Update on Other Legislation of Interest in 2020 General Assembly Special Session October 27, 2020

Public Safety

HB 5029 (McQuinn) requires that any law-enforcement officer who witnesses another law-enforcement officer engaging or attempting to engage in the unlawful use of force against another person shall intervene, when such intervention is objectively reasonable and possible, to end the unlawful use or attempted unlawful use of force, or to prevent the further unlawful use of force. The bill also requires a law-enforcement officer to render aid, as circumstances objectively permit, to any person injured as the result of such unlawful use of force. The bill requires a law-enforcement officer to report intervention or use of excessive force in accordance with the employing agency's policies for reporting misconduct. The bill further provides that any law-enforcement officer who violates the provisions of the bill shall be subject to disciplinary action.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5029ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

HB 5045 (Delaney) adds law-enforcement officers to those persons who are guilty of a Class 6 felony if they are in a position of authority over and carnally know without force, threat, or intimidation any inmate, parolee, probationer, juvenile detainee, or pretrial defendant or posttrial offender, including those in the custody of a private, local, or state law-enforcement agency. In addition, the bill adds persons in the custody of a law-enforcement officer to the list of those persons for whom it is unlawful for a person in such authority to commit the offense of carnal knowledge.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5045ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

HB 5049 (Helmer) provides that no state or local law-enforcement agency shall acquire, purchase, or otherwise accept on any terms (i) weaponized unmanned aerial vehicles; (ii) aircraft that are configured for combat or are combat-coded and have no established commercial flight application; (iii) grenades or similar explosives or grenade launchers from a surplus program operated by the federal government; (iv) armored multi-wheeled vehicles that are mine-resistant, ambush-protected, and configured for combat, also known as MRAPs, from a surplus program operated by the federal government; (v) bayonets; (vi) firearms of .50 caliber or higher; (vii) ammunition of .50 caliber or higher; or (viii) weaponized track armored vehicles. These provisions do not apply to the Virginia National Guard or Virginia Defense Force. The bill prohibits the use of such military property by a law-enforcement officer unless a waiver has been granted by the Department of Criminal Justice Services (DCJS). The bill prohibits the use of "kinetic energy munitions," which includes impact rounds and baton rounds, such as rubber batons, bean bag rounds, foam baton rounds, and plastic, wax, wood, or rubbercoated projectiles unless the use of the munitions are necessary to protect the law-enforcement officer or other person from bodily injury. The bill directs DCJS to promulgate regulations to implement the provisions of the bill to be effective within 280 days of its enactment.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5049ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

HB 5062 (Mullin) requires a court to grant a motion to dismiss made by the Commonwealth, whether with or without prejudice, and with the consent of the defendant unless the court finds by clear and convincing evidence that the motion was made as the result of (i) bribery or (ii) animus toward a victim because of the

race, religious conviction, gender, disability, gender identity, sexual orientation, color, or national origin of the victim. The bill also provides that, upon agreement of the Commonwealth and the defendant, a trial court may defer proceedings; defer entry of a conviction order; and continue a case for final disposition, on such reasonable terms and conditions as may be agreed upon by the parties.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5062ER+pdf

Current Status: The Governor signed the legislation, and it will be effective on the first day of the fourth month following the month the special session adjourns.

HB 5072 (Lopez)/SB 5024 (Lucas) authorizes the Attorney General to file a civil suit or inquire into or seek to conciliate, through the Division of Human Rights, any unlawful pattern and practice against the Commonwealth or a locality whenever the Attorney General has reasonable cause to believe that lawenforcement officers of any agency of the Commonwealth or any locality are engaging in a pattern or practice that deprives persons of rights, privileges, or immunities secured or protected by the laws of the United States and the Commonwealth. The bill also empowers the Attorney General to issue a civil investigative demand if the Attorney General has reasonable cause to believe that an unlawful pattern and practice violation has occurred.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5072ER+pdf https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5024ER+pdf

Current Status: The Governor signed both bills and they will be effective on the first day of the fourth month following the month the special session adjourns.

