

## **Response to Questions on the FY 2005 Advertised Budget Plan**

**Request By:** Supervisor Kauffman

**Question:** What is the number of classroom teachers out of the FCPS total workforce?

**Response:** The following response was prepared by Fairfax County Public Schools.

For FY 2004, there are currently 13,384 teaching positions out of a total position count of 21,121.9. Including positions such as principals, assistant principals, instructional assistants, and public health attendants, 92.1 percent of the total workforce is school based.
