At a regular meeting of the Board of Supervisors of Fairfax County, Virginia, held in the Board Auditorium of the Government Center at Fairfax, Virginia, on Tuesday, October 19, 2021, at 9:36 a.m., there were present:

- Chairman Jeffrey C. McKay, presiding
- Supervisor Walter Alcorn, Hunter Mill District
- Supervisor John W. Foust, Dranesville District
- Supervisor Penelope A. Gross, Mason District
- Supervisor Patrick S. Herrity, Springfield District
- Supervisor Rodney Lusk, Lee District
- Supervisor Dalia Palchik, Providence District
- Supervisor Kathy L. Smith, Sully District
- Supervisor Daniel G. Storck, Mount Vernon District
- Supervisor James Walkinshaw, Braddock District

Others present during the meeting were Bryan J. Hill, County Executive; Elizabeth Teare, County Attorney; Jill G. Cooper, Clerk for the Board of Supervisors; Dottie Steele, Chief Deputy Clerk for the Board of Supervisors; Ekua Brew-Ewool and Kecia Kendall, Deputy Clerks, and Bobby Vaught, Administrative Assistant, Department of Clerk Services.
BOARD MATTERS

1. **MASKS REQUIRED** (9:44 a.m.)

Chairman McKay stated that, in accordance with CDC guidance, masks are continued to be required for everyone who enters a County facility. Therefore, everyone in the Board Auditorium today must wear a mask at all times, including while speaking or taking photos.

2. **MOMENT OF SILENCE** (9:44 a.m.)

The Board asked everyone to keep in thoughts the family and friends of the following individuals who died recently:

- General Colin Powell, who passed away from Covid complications. He was the youngest and first black chairman of the Joint Chiefs; former Secretary of State; always put country before political party and was well respected. He was a proud resident of Fairfax County.

- Eugene Krizek, who passed away earlier this month (exactly one month after his wife, Addy). In 1985 he founded Christian Relief Services with just a $10,000 donation and a desire to help people in need. It is now a $50 million-dollar international philanthropic organization which provides safe and affordable housing, and millions of dollars in food, medical supplies, tools, shelter, training, and educational programs.

- Tom Stanners, father of Sue Robinson who recently retired from the County. He was a Braddock and Mason district resident; served on several Boards, Authorities, and Commissions; was a former Board photographer; World War II Navy Veteran; and spent 43 years working in the Federal Office of Management and Budget.

**BOARD MATTERS**

6. **CERTIFICATE OF RECOGNITION REQUEST FOR THE TURNING POINT SUFFRAGIST MEMORIAL ASSOCIATION** (10:16 a.m.)

Chairman McKay relinquished the Chair to Vice-Chairman Gross and asked unanimous consent that the Board and direct staff to prepare a Certificate of Recognition for the Turning Point Suffragist Memorial Association in honor of their completion of 13 years of work and to celebrate the memorial’s opening. Without objection, it was so ordered.

7. **CERTIFICATE OF RECOGNITION REQUEST FOR FRANK AND JANE BLECHMAN** (10:16 a.m.)

Chairman McKay asked unanimous consent that the Board direct staff to prepare a Certificate of Recognition for Frank and Jane Blechman, in honor of their outstanding volunteer work for the County and as they move out west. Without objection, it was so ordered.

8. **PRESENTATION REQUEST FOR THE 2021 ENVIRONMENTAL EXCELLENCE AWARDS (EEA)** (10:16 a.m.)

Chairman McKay asked unanimous consent that the Board direct staff to prepare a presentation for the 2021 EEA, highlighting individuals, organizations, and County
employees for their outstanding dedication and leadership on the environment. Without objection, it was so ordered.

9. **ANALYSIS OF THE WAIVER OF PERMITTING FEES ASSOCIATED WITH THE INSTALLATION OF ELECTRIC VEHICLE (EV) INFRASTRUCTURE** (10:17 a.m.)