HB 5099 (Aird) prohibits any law-enforcement officer from seeking, executing, or participating in the execution of a no-knock search warrant, defined in the bill as any search warrant executed without law-enforcement officers giving notice of their identity, authority, and purpose prior to entering the place to be searched. The bill requires a law-enforcement officer to provide notice of his identity, authority, and purpose prior to entering the place to be searched and states that, prior to undertaking any search or seizure pursuant to the search warrant, the executing officer shall read and give a copy of the search warrant to the person to be searched or the owner of the place to be searched or, if the owner is not present, to any occupant of the place to be searched. If the place to be searched is unoccupied, the executing law-enforcement officer shall leave a copy of the search warrant suitably affixed to the place to be searched. The bill requires search warrants to be executed only in the daytime unless (1) a judge or magistrate, if a judge is not available, authorizes the execution of the search warrant at another time for good cause shown or (2) the search warrant is for the withdrawal of blood.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5099ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

SB 5033 (Surovell) requires a court to grant a motion to dismiss made by the Commonwealth, with or without prejudice, and with the consent of the defendant unless the court finds by clear and convincing evidence that the motion was made as the result of (1) bribery or (2) bias or prejudice toward a victim because of the race, religious conviction, gender, disability, gender identity, sexual orientation, color, or national origin of the victim. The bill also provides that, upon agreement of the Commonwealth and the defendant, the court may

defer proceedings, defer entry of a conviction order, if none, or defer entry of a final order; and continue the case for final disposition, on such reasonable terms and conditions as may be agreed to by the parties.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5033ER+pdf

Current Status: The bill passed, and it has been signed by the Governor. It will be effective on the first day of the fourth month following the month the special session adjourns.

SB 5013 (Stuart) provides that a violation of possession of marijuana by an adult shall be a prepayable offense.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+CHAP0003+pdf

Current Status: The bill passed, and it has been signed by the Governor. It will be effective on the first day of the fourth month following the month the special session adjourns.

Law Enforcement Training

HB 5108 (Guzman) changes the membership of the Criminal Justice Services Board and its Committee on Training by requiring that some members be representatives of a civil rights organization, representatives of community interests of minorities, and representatives of a mental health service provider. The bill requires that the Committee on Training include a representative from the Virginia Indigent Defense Commission, a representative of the community interests of minorities, and a mental health service provider. In addition, the bill permits the Committee on Training to appoint curriculum review committees.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5108ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

HB 5109 (Hope) requires the Department of Criminal Justice Services (the Department) to develop a uniform curriculum and lesson plans for the compulsory minimum entry-level, in-service, and advanced training standards to be employed by criminal justice training academies approved by the Department when conducting training. The bill also requires the Department to include the recognition of implicit biases in interacting with persons who have a mental illness, substance use disorder, or developmental or cognitive disability in its (i) training standards and model policies; (ii) compulsory training standards for basic training and recertification of law-enforcement officers; and (iii) operating procedures, guidelines, and standards for community policing in order to ensure sensitivity to and awareness of systemic and individual racism, cultural diversity, and the potential for bias-based profiling. The bill also requires the Department to include training in de-escalation techniques and training in the lawful use of force, including the use of force only when necessary to protect the law-enforcement officer or another person in the compulsory training standards for basic training and recertification. The bill also requires the Department to establish compulsory in-service training standards for law-enforcement officers in the following subjects: (a) relevant state and federal laws; (b) awareness of cultural diversity and the potential for bias-based profiling; (c) de-escalation techniques; (d) working with individuals with disabilities, mental health needs, or substance use disorders; and (e) the lawful use of force, including the use of deadly force only when necessary to protect the law-enforcement officer or another person

In addition, the bill adds to the minimum qualifications to become a law-enforcement officer or a jail officer the requirement that such person undergo a psychological examination, subsequent to a conditional offer of employment, conducted under the supervision of a licensed psychologist or other licensed mental health professional. The bill requires the Department to establish requirements for compulsory mental health examinations for law-enforcement officers, jail officers, and correctional officers that include guidelines on

the implementation of such mental health examinations. Finally, the bill requires any criminal justice training academy approved by the Department to employ such uniform curriculum and lesson plans and requires the Department to conduct annual evaluations of each criminal justice training academy's compliance with uniform curriculum and lesson plans. The bill allows an approved criminal justice training academy to petition the Department for a waiver and requires the Department to grant a waiver if the academy meets and exceeds compulsory minimum training standards and substantially complies with the content of uniform curriculum and lesson plans developed by the Department. Currently, the Fairfax County Criminal Justice Academy operates at a higher standard than the minimum requirements.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5109ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

