**BOARD MATTERS**

13. **PROCLAMATION TO DECLARE APRIL 1, 2000, AS “CENSUS DAY” IN FAIRFAX COUNTY** (Tape 3)

Chairman Hanley informed the Board that the Fairfax County Complete Count Committee is requesting that the Board proclaim April 1, 2000, as “Census Day” in Fairfax County. The Complete Count Committee is implementing strategies to educate all County residents on the importance of participating in the Census Count. From the 1990 Census it is estimated that the County lost over 7.5 million dollars over the ten years due to under counting.

Therefore, Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and moved that the Board direct staff to invite members of the Complete Count Committee, and the appropriate staff members, to appear before the Board on March 27, 2000, to receive a Proclamation declaring April 1, 2000, as “Census Day” in Fairfax County. Supervisor Gross seconded the motion and it carried by a vote of nine, Supervisor Connolly* being out of the room.

(*NOTE: Later in the meeting, Supervisor Connolly asked to be recorded as voting “AYE” on this item. See Clerk’s Board Summary Item CL#25.)

14. **PROCLAMATION TO DECLARE MARCH AS “FAIRFAX GENEALOGICAL SOCIETY MONTH” IN FAIRFAX COUNTY** (Tape 3)

Chairman Hanley noted that the Fairfax Genealogical Society is celebrating its twenty-fifth anniversary and will be hosting Conference 2000 on March 18, 2000.
In recognition of this milestone, Chairman Hanley moved that the Board direct staff to prepare and send a Proclamation declaring March as “Fairfax Genealogical Society Month” in Fairfax County. Supervisor Gross seconded the motion and it carried by a vote of nine, Supervisor Connolly* being out of the room.

(*NOTE: Later in the meeting, Supervisor Connolly asked to be recorded as voting “AYE” on this item. See Clerk’s Board Summary Item CL#25.)

15. PROCLAMATION TO DECLARE MARCH AS “RED CROSS MONTH’ IN FAIRFAX COUNTY (Tape 3)

Chairman Hanley stated that March is nationally recognized as American Red Cross Month. The National Capital Chapter of the American Red Cross has requested recognition for its 95 years of service and commitment to the community.

Chairman Hanley moved that the Board direct staff to prepare and send a Proclamation declaring March as “Red Cross Month” in Fairfax County. Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor Connolly* being out of the room.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

(*NOTE: Later in the meeting, Supervisor Connolly asked to be recorded as voting “AYE” on this item. See Clerk’s Board Summary Item CL#25.)

16. SEEDLING PLANTINGS AROUND STORM WATER MANAGEMENT PONDS (BACs) (Tape 3)

Supervisor Mendelsohn informed the Board of the importance of plantings around storm water management ponds to reduce the negative visual impact of those facilities and stated that the Board has endorsed a policy to allow such plantings when they do not interfere with the functioning of the dams which are a part of those ponds. Recently, however, the minutes of the Northern Virginia Soil and Water Conservation District (NVSWCD) meeting of November 23, 1999, reported that the Franklin Farm Foundation planted 200 trees in the Franklin Farm community in water management ponds and that the trees had been mowed down by County staff several weeks later.

Supervisor Mendelsohn stated that although the seedlings did not have tree protectors, the Foundation had worked with County staff on this project and staff should have been aware of the location of the seedlings. The Foundation was, of course, disappointed and dismayed by this result.

Supervisor Mendelsohn stated that a copy of the portion of the NVSWCD minutes reporting these events was distributed with his Board Matters for Board Members’ information.
Therefore, Supervisor Mendelsohn moved that the Board direct staff to:

- Review the policies and procedures regarding maintenance in and around storm water management ponds and report with recommendations on how to implement those policies in such a manner to prevent future problems similar to the one encountered by the Franklin Farm Foundation.

- Provide that recommendation to the Tree Preservation Task Force for its review.

Chairman Hanley seconded the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

17. **WALKWAY SAFETY ISSUES FOLLOWING SNOWSTORMS** (Tape 3)

Supervisor Mendelsohn stated that the snowstorms of the last few weeks brought to his attention a safety issue for students walking to school. With the completion of a sidewalk on one side and a hike/bike trail on the other side of Dranesville Road last June, Fairfax County Schools’ Transportation Department discontinued bus service to Herndon High School students who lived within one mile of the school and could use the new trail as access to school.

