# **Fund 40140: Refuse Collection and Recycling Operations**

## Mission

The Fairfax County Solid Waste Management Program (SWMP) provides municipal refuse and recyclable collection services in an environmentally sound and economically viable manner to County residents within sanitary collection districts and other County and state government agencies. These operations are dedicated to keeping Fairfax County clean by preventing pollution associated with the improper disposal of refuse. The SWMP refuse collection operations also strives to reduce the County's overall municipal solid waste stream through the effective development, implementation and management of comprehensive waste reduction and recycling strategies to ensure Fairfax County meets or exceeds the Commonwealth of Virginia's recycling mandate of 25 percent of the solid waste stream.

### Focus

Refuse Collection and Recycling operations in the SWMP are responsible for the collection of refuse and recyclable materials from approximately 44,300 residential customers within Fairfax County's sanitary refuse collection districts, properties owned or occupied by County agencies, and two public college campuses. The SWMP provides collection services to prevent health and safety hazards including the Community Cleanup Program, the Health Department Referral Program, the Office of the Sheriff's Evictions Program, and the Court/Board-directed Cleanup Program. The SWMP provides staff and equipment for these operations. Additionally, SWMP responds to community emergencies and recovery efforts in the wake of floods, hurricanes, snow events, and other emergencies.

The SWMP manages the system to promote recycling of Fairfax County generated wastes, including:

- Overall management of solid waste reduction and recycling programs.
- Plans for future recycling programs and waste reduction systems.
- Reducing the amount of waste sent for disposal through recycling programs that divert reusable or recyclable items from the waste stream to avoid disposal.

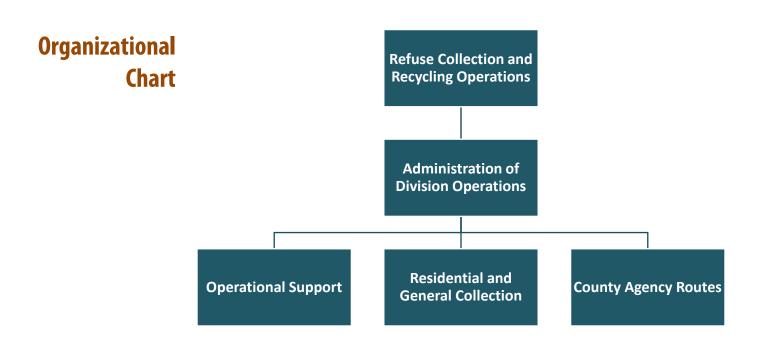

Refuse and recyclable materials collection is provided to residents within sanitary refuse collection districts, which are created by the Board of Supervisors upon receipt of petition to provide said service. Residents are charged an annual fee for weekly refuse and recycling collection service through the semi-annual property tax collection system. The annual collection rate in FY 2024 is increased to \$490 from the FY 2023 rate of \$475. The proposed rate increase will assist SWMP in meeting increased labor and contractual costs necessary to operate the collections programs.

SWMP County Agency Route Program (CAR) is responsible for the collection of refuse and recycling from County agencies, and George Mason University. Revenue is derived from billings based upon the cubic yard capacity of the containers at each location, labor, equipment, and overhead costs as needed to provide adequate service.

The SWMP operates two programs designed to address oversized piles of waste and illegal dumping throughout the County. The first program, *Bulk Service*, provides residents with a convenient and cost-competitive way to remove oversized piles of waste while providing a revenue stream for the collection program. This service is billed individually to each customer based on the size of the pile of refuse that is placed at the curb.

The second program, *Clean Streets Initiative (CSI)*, partners with the Fairfax County Health Department to respond to complaints about uncollected waste dumped or illegally placed on properties throughout the County. The Health Department refers the complaint to the SWMP which contacts the property owner to compel them to remove the waste. If the owner refuses, SWMP staff removes the material for disposal and the owner is billed for the service.

Agency performance measures for Solid Waste are displayed at a program-wide level. Please refer to the Solid Waste Management Program Overview in Volume 2 of the <u>FY 2024 Adopted Budget</u> Plan for those items.

# FY 2024 Funding Adjustments

The following funding adjustments from the <u>FY 2023 Adopted Budget Plan</u> are necessary to support the FY 2024 program. Included are all adjustments recommended by the County Executive that were approved by the Board of Supervisors, as well as any additional Board of Supervisors' actions, as approved in the adoption of the Budget on May 9, 2023.

### **Employee Compensation**

\$860,463

An increase of \$860,463 in Personnel Services includes \$490,992 for a 5.44 percent market rate adjustment (MRA) for all employees and \$135,779 for performance-based and longevity increases for non-uniformed merit employees, both effective July 2023. The remaining increase of \$233,692 is included to support employee retention and recruitment efforts that will reduce pay compression and align the County's pay structures with the market based on benchmark data.

### **Other Post-Employment Benefits**

(\$25,412)

A decrease of \$25,412 in Personnel Services reflects required adjustments associated with providing Other Post-Employment Benefits (OPEBs) to retirees, including the Retiree Health Benefits Subsidy. For more information on Other Post-Employment Benefits, please refer to Fund 73030, OPEB Trust, in Volume 2 of the FY 2024 Adopted Budget Plan.

### **Operating Expenses**

\$1,117,038

An increase of \$1,117,038 in Operating Expenses is related to an increase of Refuse Disposal for recyclable material collections and the cost increase in transportation services and vehicle maintenances.

