BOARD ANNOUNCEMENT

1. ORDERS OF THE DAY (3:18 p.m.)

Chairman McKay stated that earlier in the week the Board approved motions certifying the necessity for electronic meetings and confirming that the matters on the Board’s agenda for all the meetings this week may be taken up in such electronic meetings. He noted that the Board need only conduct a roll call and take up one motion.

Chairman McKay stated that because most members of the Board are participating in the meeting from his or her respective Board office, it must be verified that a quorum of Members is participating and that each Member’s voice is clear, audible, and at an appropriate volume for all the other Members. Therefore, Chairman McKay conducted a roll call and asked each Member to confirm that they could hear each other’s voices.

Therefore, Chairman McKay relinquished the Chair to Vice-Chairman Gross and moved that the Board certify for the record that each Member’s voice may be adequately heard by each other member of this Board. Vice-Chairman Gross seconded the motion and it carried by unanimous vote.

Vice-Chairman Gross returned the gavel to Chairman McKay.
