¹ In FY 1999, an amount of \$2.8 million was approved from fund balance to support the first year payment associated with the installation of the Institutional Network (I-Net). In FY 2000 a payment of \$770,000 was made. Additionally, an estimated \$7.6 million will be spent in FY 2004 for the remaining cost of the I-Net construction. These expenditures are only for the construction of the I-Net as provided for in the franchise agreement with Cox Communications and does not include equipment and other operational funding.

² The Transfer Out to the General Fund represents compensation to the General Fund for rent on property and public "rights-of-way" used by the cable companies serving Fairfax County. The amount represents approximately one percent of the gross revenues of the cable operators in the County (20 percent of franchise fees).

³ This funding reflects a direct transfer to FCPS to support the educational access grant. The amount is calculated as one percent of the gross revenues of Cox Communications. The actual amount to be transferred to the FCPS on an annual basis is based on actual gross receipts. Annual reconciliation of the revenue and subsequent transfer will be conducted and adjustments to the transfer level will be incorporated in next year's budget.

⁴ This funding reflects a direct transfer to FCPS to support a replacement equipment grant of \$250,000.

⁵ Ending balances have significantly decreased in this fund since FY 2003 due to the costs associated with the finalization of construction on the County's I-Net in FY 2004 and due to the operation of the I-Net, expected to commence in FY 2005.