### Capital Equipment

\$519,000

Funding of \$2,129,000 in Capital Equipment reflects an increase of \$519,000 over the <u>FY 2023 Adopted Budget Plan</u>. In FY 2024, the funding for Capital Equipment includes \$550,000 for the replacement of two rear loading packers, \$650,000 for the replacement of two side loader packers, \$115,000 for two pick-up trucks, \$395,000 for one front-loading packer, \$350,000 for one crane truck, and \$69,000 to replace six roll-off containers. These items have exceeded their useful life and are required to be replaced based on the overall age and condition of the equipment.

### Capital Projects

\$399,797

An increase of \$399,797 in Capital Project reflects additional funding required in FY 2024 for the infrastructure improvement to Newington Operations facility and the mechanical repairs.

# Changes to FY 2023 Adopted Budget Plan

The following funding adjustments reflect all approved changes in the FY 2023 Revised Budget Plan since passage of the <u>FY 2023 Adopted Budget Plan</u>. Included are all adjustments made as part of the FY 2022 Carryover Review, FY 2023 Third Quarter Review, and all other approved changes through April 30, 2023.

### **Carryover Adjustments**

\$1,881,458

As part of the *FY 2022 Carryover Review*, the Board of Supervisors approved funding of \$1,881,458, including \$695,128 in encumbered carryover, \$244,345 in unencumbered carryover, and \$941,985 in unspent Capital Project balance.

#### **Third Quarter Adjustments**

\$900,000

As part of the FY 2023 Third Quarter Review, the Board of Supervisors approved funding of \$900,000 due to higher than anticipated costs for fuel, refuse disposal expenses, and yard waste collection contracted labor due to staffing shortages.

### **Position Adjustment**

\$0

In order to better support the Zero Waste Program, 1/1.0 FTE position was transferred from Fund 40140, Refuse Collection, to Fund 40150, Refuse Disposal. There is no funding impact for Funds 40140 and 40150.

# **Position Detail**

The <u>FY 2024 Adopted Budget Plan</u> includes the following positions:

REFUSE	E COLLECTION AND RECYCLING OPERATIONS	S – 104 Po	sitions		
	of Division Operations	1041 0	NICOTO .		
1	•	1	Human Resources Generalist I		
1	PW Environmental Services Manager	1	Financial Specialist III

Ending Balance <sup>6</sup>	\$4,109,334	\$2,113,139	\$2,575,213	\$3,444,866	\$2,234,388
Rate Stabilization Reserve <sup>7</sup>	\$1,027,333	\$528,284	\$643,803	\$861,216	\$558,597
Capital Equipment Reserve8	2,054,667	1,056,570	1,287,607	1,722,433	1,117,194
Operating Reserve9	1,027,334	528,285	643,803	861,217	558,597
Unreserved Balance	\$0	\$0	\$0	\$0	\$0
Levy per Household Unit <sup>1</sup>	\$400/Unit	\$475/Unit	\$475/Unit	\$490/Unit	\$490/Unit

<sup>&</sup>lt;sup>1</sup> The FY 2024 levy/collection fee per household unit will increase from \$475 to \$490 per unit based on additional program requirements. The vast majority of these fees are collected as a separate levy included on the Real Estate Tax bill. Approximately 397 units must be billed directly by the agency.

<sup>&</sup>lt;sup>2</sup> SWMP receives funding from the Commonwealth of Virginia from the State Litter Grant on an annual basis. This funding is then transferred to the Clean Fairfax Council, Inc. to fund its operations on behalf of the County. In FY 2022, an amount of \$171,876 was received and distributed for this purpose and it is estimated that \$146,464 will be received in FY 2024.

<sup>&</sup>lt;sup>3</sup> In order to account for revenues and expenditures in the proper fiscal year, audit adjustments have been reflected as an increase of \$325.46 to FY 2022 expenditures record expenditures in the proper fiscal year. The Annual Comprehensive Financial Report (ACFR) reflects all audit adjustments in FY 2022. Details of the audit adjustments were included in the FY 2023 Third Quarter Package.

<sup>&</sup>lt;sup>4</sup> Recovered Costs represent billings to Fund 40130, Leaf Collection, for its share of the total administrative costs for the Division of Collection and Recycling. Also included is an amount billed to Fund 40150, Refuse Disposal, for administrative costs for the recycling program, which is coordinated by Fund 40140, Refuse Collection and Recycling Operations.

## Fund 40140: Refuse Collection and Recycling Operations

- <sup>5</sup> Funding in the amount of \$494,000 is transferred to the General Fund to partially offset central support services supported by the General Fund, which benefit Fund 40140. These indirect costs include support services such as Human Resources, Purchasing, Budget and other administrative services.
- <sup>6</sup> Ending Balance fluctuations are a result of operating and revenue requirements that change annually. Funding is carried forward each fiscal year to provide flexibility given the uncertainty of market conditions and expenditure requirements.
- <sup>7</sup> The Rate Stabilization Reserve provides funds to mitigate against any need for an unusually large rate increase in a future year.
- <sup>8</sup> The Capital Equipment Reserve is for future capital equipment requirements based on replacement value and age of equipment.
- <sup>9</sup> The Operating Reserve is for the purchase/replacement of single-stream recycling and trash collection containers for sanitary district customers, the timely replacement of obsolete computer equipment, and other operating requirements.

# Fund 40140: Refuse Collection and Recycling Operations

## **SUMMARY OF CAPITAL PROJECTS**

Project	Total Project Estimate	FY 2022 Actual Expenditures	FY 2023 Revised Budget	FY 2024 Advertised Budget Plan	FY 2024 Adopted Budget Plan
