

**Response to Questions on the FY 2010
County's Line of Business & Schools Program Review Processes
Fall 2008**

Request By: Chairman Connolly

Question: How long has the Fairfax County Police Department's Crime Solvers Program been in existence and how many crimes has it helped solve?

Response: Tips that come through the Crime Solvers Program have resulted in the closure of 1,819 cases (including 10 homicides) and the arrest of 222 fugitives since the program's inception in 1979.