Possession of Marijuana and Traffic Infractions

HB 5058 (Hope)/SB 5029 (Lucas) provides that no law-enforcement officer may lawfully stop a motor vehicle for operating (i) without a light illuminating a license plate, (ii) with defective and unsafe equipment, (iii) without brake lights or a high mount stop light, (iv) without an exhaust system that prevents excessive or unusual levels of noise, (v) with certain sun-shading materials and tinting films, and (vi) with certain objects suspended in the vehicle. No evidence discovered or obtained as a result of such unlawful stop shall be admissible in any trial, hearing, or other proceeding. The bill also provides that no law-enforcement officer may lawfully stop, search, or seize any person, place, or thing solely on the basis of the odor of marijuana, and no evidence discovered or obtained as a result of such unlawful search or seizure shall be admissible in any trial, hearing, or other proceeding. The bill prohibits the enactment of a local ordinance establishing a primary offense when the corresponding provision in the Code of Virginia is a secondary offense. The bill prohibits any local ordinance relating to the ownership or maintenance of a motor vehicle from being caused to stop or arrest a driver of a motor vehicle unless such violation is a jailable offense. The bill prohibits a law-enforcement officer from stopping a pedestrian for jaywalking or entering a highway where the pedestrian cannot be seen. The bill provides that law-enforcement officers are not permitted to stop a motor vehicle for an expired safety inspection or registration sticker until the first day of the fourth month after the original expiration date. The bill also provides that no evidence discovered or obtained due to an impermissible stop, including evidence obtained with the person's consent, is admissible in any trial, hearing, or other proceeding.

Current Status: Both bills were passed by both bodies. The Governor has recommended amendments to both bills allowing law enforcement officers to stop vehicles without lighted headlights or brake lights under certain conditions. The GA has not yet acted on the Governor's recommendations – it is not clear at present if they will hold a formal reconvened (or veto) session or if they will consider these recommendations in combination with other GA meetings, and the date for such action is still to be determined.

Use of Neck Restraints

HB 5069 (Carroll Foy) prohibits a law-enforcement officer from using a neck restraint in the performance of his official duties and provides for disciplinary sanctions on an officer who uses a neck restraint. The bill provides an exception from the prohibition if a neck restraint is immediately necessary to protect the officer or another person. The bill defines "neck restraint" as the use of any body part or object to attempt to control or disable a person by applying pressure against the neck, including the trachea or carotid artery, with the purpose, intent, or effect of controlling or restricting the person's movement or restricting the person's blood flow or breathing, including chokeholds, carotid restraints, and lateral vascular neck restraints.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5069ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

Crisis Intervention Teams

HB 5043 (Bourne)/ SB 5038 (McPike) provides that Department of Criminal Justice Services (DCJS) and the Department of Behavioral Health and Developmental Services (DBHDS) shall develop a written plan for the development of a (Marcus) alert system by July 1, 2021. No later than December 1, 2021, the Department shall establish five Marcus alert programs and community care or mobile crisis teams, one located in each of the five Department regions. The Department is charged with expanding the program in subsequent years with all community services board and behavioral health authority geographical areas having established a Marcus alert system that uses community care teams by July 1, 2021. An area can be a combination of one or more localities or institutions of higher education located therein that may have law-enforcement officers. A "community care team" is defined in the bill as a group of mental health service providers working with registered peer recovery specialists and law-enforcement officers as a team, with the mental health service providers leading such team, to help stabilize individuals in crisis situations. A "mental health awareness response and community understanding services (Marcus) alert system" is defined in the bill as a set of protocols to (1) initiate a behavioral health response to a behavioral health crisis, including for individuals experiencing a behavioral health crisis secondary to mental illness, substance abuse, developmental disabilities, or any combination thereof; (2) divert such individuals to the behavioral health or developmental services system whenever feasible; and (3) facilitate a specialized response when diversion is not feasible. Although crisis intervention teams could help stabilize individuals during law enforcement encounters and crisis intervention, giving localities the ability to create teams that would best serve their locality would be preferable.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5043H3+pdf https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5038S3+pdf

Current Status: Both bills went to conference, and identical conference reports for both bills passed the House and Senate. Neither bill has yet been signed by the Speaker of the House or the President of the Senate, which must occur before the bills are transmitted to the Governor for action. However, because the special session recessed rather than adjourning, the Governor only has seven days (rather than 30 days) to take action on bills once he receives them, so the delay in signatures may be designed to give the Governor more time to review complex legislation.