Chairman McKay stated that energy usage in the County is changing. As the community works collectively towards its ambitious goals for net zero energy and carbon emissions reductions, County government should be working to reduce barriers to making the switch to environmentally friendly alternatives.

The auto industry has seen a boom in EVs. As they become more populous, the County needs to ensure it has the resources and infrastructure available for its community members. EVs require additional infrastructure built into existing facilities. This can present a major hurdle for residents looking to make a simple switch to a gas-alternative vehicle. Permitting fees can add a financial burden to well-meaning residents and disincentivize the environmentally sustainable actions we are encouraging residents to take.

The Climate Crisis is now – the County does not have time to wait on actions that can improve its carbon emissions and resiliency towards a changing environment.

Therefore, jointly with Supervisor Storck, Chairman McKay moved that the Board direct the Department of Land Development Services to:

- Analyze the waiver of permitting fees associated with the installation of EV infrastructure, including not only commercial properties, but residential as well

- Report to the Board on the feasibility of a waiver of fees no later than February 2022

Supervisor Storck seconded the motion and it carried by unanimous vote.

Vice-Chairman Gross returned the gavel to Chairman McKay.

10. **NO BOARD MATTERS FOR SUPERVISOR GROSS (MASON DISTRICT)** (10:19 a.m.)

Supervisor Gross announced that she had no Board Matters to present today.

11. **SURVIVING SPOUSE TAX EXEMPTION** (10:20 a.m.)

Supervisor Walkinshaw stated that in 2014, the voters of Virginia approved a Constitutional Amendment which exempts from taxation, under certain eligibility requirements, the real property of the surviving spouse of a member of the armed
forces of the United States who was killed in action, as defined by the Department of Defense. In accordance with the Code of Virginia, Title 58.1, Chapter 32, Article 2.4, the County began offering this exemption in 2015.

Supervisor Walkinshaw stated that it recently came to his attention that a small group of surviving spouses in the County were, due to confusion regarding the language of the statute, inadvertently approved for the exemption and have been receiving it for several years. Their deceased veteran spouses died while serving in the armed forces, but do not meet the definition of “killed in action.” Some were 9/11 victims and some died while deployed overseas, but were not killed by an enemy in combat. As such, the Department of Tax Administration was informed by the Commonwealth of Virginia that we may no longer grant the exemption to these individuals.

While the Board has correctly expressed its concern with the imposition of mandatory property tax exemptions on local governments, some of which drain significant resources from its budget and negatively impact public safety, education, and human services, this small group of individuals believed they were eligible for the exemption based on the approval of their applications, have received it for several years, and have planned their finances around its continuance. Furthermore, the Commonwealth is currently undertaking a study to examine the fiscal impact of extending this tax exemption to all those “killed in the line of duty.” The results of that study are expected by November 1, 2021.

Therefore, jointly with Chairman McKay, Supervisor Herrity, and Supervisor Storck, Supervisor Walkinshaw moved that the Board:

- Refer this matter to the Legislative Committee
- Direct Legislative staff to work with the General Assembly to identify a narrowly crafted solution that will allow the County to continue to offer this property tax exemption to the small group of individuals who have received it while reiterating the Board’s position that any expansion of local tax exemptions should be a local option, rather than a mandate
- Direct staff to prepare a report to the Board:
  - Summarizing the number of potential surviving spouse families eligible for tax exemption for line of duty deaths
  - Identifying the impacts of extending the real estate tax exemption to line of duty deaths

Chairman McKay seconded the motion and it carried by unanimous vote.
12. **COUNCIL TO END DOMESTIC VIOLENCE (CEDV) MEETING**  
(10:28 a.m.)

Supervisor Walkinshaw announced that October is “Domestic Violence Awareness Month and the CEDV will meet on October 21, 2021. He stated that the 2021 theme is “Transform the Norm.”

(NOTE: Later in the meeting, Supervisor Palchik referenced Supervisor Walkinshaw’s Board Matter. See Clerk’s Summary Item #23.)

