

Fund 40060: McLean Community Center

Mission

The McLean Community Center generates inspiration, creativity, and connection in McLean and its communities. MCC provides access to inspirational arts, cultural experiences, learning opportunities, civic engagement, and recreational activities; supports community organizations, and offers facilities for all MCC tax district residents.

Connection to the Countywide Strategic Plan

The Fairfax County Board of Supervisors adopted the first-ever Countywide Strategic Plan on October 5, 2021. The Countywide Strategic Plan serves as a road map to help guide future work, focusing on the 10 Community Outcome Areas that represent the issues of greatest importance to the community, and uses the County's One Fairfax equity policy to invest in people and places that have limited access to opportunity. On February 18, 2025, the third Annual Report on the work of the strategic plan was released to the public. The report contains point-in-time progress highlights for each of the community outcome areas, plus a number of additional initiatives to embed the elements of the plan within department-level work. The report also includes a Year Three Implementation Model, including five data dashboards and data stories that are being replicated across all of the outcome areas, which will engage hundreds of County subject-matter experts to identify and champion the specific strategies that will move forward to implementation under the direction of the County Executive's Steering Committee. For more information on the Countywide Strategic Plan, please visit www.fairfaxcounty.gov/strategicplan. The McLean Community Center primarily supports the following Community Outcome Area:

Focus

Fund 40060, McLean Community Center (MCC or the Center), fulfills its mission by offering a wide variety of civic, social, and cultural activities to its residents, including families, local civic organizations, and businesses.

MCC offers activities for adults, teens, and children, including a wide range of classes, lectures, trips, camps, art exhibits, theater performances, and a growing Seniors in Action program. The Center also produces important community activities such as Fiesta Del Sol, McLean Day, the annual Fireworks Celebration, and McLean Pet Fest.

MCC facilities include the 383-seat Alden Theatre, the McLean Project for the Arts galleries, the Susan B. DuVal Art Studio, meeting and conference rooms, a rehearsal studio, classrooms, and commercial kitchen. MCC also operates the award-winning Old Firehouse Center (OFC), the first-of-its-kind space for teens in Fairfax County. OFC is an example of McLean's commitment to the

safety and future of its youth. In addition, the facility is utilized by many community groups and offers additional programming across all ages and demographics.

Facilities and operations of the MCC are supported primarily by revenues from a special property tax collected from all residential and commercial properties within Small District 1A, Dranesville. The Small District 1A real estate tax rate for FY 2026 will remain at \$0.023 per \$100 of assessed real property value. Other revenue sources include program fees, rental income, and interest on investments. Financial and operational oversight of the Center is provided by the MCC Governing Board, elected annually. MCC receives its expenditure authority from the Fairfax County Board of Supervisors each fiscal year.

In 2023, the MCC Governing Board and staff developed and implemented a strategic plan that is committed to the following goals: Be Visible; Welcome All of McLean and its Global Community; Invite Discovery; Showcase Excellence; and Model Sustainability and Good Stewardship.

Performance Measurement Results by Community Outcome Area

Cultural and Recreational Opportunities

The McLean Community Center facilities play an important part in the greater McLean area by providing places for MCC to hold its programs, classes, and meetings; serving as the home for the McLean Project for the Arts and community arts groups; and offering meeting and event space for residents and community organizations.

MCC's current strategic plan (FY 2024-FY 2028) identifies Customer Satisfaction as the primary performance measure of MCC success in delivery of its programs and services. For FY 2024, Customer Satisfaction surveys measured the following:

1. My MCC Program/Service was a high-quality offering.
2. My MCC Program/Service taught me something new, improved an existing skill, offered an important service, or otherwise improved my quality of life in some capacity.
3. My MCC Program/Service was provided at a reasonable cost.
4. The setting for my MCC Program/Service was appropriate, clean, and accessible.
5. MCC Employees were effective, helpful, and courteous.
6. I would recommend MCC Programs/Services to others.

In FY 2024, the total number of patrons using the Center increased compared to FY 2023. Total patrons using the center in FY 2024 was 94,729.