Supervisor Mendelsohn stated that during the recent snowfalls no one cleared the sidewalks or trails of snow on Dranesville Road. It appears that no one is accepting responsibility for clearing this trail and sidewalk and that this same problem may be present along major roads in Fairfax County. Neither VDOT, the Schools, nor Public Works has offered a solution to this issue.

Therefore, Supervisor Mendelsohn moved that the Board direct the County Executive to address the issues of who owns the sidewalks and who is responsible for the maintenance of these walkways along major roads and report his findings as soon as possible.

Following discussion, Chairman Hanley relinquished the Chair to Vice-Chairman Hyland and asked to amend the motion to direct staff to also work with the School Division, and this was accepted.

Vice-Chairman Hyland returned the gavel to Chairman Hanley.

Supervisor Hudgins noted safety issues for senior citizens as well as students and asked to amend the motion to direct staff to publish and identify with the School Division the responsibility for clearing the walkways to inform the community and ensure that the snow is removed, and this was accepted.

Following further discussion, regarding public transit bus stops and public walkways, Chairman Hanley seconded the motion, as amended, which carried by a vote of nine, Supervisor McConnell being out of the room.

   Supervisor Bulova announced that she had no Board Matters to present today.

19. **SEVEN OAKS II LEAF COLLECTION** (Tape 4)

   Supervisor Gross said that the Seven Oaks II Homeowners Association has requested removal from the County's leaf collection program. The community wishes to be included in the next public hearing for changes to the leaf collection districts.

   Therefore, Supervisor Gross asked unanimous consent that the Board forward this request to staff and direct them to proceed with the consideration process for removal from a leaf collection district. Without objection, it was so ordered.

20. **APPOINTMENT TO THE CHARACTER COUNTS TASK FORCE** (Tape 4)

   (APPT) Supervisor Frey moved the appointment of Ms. Greta J. Rice as the Sully District Representative to the Character Counts Task Force. Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

21. **REQUEST FOR CONCURRENT PROCESSING OF THE SITE PLANS WITH SPECIAL EXCEPTION APPLICATION SE 00-Y-005** (Tape 4)

   Supervisor Frey referred to Special Exception Application SE 00-Y-005 and said that he had received a request for concurrent processing of the site plans.

   Therefore, Supervisor Frey moved that the Board direct staff to concurrently process the site plan and any plans associated with Special Exception Application SE 00-Y-005. This motion does not prejudice the application in any way. Chairman Hanley seconded the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

22. **REQUEST FOR CONCURRENT PROCESSING OF SITE PLANS ASSOCIATED WITH SPECIAL PERMIT APPLICATION SP 99-Y-038** (Tape 4)

   Supervisor Frey said that he had received a request for concurrent processing of the site plan while Special Permit Application SP 99-Y-038 is being considered by the Board of Zoning Appeals.

   Therefore, Supervisor Frey moved that the Board direct staff to concurrently process the site plans associated with Special Permit Application SP 99-Y-038. This motion does not prejudice the application in any way. Supervisor Bulova
seconded the motion and it carried by a vote of nine, Supervisor McConnell being out of the room.

23. UPPER OCCOQUAN SEWAGE AUTHORITY (UOSA) (Tape 4)

(BACs) Supervisor Frey said that Millard H. Robbins, Jr., Executive Director of UOSA, is retiring after 26 years of service. Supervisor Frey asked unanimous consent that the Board direct staff to invite Mr. Robbins to appear before the Board to receive the Board's thanks and congratulations for his years of service. Without objection, it was so ordered.

24. PROPOSED ANIMAL SERVICES SUBCOMMITTEE OF THE METROPOLITAN WASHINGTON AREA COUNCIL OF GOVERNMENTS (COG) (Tape 4)

Supervisor Frey said that he was contacted by a Public Safety Planner at the COG regarding the establishment of an animal services subcommittee. Supervisor Frey moved that the Board:

• Endorse the concept of the creation of an animal services subcommittee under the public safety committee at COG.

• Forward the Board's endorsement to COG.

Chairman Hanley seconded the motion and it carried by unanimous vote.

25. REQUEST TO RECORD VOTE (Tape 4)

Supervisor Connolly asked unanimous consent that he be recorded as voting "AYE" on all of Chairman Hanley's Board Matters. Without objection, it was so ordered.