13. **REQUEST FOR EXPEDITED PROCESSING FOR SERVICESOURCE, INC. (HUNTER MILL DISTRICT)**  
(10:31 a.m.)

Supervisor Alcorn stated that ServiceSource, Inc submitted a Special Exception application to permit an adult day support center located at the Ellmore Farmhouse in Frying Pan Farm Park. ServiceSource has been selected by the Fairfax County Park Authority (FCPA) for the Resident Curator Program to renovate and retrofit the Ellmore Farmhouse in support of adults with disabilities. The Board approved the Resident Curator lease on May 4, 2021.

The Planning Commission public hearing is scheduled for January 26, 2022, for Special Exception Application SE-2021-HM-00014. The applicant has requested an expedited Board public hearing date.

Therefore, Supervisor Alcorn moved that the Board direct staff to expedite the scheduling of the Board public hearing for Special Exception Application SE-2021-HM-00014 to a date certain of February 8, 2022. This motion should not be construed as a favorable recommendation by the Board on the proposed applications and does not relieve the Applicant from compliance with the provisions of applicable ordinances, regulations, or adopted standards in any way. Chairman McKay seconded the motion and it carried by a vote of nine, Supervisor Palchik being out of the room.

14. **NO BOARD MATTERS FOR SUPERVISOR FOUST (DRANESVILLE DISTRICT)**  
(10:32 a.m.)

Supervisor Foust announced that he had no Board Matters to present today.

15. **REQUEST FOR CONCURRENT PROCESSING AND SCHEDULING OF BOARD PUBLIC HEARING - AMAZON DATA SERVICES INC. (LEE DISTRICT)**  
(10:32 a.m.)

Supervisor Lusk stated that Amazon Data Services, Inc. owns approximately 23.59 acres located in the northeast quadrant of the intersection of Loisdale Road and Newington Road. The property is zoned to the C-3 District, and the Applicant proposes a rezoning to the I-5 District concurrent with a special exception. The applications include the construction of a secure data center with associated
supporting structures. The property is planned for industrial use, and the surrounding uses are primarily industrial, including railroad tracks to the east and Interstate 95 to the west.

The rezoning and special exception applications are currently being processed by the Department of Planning and Development and are scheduled for a hearing before the Planning Commission on January 19, 2022. Supervisor Lusk stated that the applicant is anxious to establish its use on the property as soon as possible and a request has been submitted for concurrent processing and the scheduling of a hearing before the Board.

Therefore, Supervisor Lusk moved that the Board direct staff to authorize concurrent processing and schedule a Board public hearing for Rezoning Application RZ 2021-LE-015 and Special Exception Application SE 2021-LE-010. The applicant understands that the authorization of concurrent processing and the scheduling of a Board date in no way relieves it of the requirement to comply with all applicable standards of the Zoning Ordinance. In addition, the authorization does not dictate that the pending applications will be approved, nor does it prejudice staff’s review. Chairman McKay seconded the motion and it carried by a vote of nine, Supervisor Palchik was out of the room.

16. **NO BOARD MATTERS FOR SUPERVISOR STORCK (MOUNT VERNON DISTRICT)** (10:34 a.m.)

Supervisor Storck announced that he had no Board Matters to present today.

17. **PROCLAMATION REQUEST DESIGNATING NOVEMBER 15, 2021, AS “FAIRFAX COUNTY RECYCLES DAY” IN THE COUNTY AND SOLID WASTE MANAGEMENT PROGRAM’S (SWMP) RECOGNITION** (10:35 a.m.)

Supervisor Herrity stated that “America Recycles Day” takes place each year in November and is the only nationally recognized day dedicated to promoting and celebrating recycling in the United States. Nationally, thousands of organizations, including neighboring jurisdictions, hold events to educate people about recycling resources in their community. This year there will be multiple ways for residents to engage in America Recycles Day as the Board encourages everyone to increase recycling at home, at school, in the office and in the community. Similar to last year’s very successful webinar on recycling, this year the SWMP will host a Facebook Live event featuring a panel of recycling experts. More details on this event and other in-person events will be publicized soon.

