**ADDITIONAL BOARD MATTERS**

19. **ORDERS OF THE DAY** (1:15 p.m.)

Following consultation with David P. Bobzien, County Attorney, who announced that an additional item had been added for consideration during closed session, Chairman Bulova announced that the Board would quickly proceed with Board Matters and go into closed session at 1:45 p.m.

20. **AMENDMENT TO THE CODE OF THE COUNTY OF FAIRFAX, VIRGINIA, TO ALLOW MOBILE FOOD VENDING FROM VIRGINIA DEPARTMENT OF TRANSPORTATION (VDOT) RIGHTS-OF-WAY** (1:16 p.m.)

Chairman Bulova relinquished the Chair to Vice-Chairman Gross and referenced her written Board Matter regarding an amendment to The Code of the County of Fairfax, Virginia, to allow mobile food vending from VDOT rights-of-way. It is necessary for the Board to act on this to allow food trucks to operate this summer, and, at a minimum, to amend Chapter 82 of The Code so that the prohibition on vending from public streets does not preclude mobile food vending, where authorized by VDOT and the County, once VDOT issues the County a land use permit for mobile food vending.

Therefore, Chairman Bulova moved that the Board:

- Direct staff to advertise a public hearing on July 12, 2016, for the Board to consider an amendment to Chapter 82 of the County Code to allow for mobile food vending from authorized public streets within Tysons with a valid permit and in accordance with all applicable rules and regulations

- Direct the Department of Transportation or the County Executive to execute VDOT's Land Use Permit for Mobile Food Vending

This motion should not be construed as a favorable recommendation by the Board on the proposed Code amendment.
Supervisor L. Smyth seconded the motion and it carried by a vote of eight, Supervisor Cook and Supervisor Herrity being out of the room.

21. **FAIRFAX COUNTY’S SUMMER ENTERTAINMENT IN THE PARKS**
   (1:18 p.m.)

   Chairman Bulova referenced her written Board Matter and announced that the Park Authority, partnering with the Fairfax County Park Foundation and community sponsors, will be hosting the 2016 Summer Entertainment in the Parks series. Kickoff has already begun in some parts of the County. Concerts, movie nights, or shows are scheduled in each district throughout the summer until August 31.

   Further, Chairman Bulova asked unanimous consent that the Board direct the Office of Public Affairs to publicize the *Evenings on the Ellipse* series as well as other summer entertainment events and farmers’ markets throughout the County. Without objection, it was so ordered. Vice-Chairman Gross returned the gavel to Chairman Bulova.

22. **CERTIFY APPOINTMENT OF MR. WILLIAM FURLONG AS STUDENT REPRESENTATIVE TO THE ENVIRONMENTAL QUALITY ADVISORY COUNCIL (EQAC)**
   (1:19 p.m.)

   Supervisor Foust referenced his written Board Matter and announced that EQAC has recommended that the Board appoint Mr. William Furlong as the student representative to EQAC for a one-year term to begin on July 1, 2016. Mr. Furlong is a resident of the Dranesville District and is entering his senior year at the Thomas Jefferson High School for Science and Technology.

   Supervisor Foust moved that the Board appoint Mr. Furlong as the student member of EQAC for a term to run July 1, 2016 through June 30, 2017. Chairman Bulova seconded the motion and it carried by a vote of nine, Supervisor Storck being out of the room.

23. **PROFFERED CONDITION AMENDMENT APPLICATION PCA 2006-PR-027 AND SPECIAL EXCEPTION AMENDMENT APPLICATION SEA 00-P-050-02 WM/OLAYAN HOLDINGS, LLC (FAIRFAX RIDGE) (PROVIDENCE DISTRICT)**
   (1:20 p.m.)

   Supervisor L. Smyth said that WM/Olayan Holdings, LLC, the applicant, has filed two concurrent zoning applications, Proffered Condition Amendment Application PCA 2006-PR-027 and Special Exception Amendment Application SEA 00-P-050-02, on Tax Map Parcel 56-2 ((1)) 18A. The intent of the PCA is to amend proffer 16.B, which was accepted by the Board on November 1, 2011, in association with Rezoning Application RZ 2006-PR-027. This proffer relates to property located at Tax Map Parcel 56-2((1)) 18A, which is currently developed
with a parking garage where a surface parking lot once stood. When the rezoning was approved by the Board, the Fairfax Ridge Condominium Unit Owners Association, the owner of an adjacent parcel of property, was a joint applicant. The association agreed, at that time, to support the rezoning after years of negotiation with the applicant regarding parking in the Fairfax Ridge development. Proffer 16.B was intended to resolve the parking issues by providing two alternatives for the applicant to comply: it could either obtain an agreement with the adjacent office owner to provide parking spaces on the adjacent office owner's property or, if it was unable to obtain such an agreement, it was required to provide 100 additional, unrestricted parking spaces for the association in the garage. The applicant unfortunately failed to comply with either of these two alternatives. In fact, litigation involving enforcement of the existing Proffer 16.B is ongoing.

