<sup>&</sup>lt;sup>1</sup>A funding reduction of \$5,888 reflects the actual furlough savings achieved as a result of the mandatory furlough day of January 2, 2009.

<sup>&</sup>lt;sup>2</sup> The increasing ending balance is being set aside to fund a future expansion of the main facility and potentially a relocation or renovation of the Old Firehouse Teen Center, a satellite program of McLean Community Center, providing after school programs, activities, events and a summer camp program for middle-school-age students. It is anticipated that the funding in the Capital Project Reserve will be directed to the expansion and relocation plans. By building up this reserve, the amount of bond funding required will be reduced accordingly.

<sup>&</sup>lt;sup>3</sup>Funds reserved for equipment replacement are not encumbered based on normal accounting practices; however, they are allocated for future equipment replacement purchases.

<sup>&</sup>lt;sup>4</sup>Funds reserved for capital projects are not encumbered based on normal accounting practices; however, they are allocated for future capital projects.