SB 5014 (Edwards) requires all law-enforcement officers to complete crisis intervention team training as part of the compulsory minimum training standards subsequent to employment as a law-enforcement officer and as part of basic training and the recertification of law-enforcement officers. The bill also requires the Department to establish training standards for law-enforcement personnel concerning sensitivity and awareness of systemic and individual racism and the potential for bias-based profiling.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5014ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

Land Use Approvals

SB 5106 (Lewis) extends until at least July 1, 2022, the sunset date for various local land use approvals that were valid and outstanding as of July 1, 2020. The Board already authorized the extension of such approvals for Fairfax County.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5106ER+pdf

Current Status: The bill passed, and the Governor has until October 28th to act.

Health and Human Services

Outbreak Reporting

HB 5048 (Sickles)/SB 5081 (Barker) require the Department of Health to make information about outbreaks of communicable diseases of public health threat at any medical care facility, residential or day program, service or facility licensed or operated by any agency of the Commonwealth, school, or summer camp currently required to report an outbreak of a communicable disease to the Department available to the public on a website maintained by the Department. Such information shall include the name of the place at which the outbreak has occurred and the number of confirmed cases of and deaths resulting from such communicable disease reported by each such place. These bills contain an emergency clause.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5048ER+pdf https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5081ER+pdf

Current Status: Both bills have passed, but only **HB 5048** has been signed by the Governor. The Governor has until October 28th to act on **SB 5081**. Because **HB 5048** included an emergency clause, it went into effect immediately upon signature by the Governor.

SB 5090 (Dunnavant) requires that for the duration of the emergency declared by the Governor in response to COVID-19, the Commissioner of Health shall make available to the public on a website maintained by the Department of Health information about confirmed cases of COVID-19 in the Commonwealth, by week and by health district, including (i) the total number of confirmed cases of COVID-19; (ii) the number of confirmed cases by age group and by race and ethnicity; and (iii) the percentage of cases that are known to be associated with a nursing home, assisted living facility, or correctional facility. The bill also requires the Commissioner to make available to the public on a website maintained by the Department of Health information about and analyses of such data and to develop and publish COVID-19 indicators with thresholds to include case incidence rate, percentage of polymerase chain reaction (PCR) tests that are positive, rate of COVID-like illness visits to emergency departments, rate of current confirmed COVID-19 intensive care unit hospitalizations, and percentage of hospital beds that are currently occupied.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+CHAP0013+pdf

Current Status: The bill passed, and it has been signed by the Governor. It will be effective on the first day of the fourth month following the month the special session adjourns.

Utility Repayments

SB 5118 (McClellan) requires every utility providing electric, gas, or water service that is subject to regulation by the State Corporation Commission (the Commission) to develop an Emergency Debt Repayment Plan

(EDRP) for residential customers. The bill requires that an EDRP is designed to ensure that debt repayments accrued during a certain state of emergency or a certain service disconnection moratorium, in addition to the customer's regular utility bill are sustainable and affordable for the customer. The bill provides than EDRP will allow for an up to 12-month repayment period and for a customer to roll over remaining debt with any debt accrued under a subsequent state of emergency. The bill prohibits a utility from requiring any new deposit, application fee, or other new type of advance payment before enrolling a customer in an EDRP and from charging any interest, finance charges, or prepayment penalties on the unpaid debt while the customer is enrolled in an EDRP. The bill prohibits a utility from discontinuing service for any customer enrolled in the program provided the customer remains in compliance with the terms of the EDRP and remains current on the customer's current utility bill. The bill requires the Commission to allow for the timely recovery of certain costs resulting from an EDRP for jurisdictional utilities, including through a rate adjustment clause or through base rates, and provides that the Commission may apply any applicable earnings test in the Commission rules governing utility rate applications and annual informational filings when assessing the recovery of such costs. The bill provides that it does not confer any additional jurisdiction or authority to the Commission.

