| Levy per Household Unit | \$210/Unit | \$210/Unit | \$0 | \$240/Unit | \$240/Unit | \$0 |

${ }^{1}$ The FY 2005 levy/collection fee per household unit is set at $\$ 240$ per unit. Although the Refuse Collection levy is separate and not a real estate tax, it is included on and collected as part of the County's real estate tax bill. This amount does not include approximately 440 units which will be billed directly by the agency.
${ }^{2}$ Includes one-time revenue of $\$ 574,538$ in FY 2004 from the Federal Emergency Management Agency as reimbursement for expenditures related to the recovery from Hurricane Isabel.
${ }^{3}$ The estimate for Program Support is calculated using the projected level of expenditures for recycling operations as conducted in Fund 109 , Refuse Collection and Recycling Operations, and offset by revenue received from the sale of recycled materials.
${ }^{4}$ Recovered Costs represents billings to Fund 108, Leaf Collection, for its share of the total administrative costs for Agency 46, Division of Collection and Recycling. Also included is an amount billed to Fund 110, Refuse Disposal, for administrative costs for the recycling program which is coordinated by Fund 109, Refuse Collection and Recycling Operations.
${ }^{5}$ Rather than implement a fee increase, fund balance was utilized to meet expenditure requirements. Therefore, ending balances between FY 2004 and FY 2005 have decreased primarily due to increased expenditure requirements that have exceeded revenues received. A fund balance amount of $\$ 3,990,477$ in FY 2004 was required to balance the fund in that year. In FY 2005, fund balance totalling $\$ 3,418,171$ will be required to balance the fund. The fee increase from $\$ 210$ to $\$ 240$ per unit will mitigate decreases in the ending balance. Future levy increases will be required in order to maintain adequate funding for operations and reserves.

[^0][^1]
[^0]:    ${ }^{6}$ Funds reserved for equipment replacement are not encumbered based on normal accounting practices but are allocated at a future date for equipment purchases. The requirements for Collection Operations are funded through the collection revenue received in Fund 109, Refuse Collection and Recycling Operations, while requirements for Recycling Operations are provided as a component of the Program Support.

[^1]:    ${ }^{7}$ The PC Replacement Reserve was established to provide funding for the timely replacement of obsolete computer equipment.
