Request By: Supervisor Herrity

Question: The fourth footnote associated with Fund 114, I-95 Refuse Disposal's "Environmental Reserve" (Pg. 327 of Volume 2) notes that "the Environmental Reserve provides for future environmental projects." Please provide more detail on "future environmental projects."

Response: The Environmental Reserve is a contingency fund, assuring that the County has funds to implement, or at least start to implement, unplanned actions to protect the environment or meet regulatory requirements. Specific examples of future environmental projects are likely to include: Landfill Gas Control Projects, Stormwater Management, Wastewater (Leachate) Management, and Groundwater protective measures.