26. INTENT TO DEFER THE PUBLIC HEARING ON REZONING APPLICATION RZ 1999-PR-031 (WALLACE B. BOWMAN AND LOUISE E. BOWMAN) (PROVIDENCE DISTRICT) (Tape 4)

Supervisor Connolly announced his intent, later in the meeting, to defer Rezoning Application RZ 1999-PR-031 until February 28, 2000, at 5 p.m.

(NOTE: Later in the meeting this public hearing was formally deferred. See Clerk's Board Summary Item CL#62.)

27. RECOGNITION OF MR. JOHN PAUL MACIAS (Tape 4)

Supervisor Connolly said that on January 7, 2000, there was a three alarm fire at the three story apartment complex on Persimmon Drive. About 25 fire and rescue units responded from Fairfax County and Fairfax City, and firefighters battled a blaze for 40 minutes before bringing it under control.
During this time, an 18-year old Woodson High School Senior, John Paul Macias, ensured the evacuation of his mother and grandmother. He then went back inside, risking his own well-being to assist a neighbor, Mr. Warren Kelly, who is wheelchair bound. Mr. Macias made sure he was in a secure area in the hall, standing by until the firefighters arrived on the floor. He then continued to assist the firefighter in carrying Mr. Kelly down a flight of stairs.

Therefore, Supervisor Connolly asked unanimous consent that the Board direct staff to invite Mr. Macias to appear before the Board to be recognized for his courageous act. Without objection, it was so ordered.

28. **ARCHAEOLOGICAL WORK ON TINNER HILL HISTORIC SITE** (Tape 4)

Supervisor Connolly said that as a part of an ongoing effort to honor the African-American historical culture in the community, Fairfax County and the City of Falls Church each purchased adjoining quarter-acre lots on historic Tinner Hill in the City and the Providence District. The property is the site of the first rural branch of the NAACP which first met in 1915. A ceremony marking the signing of the deed was held at the Galloway Methodist Church on Annandale Road. The Tinner Hill Heritage Foundation now is moving forward with plans to design and construct the Tinner Hill Cultural Center and History Museum on the site. Because of the rich history of this site and its importance to the community, it is crucial that steps are taken to move ahead on the archeological work on this important property.

Therefore, Supervisor Connolly moved that the Board direct the County Executive to designate the Fairfax County Park Authority's County Architectural Services as the oversight agency for the archeological work on the Tinner Hill Historic Site. Archeological Services' work should involve assessing the archeological potential for the site, developing plans and budgets for recovering important archeological information and coordinating the archeological work with the Tinner Hill Heritage Foundation's construction timeline. Supervisor Gross seconded the motion and it carried by unanimous vote.

29. **WINCHESTER HOMES, INCORPORATED/CYRANDALL VALLEY ROAD REZONING INCLUSION OF RIGHT-OF-WAY** (Tape 4)

Supervisor Connolly said that Winchester Homes recently submitted an application to the County to rezone approximately 6.3839 acres of land north of I-66 near Cyrandall Valley Road. The assemblage includes ten lots that were originally created as part of the Cyrandall Valley subdivision. The applicant proposes to incorporate portions of the existing streets into the new development and create new permanent turnarounds.

Supervisor Connolly moved that the Board authorize inclusion of up to approximately .4083 acres of right-of-way for Cyrandall Valley Road, up to approximately .4055 acres for right-of-way for Thistle Lane, up to approximately
.0233 acres of right-of-way for Platten Drive and approximately .0523 acres of a public walkway located between Tax Map Parcels 48-3 ((18)) 9 and 10 within the land area of the rezoning application. This action does not prejudice the consideration of this review in any way. Chairman Hanley seconded the motion and it carried by unanimous vote.

30. **FLINT HILL UPPER SCHOOL** (Tape 4)

(A) Supervisor Connolly said that on November 23, 1999, the Flint Hill School filed Special Exception Application SE 99-P-046 to permit construction of the Flint Hill Upper School. The proposed 189,812 square foot facility would serve secondary students in grades 9-12. The school will ultimately include a two-story school structure with administrative offices, classrooms, cafeteria, gymnasium, library, laboratory space and a fine arts facility, tennis courts, athletic fields and a track facility.

Supervisor Connolly moved that the Board direct staff to schedule a public hearing to be held before the Board on Special Exception Application SE 99-P-046 for **May 8, 2000, at 3:30 p.m.** This action does not prejudice the consideration of this review in any way. Supervisor Bulova seconded the motion and it carried by unanimous vote.

