

Response to Questions on the FY 2008 Advertised Budget Plan

Request By: Supervisor Hyland

Question: Please provide data on teachers who leave FCPS within 5 years. Specifically, how many of these teachers have Master's degrees?

Response: The chart below shows an analysis of teachers who were hired in 2001. Over this period, 48 percent of the teachers hired in 2001 left the system. This is comparable with the national average that 46 percent of teachers leave teaching in the first five years. Of the 48 percent that left the system, 31 percent had Master's degrees.
