

SolSmart Designation

Recommendation

Jessica Lavender, Energy Action Fairfax Program Manager

February 2019

SolSmart

- Is a national designation for “solar-friendly” communities
- Provides technical assistance to help communities get designated
- Recognizes achievements already made
- Offers ways to make solar projects even easier

Local Designees

City of Fairfax – Bronze

Arlington – Bronze

Alexandria – Bronze

Loudoun County – Silver

Falls Church – Silver

DC - Gold

Next Steps

- **Board endorses our participation in this program**
- Supervisor Gross presents a Board Matter (February)
- Chairman Bulova signs a Solar Statement affirming our commitment (March)
- Staff implement SolSmart actions to maximize points (Spring)
- Staff apply for designation (May)