31. **APPOINTMENT TO THE SMALL BUSINESS COMMISSION** (Tape 4)

(APPT) Supervisor Connolly announced the resignation of Ms. Mary Green from the Small Business Commission and he moved the appointment of **Mr. Mubin Peshiman** as the Providence District Representative on the Small Business Commission. Chairman Hanley seconded the motion and it carried by unanimous vote.

32. **ROUTE 50 CORRIDOR COMMUNITY SAFETY AND ACCESSIBILITY PROJECT** (Tape 4)

On behalf of Supervisor Gross and himself, Supervisor Connolly said that in Fiscal Year 2001, $25 million will be available under the Transportation System and Community Preservation Program (TCSP) "to allocate to worthy projects that address the relationship between transportation and the community." Last year the TCSP grant application deadline was in July. However, staff was surprised to discover that this year’s deadline was January 31, 2000. In response to a request from Providence District, the Department of Transportation examined pedestrian accessibility problems in the Route 50 corridor. The portion of the Route 50 corridor located in the Providence and Mason Supervisor Districts has the highest pedestrian fatality accident rates in the County. The area meets all of the criteria listed to determine eligibility for the program. Staff agrees that the TCSP represents a promising opportunity to utilize federal funds to improve pedestrian accessibility in the Route 50 corridor.

Therefore, Supervisor Connolly along with Supervisor Gross, moved that the Board endorse an application to be submitted to the Federal Highway
Administration for a grant request of $430,000 to implement the Route 50 Corridor Community Safety and Accessibility Project. Supervisor Gross seconded the motion.

Following discussion and input from Angela F. Jacobs, Transportation Planner, Department of Transportation, the question was called on the motion and it carried by unanimous vote.

33. **APPEARANCES** (Tape 5)

Supervisor Hyland made references to his change in appearance and expressed appreciation to Board Members for their understanding.

34. **REQUEST FOR OUT-OF-TURN PLAN AMENDMENT FOR THE INTERSECTION OF BUCKMAN ROAD/MOUNT VERNON HIGHWAY AND ROUTE ONE** (Tape 5)

Supervisor Hyland called the Board's attention to a resolution adopted by the Mount Vernon Council requesting an out-of-turn amendment to the Comprehensive Plan to designate the intersection of Buckman Road/Mount Vernon Highway and Route One as an intersection requiring special study. He said that the Virginia Department of Transportation has also been requested to initiate a study of the feasibility and desirability of an overpass as part of the Route One widening study. The request is based on the large number of accidents and the dangerous nature of this intersection.

Accordingly, Supervisor Hyland moved that the Board direct staff to proceed with the processing of the Mount Vernon Council's request for an out-of-turn plan amendment to the Comprehensive Plan designating the intersection of Buckman Road/Mount Vernon Highway and Route One as one requiring special study with consideration given to an overpass at this location. Supervisor Kauffman seconded the motion, which carried by unanimous vote.

35. **REQUEST FOR AN AMENDMENT TO THE SIGN ORDINANCE** (Tape 5)

Supervisor Hyland raised the issue of the sign provisions of the Zoning Ordinance (Chapter 112 of the County Code) regarding individual signage on commercial vehicles. He said that he recently received a memorandum from the County Attorney stating that this is not a violation as long as there is only one commercial vehicle per dwelling unit in a residential district.

Supervisor Hyland stated that the individuals involved with the issue in question have been cited several times by the Zoning Enforcement Branch of the Department of Planning and Zoning for a number of violations pertaining to parking multiple commercial vehicles in their residential community. He expressed his belief that the crudely lettered signs on the vehicles are tantamount to blight and graffiti in an area where the residents are concerned with
maintaining their neighborhood. The County Attorney's memorandum concludes that the cited individual would not be in violation if he were to park only one commercial vehicle at his home.

Accordingly Supervisor Hyland moved that the Board refer this matter to staff with the recommendation that the Zoning Ordinance be amended to prohibit commercial vehicles from containing and displaying sloppy, hand-painted signs and using them as portable signs. Supervisor Bulova seconded the motion, which carried by a vote of nine, Supervisor Mendelsohn being out of the room.

36. INTENT TO DEFER DECISION FOR REZONING APPLICATION RZ 1997-MV-049 (Tape 5)

Supervisor Hyland announced his intent to defer decision on Rezoning Application RZ 1997-MV-049, scheduled for 3:30 p.m. later in the day until March 13, 2000, at the request of the applicant, Robert L. Travers.