The bill requires each jurisdictional utility to report certain information to the Commission and for the Commission to report such information to the chairs of the House Committees on Labor and Commerce and Appropriations and the Senate Committees on Commerce and Labor and Finance and Appropriations. The bill requires municipal utilities, upon the request of the chairs of such committees to submit a report to such committees. The bill also requires the Commission to submit an additional report to the chairs of the House Committees on Labor and Commerce and Appropriations and the Senate Committees on Commerce and Labor and Finance and Appropriations. **SB 5118** passed the Senate and was sent to House Appropriations.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+SB5118ES1+pdf
Budget Conference Report - https://budget.lis.virginia.gov/get/amendmentpdf/4260/

Current Status: Although the House Appropriations Committee did not hear the bill, language was included in the budget conference report that addresses this issue. Item 4-14 #1c details the policy to extend the moratorium on utility disconnections and addresses how utilities should handle certain types of customer debt.

Elections

SB 5120 (Howell) appropriates \$2 million to the Department of Elections to be used to provide prepaid postage for the return of absentee ballots for the November 3, 2020, election. The bill requires that such prepaid postage be provided by localities, which will be reimbursed by the Department out of the appropriation. The bill also makes other procedural changes for absentee voting for the November 3, 2020, election, including directing the State Board of Elections to promulgate emergency regulations for the establishment and operation of drop-off locations for completed ballots and removing the requirement for a witness to certify an absentee ballot signature. The bill was treated as a mini budget bill (there was an identical House bill, HB 5103 (Sickles), which ultimately did not move forward), which allows it to become effective much sooner than other bills enacted during the special session. After passing both houses, SB 5120 was signed by the Governor, becoming law immediately (non-budget bills will not become effective for four months after the special session adjourns unless they pass by a four-fifths majority).

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+CHAP0001+pdf

Housing

HB 5064 (Price)/SB 5088 (Ebbin) requires a landlord who owns more than four rental dwelling units, or more than a 10 percent interest in more than four rental dwelling units, before terminating a rental agreement due to nonpayment of rent, to serve upon such tenant a written notice informing the tenant of the total amount due and owed and offer the tenant a payment plan under which the tenant must pay the total amount due and owed in equal monthly installments over a period of the lesser of six months or the time remaining under the rental agreement. The bill also outlines the remedies a landlord has if a tenant fails to pay the total amount due and owed or enter into a payment arrangement within 14 days of receiving notice or if the tenant enters into a payment arrangement but fails to pay within 14 days of the due date any rent that becomes due under the payment plan or arrangement after such plan or arrangement becomes effective. The bill clarifies that a tenant is not precluded from participating in any other rent relief programs available to the tenant through a nonprofit organization or under the provisions of a federal, state, or local law, regulation, or action. The bill sunsets on July 1, 2021.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5064ER+pdf https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5088ER+pdf

Current Status: Both bills passed, and the Governor has until October 28th to act.

HB 5106 (J. Cole) provides that a landlord shall not take any adverse action against a tenant or applicant for tenancy based on any adverse item related to payment history or an eviction for nonpayment of rent that occurred during the period beginning on March 12, 2020, and ending 30 days after the expiration or revocation of any state of emergency declared by the Governor related to the COVID-19 pandemic. The bill also requires landlords who use consumer or tenant screening reports and who receive notification that a tenant or applicant for tenancy is determined to be anything other than "qualified" to contact the generator of the report in instances in which the report does not specify the reason for such determination, to ascertain whether such determination was due solely to the tenant or applicant for tenancy's payment history or an eviction for nonpayment of rent that occurred during the period beginning on March 12, 2020, and ending 30 days after the expiration or revocation of any state of emergency declared by the Governor related to the COVID-19 pandemic. The bill permits a tenant or applicant for tenancy to recover damages of up to \$1,000, along with attorney fees, from landlords who do not comply with these requirements.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5106H3+pdf

Current Status: The conference report passed both the House and Senate, but has not been signed by the Speaker of the House or the President of the Senate, which must occur before the bill is transmitted to the Governor for action. However, because the special session recessed rather than adjourning, the Governor only has seven days (rather than 30 days) to take action on bills once he receives them, so the delay in signatures may be designed to give the Governor more time to review complex legislation.

State Holiday – Juneteenth

HB 5052 (Bagby)/**SB 5031** (Locke) recognizes the nineteenth day of June of each year, also known as Juneteenth, as a legal holiday in the Commonwealth to commemorate the announcement of the abolition of slavery in Texas, the last of the former Confederate States of America to abolish slavery, and to recognize the significant roles and many contributions of African Americans to the Commonwealth and the nation.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+CHAP0004+pdf

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+CHAP0005+pdf

Current Status: Both bills passed, and they have been signed by the Governor. They will be effective on the first day of the fourth month following the month the special session adjourns.