In addition, SWMP will be holding a recycling poster design contest, inviting the public to create a poster that celebrates the three Rs – Reduce, Reuse, and Recycle. The winning design may be used on its website, or possibly even as a wrap on a collection truck. Designs can be made by hand or digitally, but all art should be original. Originals may be drawn on paper that is letter-size or larger (ledger-size,
or 11x17 is best). Digital versions should be high resolution so that it can be enlarged. Entries can be submitted electronically or brought to the SWMP office at the Fairfax County Government Center – 12000 Government Center Pkwy, Suite 458, Fairfax, VA 22035. Entries should be submitted by Monday, November 8, 2021. Questions concerning the contest should be directed to the SWMP Outreach and Engagement Team at 703-324-5230, TTY 711, or by email to recycling@fairfaxcounty.gov.

In celebrating “Recycles Day,” the County cannot overlook the leadership and success of its SWMP in promoting environmental sustainability. SWMP recently received a letter and certificate from the Virginia Department of Environmental Quality (DEQ) approving its acceptance as a Virginia Environmental Excellence Program Sustainability Partner (VEEP SP) for calendar year 2022. The DEQ recognizes organizations making environmental sustainability part of its culture through leadership, innovation, and continual improvement. The approval was granted based on several significant environmental achievements the SWMP has made, including its strategic partnership with Prince William and Arlington Counties and the City of Alexandria to recover and recycle glass, and its work with a gas engine plant to generate electricity for sale back to the grid from the I-95 Landfill Complex, which produced enough energy in 2020 to power 1,800 households.

By declaring a “Recycles Day” in the County, the Board can build on this success and continue to highlight the benefits of recycling as well as help residents recycle more.

Therefore, jointly with Supervisor Gross and Supervisor Storck, Supervisor Herrity moved that the Board direct staff to:

- Prepare a Proclamation declaring November 15, 2021, as “Fairfax County Recycles Day,” in alignment with the national initiative to better promote local efforts to recycle

- Publicize “Fairfax County Recycles Day”

- Prepare a proclamation recognizing “Fairfax County Recycles Day” and the SWMP’s acceptance as a VEEP SP for calendar year 2022, to be presented to the Director of the Solid Waste Division and members of the recycling team at the November 9, 2021, Board meeting

Supervisor Storck seconded the motion and it carried by unanimous vote.

18. REQUEST TO WAIVE DISPOSAL FEES FOR SANITARY DISTRICT CUSTOMERS DURING THE LABOR SHORTAGE (10:39 a.m.)

Supervisor Herrity stated that there are not many Sanitary Districts in the Springfield District; however, like many other Board members, his office has
received calls and e-mails from constituents regarding the missed or extremely delayed pickup of yard waste by the County’s Department of Solid Waste. The Board discussed this in depth during the public hearings at its October 5, 2021, meeting and because of Supervisor Lusk’s Board matter. Supervisor Herrity acknowledged that staff is doing the best that it can, given the labor shortage happening here and elsewhere in the nation. The County is fortunate it has been able to continue to collect recyclables, a service that has been eliminated in other jurisdictions across the country.

Supervisor Herrity stated that since the meeting, a citizen contacted his office with a suggestion worth consideration—waiving disposal fees for Sanitary District customers who opt to bring their refuse and yard waste to the I-95 Landfill and I-66 Transfer Station themselves. This waiver would only be in place until the labor shortage and associated service delays are resolved. A resident could prove their inclusion in a Sanitary District by showing their real estate tax bill or showing on their device that the address shown on their identification is in a district as verified on the map on the County’s website, or other means that staff determines are acceptable.

Staff could also determine whether to limit the fee waiver to a certain amount of bags or specific gallon container—generally what would be picked up weekly.

Therefore, Supervisor Herrity moved that the Board direct staff to consider the pros and cons of a program that would waive disposal fees for constituents within the County’s Sanitary Districts who opt to bring their own yard waste and/or refuse to the County’s transfer station and landfill during this labor shortage and report back to the Board for consideration in a timely manner. Supervisor Gross and Supervisor Lusk jointly seconded the motion.

