

Response to Questions on the FY 2010 Advertised Budget Plan

Request By: Supervisor Herrity

Question: Please provide a list of new hires by position and salary for the past sixth months.

Response: During the past six months, 229 employees were appointed to county positions. The attached list includes the Agency, pay plan and pay grade and hire date for each of these positions. Of the 229, 50 were appointed to public safety positions. The average of 30 per month for non-public safety appointments is approximately 1/3 of what the typical new hire rate has been.