No Longer Under Consideration

Paid Leave

SB 5076 (Favola) would more generally require public and private employers to provide eligible employees paid sick time that can be used during a pandemic. The bill would have a delayed effective date of January 1, 2021. The legislation was passed by indefinitely in the Senate Commerce and Labor Committee (12-3).

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+SB5076+pdf https://committees.lis.virginia.gov/forconsideration.aspx?ses=202&bil=SB5076&hou=S

Public Safety

SB 5032 (Surovell) eliminates the mandatory minimum term of confinement for an assault and battery committed against a judge; magistrate; law-enforcement officer; correctional officer; person directly involved in the care, treatment, or supervision of inmates; firefighter; or volunteer firefighter or any emergency medical services personnel and provides that such crime can no longer be committed as a simple assault and must result in a bodily injury. This bill reduces the penalty for assaulting a law-enforcement officer in cases where the degree of culpability is slight due to diminished physical or mental capacity, or in cases where there is no physical injury to a Class 1 misdemeanor. The bill also eliminates the mandatory minimum term of confinement for assaulting a law-enforcement officer. The bill passed the Senate and was sent to House Courts of Justice.

 $\underline{https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5032S1+pdf}$

The House Courts of Justice Committee passed the bill by indefinitely, so it is no longer under consideration.

SB 5043 (Deeds) provides that final disposition may include (i) conviction of the original charge, (ii) conviction of an alternative charge, or (iii) dismissal of the proceedings. The bill also allows a person to petition for the expungement of the police and court records relating to such person's conviction for misdemeanors and certain felonies if he has been granted a simple pardon for the crime. The bill also allows a person to petition for an expungement of the police and court records relating to convictions of marijuana possession, underage alcohol or tobacco possession, and using a false ID to obtain alcohol, and for deferred disposition dismissals for possession of controlled substances or marijuana, underage alcohol or tobacco possession, and using a false ID to obtain alcohol, when all court costs, fines, and restitution have been paid and five years have elapsed since the date of completion of all terms of sentencing and probation. Under current law, police and court records relating to convictions are only expunged if a person received an absolute pardon for a crime he did not commit. This bill was reported from Senate Judiciary (14-0) with a substitute and re-referred to Senate Finance and Appropriations.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5043H1+pdf

A committee of conference was established for this bill, but a conference report was not produced before the GA recessed. The bill is presumably no longer being considered.

SB 5065 (Morrissey) creates a civil action for the deprivation of a person's rights by a law-enforcement officer. The bill provides that a plaintiff may be awarded compensatory damages, punitive damages, and equitable relief, as well as reasonable attorney fees and costs. Finally, the bill provides that sovereign immunity or any other immunities or limitations on liability or damages shall not apply to such actions, and that qualified immunity is not a defense to liability for such deprivation of rights. The bill was passed by indefinitely in Senate Judiciary and was sent to the Boyd-Graves Conference (a group within the Virginia Bar Association) for study.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+SB5065S1+pdf

HB 5013 (Bourne) creates a civil action for the deprivation of a person's rights by a law-enforcement officer and provides that a plaintiff may be awarded compensatory damages, punitive damages, and equitable relief, as well as reasonable attorney fees and costs. The bill provides that sovereign immunity or any other immunities or limitations on liability or damages shall not apply to such actions and that qualified immunity is not a defense to liability for such deprivation of rights. Finally, the bill provides that any public or private entity that employs or contracts for the services of a law-enforcement officer owes a duty of reasonable care to third parties in its hiring, supervision, training, retention, and use of such officers under its employment or contract. The bill passed the House but was passed by indefinitely in Senate Judiciary (12-3). Though Senate Judiciary sent the Senate version of this bill, SB 5065, to the Boyd-Graves Conference for study, when HB 5013 was considered, the committee decided to create a separate subcommittee (or perhaps a joint Senate-House subcommittee if the House agrees) to examine this issue, as the Boyd-Graves Conference is not likely to meet in the coming months.

The Senate Judiciary Committee passed the bill by indefinitely, so it is no longer under consideration.