Discussion ensued and the Board requested additional information regarding the following:

- Resources needed for implementation
- The length of time this is estimated to be in place
- Refund of fees paid for lack of service
- Potential conflicts with private service homes
- Options available due to lack of service
- Potential impact on the I-66 Transfer Station
- Ways to fix the lack of service
- Update on possible improved service
Following further discussion, with input from Bryan Hill, County Executive, who stated that a report regarding the status and possible improvements would be forthcoming, the question was called on the motion and it carried by a vote of nine, Supervisor Smith voting “NAY.”

19. **MID- ATLANTIC POLICE MOTORCYCLE RODEO** (10:51 a.m.)

Supervisor Herrity announced that he recently attended the Mid-Atlantic Police Motorcycle Rodeo, which was held on September 25, 2021.

20. **CERTIFICATE OF RECOGNITION REQUEST FOR ROBERT BERMINGHAM** (10:53 a.m.)

Supervisor Palchik announced that after more than 30 years of service with the Juvenile Justice System in the County, Robert Bermingham, Director of Court Services, Juvenile and Domestic Relations District Court, will be retiring on November 12, 2021.

Mr. Bermingham began his career in juvenile justice in 1986 as a Childcare Specialist in the County Juvenile Detention Center. He has worked in both community-based residential programs and as a field probation officer.

During his tenure, Mr. Bermingham held management positions with probation services, served as the County’s first Gang Prevention Coordinator, and since 2009, has served as the Court Service Unit Director of the Commonwealth of Virginia’s largest Court Service Unit.

Mr. Bermingham has led the 300+ person unit through significant transformation in practices, to include the re-design of juvenile intake services, the implementation of assessment tools at major decision points within the system, enhanced diversion alternatives, and deployment of evidence-based interventions, along with a focus on reducing racial and ethnic disparities and family engagement.

Mr. Bermingham has also played an essential role in the Countywide Diversion First initiative, as a Member and Facilitator of the Leadership Group. Mr. Bermingham has been dedicated in providing services that build on individual and family strengths to improve outcomes while remaining focused on public safety and promoting equitable and effective justice.

Mr. Bermingham’s leadership, guidance, and systemic approach have impacted the lives of many County residents and families. He is a true collaborator and has brought both compassion and wit to every endeavor; has served the County with a deep sense of purpose; and is admired and respected by many. He will be greatly missed, but his legacy will leave the County in a better place.
Therefore, jointly with Chairman McKay, Supervisor Palchik asked unanimous consent that the Board direct the Office of Public Affairs to prepare a Certificate of Recognition for Mr. Bermingham, thanking him for his service and determination to make a positive difference in the County, to be presented outside the Board Room. Without objection, it was so ordered.

21. **PROCLAMATION REQUEST FOR FIRST BAPTIST CHURCH OF MERRIFIELD (PROVIDENCE DISTRICT)** (10:56 a.m.)

Supervisor Palchik stated that on September 18, 2021, First Baptist Church celebrated its 151st homecoming anniversary celebration weekend, marking 151 years of providing spiritual leadership, generous community outreach, and opportunities for joyful worship in the Baptist tradition to residents of the County, and to mark the next step in the church’s current and future capital improvements.

The history of First Baptist began in 1871, when the Church members, together with other churches, met in a log cabin between Graham Road and Seven Corners. In 1891, First Baptist Church of Merrifield found its permanent home when a plot of land in Merrifield was purchased by Church Trustees John E. Coates, Joshua Ball, and Joshua Pearson for the sum of five dollars.

The first church structure was built with lumber transported by horse drawn wagons from the Alexandria docks. Before it was completed, the structure was destroyed by a severe storm. In an extraordinary display of perseverance, the community was able to rebuild the Church in just three additional years.

