009 to build approximately 21 homes on 8.11 acres at the intersection of Spring Hill Road and Lewinsville Road in McLean. Winchester has recently agreed to a request from the Dranesville Planning Commissioner to defer its Commission public hearing date to April 19, 2006, to resolve some open space and transportation issues that have been raised by staff.

Therefore, Supervisor DuBois moved that the Board direct staff to schedule a public hearing to be held before the Board on **May 1, 2006, at 3:30 p.m.** regarding on Rezoning/Final Development Plan Applications RZ/FDP 2005-DR-009. This motion shall not be construed as a favorable recommendation by the Board or staff on the proposed application and does not relieve the applicant from compliance of all regulations, ordinances, or adopted standards and does not prejudice this application in any way. Supervisor Kauffman seconded the motion and it carried by unanimous vote.

94. **EVANS FARM PROPERTY (DRANESVILLE DISTRICT)** (7:19 p.m.)

Supervisor DuBois said that a proffered condition amendment application has been submitted for the Evans Farm property in McLean. Proffered Condition Amendment/Final Development Plan Amendment Applications PCA/FDPA 1998-DR-049-03 requests the consolidation of two lots currently shown on the final development plan. The change would allow for the construction of one residence and a pool house in lieu of two residences, at an elevation other than what has been previously depicted on the approved plan.

This application is minor in nature, has the support of the community and is currently scheduled for a public hearing by the Planning Commission on March 16, 2006.

Therefore, Supervisor DuBois moved that the Board direct staff to schedule a public hearing to be held before the Board on **March 27, 2006, at 3:30 p.m.** regarding Proffered Condition Amendment/Final Development Plan Amendment Applications PCA/FDPA 1998-DR-049-03. This motion shall not be construed as a favorable recommendation by the Board or staff on the proposed application and does not relieve the applicant from compliance of all regulations, ordinances, or adopted standards and does not prejudice this application in any way. Supervisor Kauffman seconded the motion and it carried by unanimous vote.

95. **FINAL REPORT AND RECOMMENDATIONS FOR THE HUNTER MILL ROAD AREA SPECIAL STUDY (HUNTER MILL DISTRICT)**

(7:20 p.m.)

(BACs)

Jointly with Supervisor Hudgins, Supervisor DuBois said that last March the Board authorized a Special Study of the Hunter Mill Road area to comprehensively review the Plan for the area around Sunset Hills Road and Hunter Mill Road. The impetus of the study was several 2004 North County Area Plan Review items and the complexity of issues surrounding any proposed change to land use and transportation for this area of the County. Supervisor DuBois said that she and Supervisor Hudgins appointed a task force made up of community members from both districts to guide this effort. The task force worked with County staff to examine the existing Plan and to consider proposed changes. The task force received input from the community at its meetings and through an outreach process implemented with the help of Circle Point, a firm specializing in public involvement. The special study approach enabled the task force and staff to review a logical planning area, and provided the opportunity for greater public outreach and participation than typically occurs in the APR review process.

As a result of its eight-month study, the Hunter Mill Road Area special study task force prepared and delivered its final report which has been provided in the Board package. The report strongly supports retaining the adopted Comprehensive Plan for this area which is for low density residential use.

Jointly with Supervisor Hudgins, Supervisor DuBois moved that the Board take the following actions:

- The Task Force voted to retain the current Comprehensive Plan's land use recommendation for residential use at .2-.5 dwelling units per acre for the entire Hunter Mill Road Special Study Area. Therefore, no further consideration is warranted for APR Items 04-III-2UP and 04-III-4UP that proposed changes to the land use and density recommendations for this area.
- The Task Force strongly supported adding text to the Comprehensive Plan recognizing Hunter Mill Road as a Virginia Byway. Two APR nominations, 04-III-1UP and 04-III-6UP, apply to segments of Hunter Mill Road in the Hunter Mill and Dranesville Districts, while three other APR nominations pertain to segments of the road that are in the Providence and Sully Districts. All were deferred pending the recommendation from the Task Force. Accordingly, staff is directed to schedule APR Items 04-III-1UP, 04-III-6UP, 04-II-2F, 04-II-2V, and 04-II-6V for a public hearing before the Planning Commission as soon as possible and to convey to the Planning Commission the Task Force's support for the staff recommendation for this item that was also supported by the Providence and Sully APR Task Forces.

- The Task Force expressed concern about the presence of naturally occurring asbestos in the study area and would like the County to consider showing on its zoning maps areas where soils with this type of mineral deposit occur, similar to the designation of marine clay soils. Therefore, staff is directed to review this issue and report with its recommendations to address this concern.
- The Task Force had several recommendations related to transportation and trails. Therefore the Trails and Sidewalks Committee is directed to consider ways to improvement park-trail access in the study area as outlined the final task force report; that the Department of Transportation be directed to review and consider the Task Force recommendations to improve the transportation system in this area; and, that the traffic calming strategies recommended by the Task Force be referred to the Northern Virginia Regional Commission for use in its Hunter Mill Road Traffic Calming study.

Supervisor Hudgins seconded the motion and it carried by unanimous vote.

Finally, Supervisor Hudgins and Supervisor DuBois expressed their appreciation to the members of the Hunter Mill Road Area Special Study Task Force, especially the co-Chairs John Ulfelder and Brian McMillan. They also thanked those in the community who took time to attend the task force meetings and the Saturday and evening workshops. Lastly, before, during and since the task force deliberations, staff has worked tirelessly to support the effort. Special thanks for the skill, professionalism, and patience shown by all the staff members associated with the study.

96. **RESIGNATION OF MILBURN SANDERS FROM THE HISTORY COMMISSION** (7:25 p.m.)

99. **DEATH OF MR. DICK POOL (DRANESVILLE DISTRICT)** (7:27 p.m.)

Supervisor DuBois noted that Mr. Dick Pool, former chairman of the McLean Trees Committee died yesterday. She outlined his many accomplishments.

100. **CONCURRENT PROCESSING FOR PLANS ASSOCIATED WITH SPECIAL EXCEPTION APPLICATION SE 2005-SP-033 (SPRINGFIELD DISTRICT)** (7:28 p.m.)

Supervisor McConnell said that Village West, Incorporated and New Cingular Wireless PCS, LLC filed Special Exception Application SE 2005-SP-033 to install a 120 foot monopole and related equipment structures on property of Village West, Incorporated located at 7008 Elkton Drive, Springfield, Tax Map Number 089-4((5))A.

Since preliminary indicators reveal overwhelming community support for this application and to ensure that this application, if approved by the Board, can be implemented as quickly as possible, Supervisor McConnell moved that the Board direct staff to concurrently process the site plan and building permit application for the proposed New Cingular Wireless facility. This motion does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not prejudice the consideration of this application in any way. Supervisor Frey seconded the motion and it carried by unanimous vote.

101. **EFFORTS OF THE POLICE DEPARTMENT DURING A RECENT STORM** (7:28 p.m.)

Supervisor McConnell commended the efforts of the Police Department during a recent storm.

102. **BOARD ADJOURNMENT** (7:30 p.m.)