HB 5090 (Hurst) adds criminal investigative files, defined in the bill, to the types of law enforcement and criminal records required to be released in accordance with the provisions of the Virginia Freedom of Information Act. Under current law, the release of criminal investigative files is discretionary. The bill also allows a law-enforcement agency or attorney for the Commonwealth to petition a court of record for permission not to release criminal incident information that would otherwise be subject to release, if the release of such information is likely to jeopardize an ongoing investigation or cause certain other harms. This bill would add a requirement that the police department obtain a court order to withhold investigative files when it would jeopardize a pending criminal investigation. In addition, the bill would require the police department to release the entire investigative file after adjudication (or after three years) without regard for privacy concerns. Current law gives the department some discretion over sensitive information. This bill passed the House, but the Senate General Laws Committee sent it to the FOIA Council for study in the off-session.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+HB5090H3+pdf

HB 5112 (Levine) requires any law-enforcement officer who witnesses another person suffering from a serious bodily injury or a life-threatening condition to render aid and makes it a duty to report acts of wrongdoing committed by another law-enforcement officer. Any law-enforcement officer who fails to render such aid or report such acts of abuse, fraud, misconduct, or wrongdoing committed by another law-enforcement officer shall be subject to disciplinary action, including dismissal, demotion, suspension, or transfer of the law-enforcement officer. The bill also penalizes as a Class 1 misdemeanor the failure of any law-enforcement officer, who has actual knowledge of the commission on duty of a criminal offense by another law-enforcement officer, to report such wrongdoing, as defined in the bill. The bill also amends the definition of "bias-based

profiling" to include sexual orientation and gender identity. This bill passed the House but was passed by indefinitely in Senate Judiciary.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+HB5112E+pdf

HB 5146 (Herring) establishes a process for the automatic expungement of criminal records for certain convictions, deferred dispositions, acquittals, and for offenses that have been nolle prossed or otherwise dismissed. The bill also provides a process for the automatic expungement of criminal records for charges arising from mistaken identity or the unauthorized use of identifying information. The bill has staggered delayed effective dates to develop systems for implementing the provisions of the bill. As introduced, this bill was a recommendation of the Virginia State Crime Commission. The bill passed the House and was reported from Senate Judiciary with a substitute and was then sent to Senate Finance and Appropriations.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+HB5146S1+pdf

A committee of conference was established for this bill, but a conference report was not produced before the GA recessed. The bill is presumably no longer being considered.

Collective Bargaining

HB 5021 (Davis) prohibits any local ordinance or resolution granting or permitting collective bargaining from permitting consideration during collective bargaining negotiations of any action or discussion regarding the hiring, firing, or discipline of a local employee. All such actions and discussions shall be exempt from all collective bargaining negotiations. The bill has been referred to the House Committee on Labor and Commerce, but it was never docketed for a hearing.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+HB5021+pdf

HB 5071 (LaRock) prohibits a county, city, or town from entering into a collective bargaining contract with a labor union or other employee association representing law-enforcement officers or employees of a law-enforcement agency that (i) prevents the Attorney General from seeking equitable relief against a law-enforcement agency engaging in a pattern or practice of unconstitutional misconduct; (ii) includes any stipulation that delays officer interviews or interrogations after alleged wrongdoing for a set length of time; (iii) provides officers with access to evidence before interviews or interrogations about alleged wrongdoing; (iv) mandates the destruction or purging of disciplinary records from personnel files after a set length of time, or limits the consideration of disciplinary records in future employment actions; (v) prohibits the interrogation, investigation, or punishment of officers on the basis of alleged wrongdoing if a set length of time has elapsed since its alleged occurrence, or since the initiation of the investigation; (vi) prohibits supervisors from interrogating, investigating, or disciplining officers on the basis of anonymous civilian complaints; or, (vii) requires arbitration of disputes related to disciplinary penalties or termination. The bill has been referred to the House Committee on Labor and Commerce, but it was never docketed for a hearing.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+HB5071+pdf

School Nurses

SB 5004 (Kiggans) excludes school nurse positions from requirements for student support positions and instead requires each local school board to employ at least one full-time equivalent school nurse position in each elementary school, middle school, and high school in the local school division. This bill is estimated to cost Fairfax County approximately \$11.1 million. The legislation passed the Senate Education and Health

Committee and was re-referred the Senate Finance and Appropriations Committee, where it was passed by indefinitely.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5004S1+pdf