First Baptist Church of Merrifield is characterized by its impressive leadership and passionate ministry. During the 32-year tenure of Pastor Charles Parker, the Church added a youth department; established a college scholarship fund; added deacons, deaconesses, and completed a new church building. In 1983, Pastor Lenwood Graham, Sr., led First Baptist Church of Merrifield through a period of expansion as the church increased its membership, became more active in foreign and domestic missionary work, and established the Merrifield Child Development Center.

Today, First Baptist Church of Merrifield is led by the Reverend Dr. Paul A. Sheppard, offering worship services every Sunday and Bible study classes and other ministries during the week. Rev. Sheppard is rooted in the Merrifield community, with his grandfather having been part of the first class of Luther Jackson High School.

Reverend Sheppard has continued to position First Baptist Church of Merrifield as a vital part of the community, partnering with surrounding neighbors both before and during COVID-19. The Church has partnered with the Greater Merrifield Business Association and the Merrifield community to hold festivals, free food, gift card giveaways, and seminars on anxiety and grief, among other outreach efforts. First Baptist is a valued and longtime beacon of the Merrifield community.
Therefore, jointly with Chairman McKay, Supervisor Palchik asked unanimous consent that the Board direct the Office of Public Affairs to prepare a proclamation for First Baptist Church of Merrifield’s 151st anniversary, in recognition and honor of its faith-based leadership, and to share the Board’s appreciation for its continued contributions to the greater Merrifield and County communities, to be presented outside the Board Room. Without objection, it was so ordered.

22. **PLANT NOVA TREES** (11:01 a.m.)

Supervisor Palchik stated that Plant NOVA Trees is a new and focused drive by the Plant NOVA Natives campaign to increase the native tree canopy in Northern Virginia. This initiative launched in September 2021, will continue through the Fall of 2026, and is supported by the Northern Virginia Regional Commission.

“A native tree is one that evolved within a given local ecosystem and therefore participates fully in its intricate plant/animal/fungal interactions.” With the growth in the region, the Board has also witnessed the decline of the local tree canopy. Expanding and replanting the tree canopy in developed areas has many benefits, including reducing the urban heat island effect, improving water quality, and making the land more hospitable to wildlife by providing food and shelter.

There are numerous ways that the Board can help get the word out about native trees and the importance of planting them, and Supervisor Palchik stated that she hopes the County can embrace this campaign as its own.

If the County is to meet its stormwater and climate goals, everyone needs to work together on this as on other issues. The campaign’s success rests on the action of the millions of individuals who make up the Northern Virginia community. Additional information can be accessed directly at: www.PlantNOVATrees.org.

Therefore, jointly with Supervisor Gross and Supervisor Storck, Supervisor Palchik moved that the Board direct the Office of Public Affairs to:

- Help support the outreach efforts of the Plant NOVA Trees campaign
- Develop a communications strategy to include social media, the sharing of Plant NOVA Trees information and content, and encourage all residents to consider participating by planting native trees

Chairman McKay seconded the motion and it carried by unanimous vote.

23. **OCTOBER IS “DOMESTIC VIOLENCE AWARENESS MONTH”** (11:04 a.m.)

NOTE: Earlier in the meeting, Supervisor Walkinshaw shared a similar Board Matter. See Clerk’s Summary Item #12.)
Supervisor Palchik stated that 2021 theme for Domestic Violence Awareness Month is “Transform the Norm” and aims to raise awareness about domestic and sexual violence.

Chairman McKay relinquished the Chair to Vice-Chairman Gross and asked unanimous consent that the Board direct the Office of Public Affairs to help raise awareness and share what resources are available for the community. Without objection, it was so ordered.

Vice-Chairman Gross returned the gavel to Chairman McKay.

24. SOUTHGATE COMMUNITY CENTER RENAMED (HUNTER MILL DISTRICT) (11:06 a.m.)

Supervisor Alcorn announced that the unveiling ceremony for the renamed Southgate Community Center, in honor of former Supervisor Catherine Hudgins, was held on October 16, 2021. He thanked the Board and staff for attending the event.