(NOTE: Later in the meeting, decision was formally deferred. See Clerk’s Board Summary Item CL#56.)

37. NEIGHBORHOOD WATCH WORKS (Tape 5)

Supervisor Hyland called attention to his written Board Matter that described how, with the assistance of Neighborhood Watch members on Hagel Circle, the police were able to arrest a suspect who had fled from a crime scene in that neighborhood. Accordingly, he moved that the Board direct staff to invite Mr. Guy Etter, Ms. Rita Chambers, Neighborhood Watch Captain Len Parks, and members of the Franconia Police Station, including the K-9 dog, to appear before the Board to be recognized for their superb efforts. Supervisor Kauffman seconded the motion, which carried by unanimous vote.

38. THREE YEARS, 65 CRASHES, AND STILL WAITING FOR A SPOT ROAD IMPROVEMENT ALONG HOOES ROAD (Tape 5)

Supervisor Hyland called the Board's attention to a letter he had received from the South Run Coalition concerning the fact that there have been three years of accidents, yet the residents are still waiting for action on a spot road improvement along a 200-yard segment of Hooes Road, between Scott Street and Newington Forest Avenue. Accordingly, he moved that the Board direct the Chairman to write a letter on the Board’s behalf to the Virginia Department of Transportation requesting expedited treatment so that this spot improvement can be completed. Supervisor Kauffman seconded the motion, which carried by unanimous vote.

39. REQUEST FOR AN OUT-OF-TURN PLAN AMENDMENT FOR THE ENGINEER PROVING GROUND (EPG) (Tape 5)

Supervisor Kauffman stated that the EPG is a portion of Fort Belvoir that is located between Rolling Road and Interstate 95. In 1989 Congress passed special legislation that permits the Department of the Army to sell, lease, or trade this
approximately 820-acre area to a private developer in exchange for the construction of office space for the Army. In keeping with the intent of the proposed Army action, the Board amended the Comprehensive Plan to support the redevelopment of the EPG in a manner that was consistent with the public-private venture.

Supervisor Kauffman said that since the adoption of the plan amendment, there have been significant land use changes in the Franconia-Springfield area. The character of new and approved development in the surrounding area raises the question of whether the mix and intensity of planned land uses at EPG, as initially proposed over a decade ago, still remain appropriate.

Therefore, Supervisor Kauffman moved that the Board authorize an out-of-turn plan amendment to re-evaluate the Comprehensive Plan recommendations for the EPG. He noted that he will work with the Chairman as well as Supervisor Hyland and Supervisor McConnell to discuss the best way to involve the community in this plan review. Supervisor Hyland seconded the motion.

Supervisor McConnell asked to amend the motion to:

- Include an economic impact statement in the analysis.
- Request the respective Planning Commissioners from the Lee, Mount Vernon, and Springfield Districts to meet expeditiously to discuss this.

This was accepted.

The question was called on the motion, as amended, which carried by unanimous vote.

40. **RIGHT-OF-WAY FOR THE FAIRFAX COUNTY PARKWAY** (Tape 5)

Supervisor Kauffman stated that in concert with the Engineer Proving Ground (EPG) Plan Review, staff is working to secure needed right-of-way for the “missing leg” of the Fairfax County Parkway as it passes through the EPG. To ensure this effort comes to a successful close at the earliest possible date, he moved that the Board direct staff to request Senator John Warner to reintroduce his previous Section 2811 language, copies of which were provided to the Board, in the 2001 Senate Defense Authorization Bill. This action would declare the EPG property “surplus.” Supervisor McConnell seconded the motion, which carried by unanimous vote.

41. **SPRINGFIELD COMMUNITY BUSINESS CENTER** (Tape 5)

Supervisor Kauffman reminded the Board that on October 25, 1999, it authorized a Special Study for the Springfield Community Business Center. He reported that the Springfield Special Study Task Force met for the first time on February 1. As
a result of that meeting, he said that it has become clear that significant redevelopment opportunities exist, provided that the study boundaries are enlarged to include certain contiguous properties as listed below:

- All properties located in Land Units A-1, A-3, A-4, A-5, and the portion of land unit D-1 that is east of Backlick Road

- All properties located in Land Unit E-1, property located in Land Unit E-2 identified as 80-3-01-6, 80-4-01-11A, 80-4-01-12, and 80-4-01-16A, and properties located in Land Unit F identified as 90-2-01-30