Although these applications have been pending since August 6, 2015, the applicant recently submitted a revised proffer to add a third alternative, which would allow for a mutually agreeable, three-party agreement between the association, the applicant, and the office owner for shared parking in the garage. The Planning Commission’s (PC) public hearing is scheduled for July 20, 2016, and this case should move forward as soon as possible.

Therefore, Supervisor L. Smyth moved that Board direct staff to expedite the scheduling of the Board’s public hearing for Proffered Condition Amendment Application PCA 2006-PR-027 and Special Exception Amendment Application SEA 00-P-050-02 to July 26, 2016. This motion should not be construed as a favorable recommendation by the Board on the proposed applications and does not relieve the applicant from compliance with the provisions of all applicable ordinances, regulations, or adopted standards in anyway. Supervisor Foust seconded the motion and it carried by a vote of nine, Supervisor Storck being out of the room.

Supervisor L. Smyth noted that if the PC defers decision, the Board will need to reschedule the date.

Supervisor Cook asked unanimous consent that the Board direct staff to circulate the procedure recommendations regarding recognitions. Without objection, it was so ordered.

28. **ADOPTION OF A RESOLUTION REGARDING SENATE BILL (SB) 549** (1:26 p.m.)

(R) Supervisor K. Smith said, as the Board is aware, it received an extensive briefing at its Development Process Committee meeting on May 3, 2016, regarding SB 549. This bill will apply to rezoning and proffered condition amendment applications for new residential developments or uses, as those terms are defined in the bill, which are filed on or after July 1, 2016. Certain areas of the County such as Tysons and Reston, among others, are exempt from this new legislation. As to properties in non-exempt areas, SB 549 significantly curtails the authority of localities to accept proffered conditions, which are voluntary commitments developers make to mitigate impacts of the proposed development on the surrounding community.
Among other things, SB 549 creates liability for localities that suggest certain proffered commitments in areas that are subject to this new bill. This has been one of the most difficult aspects of this new legislation to navigate, particularly in light of the open, transparent, and productive dialogue that has traditionally occurred between the applicant, the County, and the community on land use applications. This dialogue and community input has helped ensure that new residential developments are woven into the fabric of existing communities in the least disruptive manner possible. Now a locality may face substantial liability for even suggesting something that this new law deems unlawful.

Supervisor K. Smith referenced a Resolution attached to her written Board Matter that addresses four matters associated with this new legislation. The Resolution confirms that no one should mistakenly believe that any statement in any existing County publication or writing of any kind was intended to suggest a proffer that would run afoul of this new law, which does not take effect until July 1, obviously after these writings were published. In addition, the Resolution acknowledges that increased density can only be awarded where the existing public infrastructure and other prevailing conditions in a community, coupled with the proffers offered by an applicant in accordance with SB 549, are sufficient to allow such additional density. Further, the Resolution states the proffers will only be accepted for new residential developments or uses in non-exempt areas if they originate from the applicant.

Finally, the Resolution provides that no County employee, agent, representative, appointee, or elected official, has any authority to suggest, request, or require any proffer that does not comply with the provisions of SB 549. The adoption of this Resolution will help guard against any misunderstandings and position the County to move forward in processing zoning applications for new residential developments or uses in non-exempt areas come July 1.

Therefore, Supervisor K. Smith moved that the Board adopt the Resolution regarding SB 549. Supervisor Foust seconded the motion.

Following a brief discussion regarding the motion, Supervisor McKay asked to amend the Resolution, in the first “Whereas,” to include the following: “…Senate Bill 549, despite objection of the Board...” This was accepted.

Following discussion regarding the amendment, the question was called on the motion, as amended, and it carried by unanimous vote.

RECENT AMENDMENTS TO THE VIRGINIA FREEDOM OF INFORMATION ACT (FOIA); DESIGNATION OF A FOIA OFFICER
(1:31 p.m.)

Supervisor Gross said earlier this year, the General Assembly passed, and the Governor signed, House Bill (HB) 817, which amended Section 2.2-3704.1 and enacted a new Section 2.2-3704.2 of the FOIA. This bill is effective July 1, 2016.
Among other things, under this bill, the Board, as a public body under the Act and as the County's governing body, is required to designate one or more FOIA Officers, whose responsibility it will be to act as a point of contact for members of the public in requesting public records and to coordinate the public body's compliance with the provisions of the Act.

Currently, the County's responses to FOIA requests are decentralized, with individual departments responding to requests that they receive or are directed to them. While this is a function of how records are kept in the County, this bill and other changes in the FOIA to date and into the future will require more centralized County oversight over its FOIA response process to ensure that all responses are complete and timely and to have more accurate information concerning the volume, impact, and costs of FOIA requests on the County.

Therefore, Supervisor Gross move that the Board:

- Direct the County Executive to develop a FOIA staffing plan to be included in the carryover review
- Direct the County Executive to direct all department heads to designate one or more persons in their departments to act as FOIA action officers to coordinate the department's responses to FOIA requests for records held by the department
- To comply with the requirement that the Board designate one or more FOIA Officers, designate Deputy County Attorney Peter Andreoli as the County's interim FOIA officer. This designation is temporary pending the finalization and adoption by the Board of a FOIA staffing plan

Chairman Bulova seconded the motion and it carried by unanimous vote.