Housing

SB 5051 (Hashmi) prohibits the termination of rental agreements and the issuance of orders of possession and writs of eviction for any reason, except in response to a criminal or willful act that is not remediable and that poses a threat to health or safety, until after April 30, 2021. This bill was reported from Senate General Laws and Technology with a substitute (9-5) and re-referred to Senate Finance and Appropriations, but it was never docketed for a hearing.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5051S1+pdf

SB 5089 (Locke) suspends provisions of the Code of Virginia that allow an innkeeper or property owner of a hotel, motel, extended stay facility, vacation residential facility, boardinghouse, or similar transient lodging to evict a guest using self-help methods during the declared public health emergency related to the COVID-19 pandemic and applies the provisions of the Virginia Residential Landlord and Tenant Act to (i) a guest who uses such lodging as his primary residence for any length of time as tenant and (ii) the innkeeper or property owner of such lodging, or his agent, as landlord. The bill contains an emergency clause. There were concerns this may have impacted the collection of transient occupancy taxes. This bill was referred to the Committee on General Laws and Technology, where it was passed by indefinitely at the patron's request.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+SB5089+pdf

HB 5120 (Jenkins) suspends provisions of the Code of Virginia that allow an innkeeper or property owner of a hotel, motel, extended stay facility, vacation residential facility, boardinghouse, or similar transient lodging to evict a guest using self-help methods during the declared public health emergency related to the COVID-19 pandemic. It replaces those provisions with a requirement that guests who demonstrate that their stay is a direct or indirect result of the COVID-19 pandemic only be evicted according to the provisions of the Virginia Residential Landlord and Tenant Act, including the necessity of the filing of an unlawful detainer action in a court of competent jurisdiction and the execution of a writ of eviction issued pursuant to such action. The bill contains an emergency clause. The bill was sent to House General Laws, but was never docketed for a hearing.

http://leg1.state.va.us/cgi-bin/legp504.exe?202+ful+HB5120+pdf

Confederate Monuments

HB 5030 (McQuinn) changes the authority of a locality from the authority to "contextualize or cover" to the authority to "alter" a monument or memorial for war veterans located within the geographical limits of the locality, with the result that the locality has the authority to remove, relocate, or alter such monument or memorial. The bill removes the current requirement that the locality publish notice of its intent to remove, relocate, contextualize, or cover such monument or memorial in a newspaper having general circulation in the locality, allow a public hearing on the matter, and, if the governing body votes to remove the monument or memorial, offer, for a period of at least 30 days, the monument or memorial for relocation and placement to any museum, historical society, government, or military battlefield. In addition, an existing enactment clause that excludes "a monument or memorial located on the property of a public institution of higher education within the City of Lexington" from the application of this law is repealed. The bill passed the House and was sent to Senate Local Government.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+HB5030E2+pdf

The Senate Committee on Local Government passed the bill by indefinitely, so it is no longer in consideration. The Chairman of the committee intends to send a letter to the Department of Historic Resources and the Attorney General's office to get input about the special procedures under the current statute for emergency situations.

PPE for Child Care Providers

SB 5096 (Dunnavant) provides that during any case in which the Governor has declared a state of emergency related to a communicable disease of public health threat, persons operating or working or volunteering at a child day center or family day home shall be considered essential workers and shall be included in any group afforded priority with regard to access to personal protective equipment during such emergency. The bill contains an emergency clause. This bill passed the Senate on a 35-0 vote.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5096+pdf

The House Education Committee did not hear the bill, so it is presumably no longer under consideration.

In-Home Consumer Directed Services

SB 5116 (McDougle) requires DMAS to implement an electronic visit verification system to confirm delivery of in-home services by providers of consumer-directed personal care, respite care, or companion services through the Commonwealth Coordinated Care Plus waiver program, Developmental Disability waiver program, or the Early and Periodic Screening Diagnosis and Treatment program and creates an exception to the requirement that providers of such services use the electronic visit verification system for providers who reside in the home of the person receiving services. The bill passed the Senate and was reported from House Health, Welfare and Institutions with a substitute and was then sent to House Appropriations.

https://lis.virginia.gov/cgi-bin/legp604.exe?202+ful+SB5116+pdf http://leg1.state.va.us/cgi-bin/legp504.exe?202+amd+SB5116AH

The House Appropriations Committee did not hear the bill, so it is presumably no longer under consideration.
