<sup>1</sup> In order to account for expenditures in the proper fiscal year, an audit adjustment in the amount of \$0.55 has been reflected as an increase to FY 2015 Personnel Services. The audit adjustment has been included in the FY 2015 Comprehensive Annual Financial Report (CAFR). Details of the audit adjustment are included in the FY 2016 Third Quarter package.

<sup>2</sup> Funding in the amount of \$2,850,000 is transferred to the General Fund to partially offset central support services supported by the General Fund which benefit Fund 69010, Sewer Operation and Maintenance. These indirect costs include support services such as Human Resources, Purchasing, Budget and other administrative services.

<sup>3</sup> The Wastewater Management Program maintains fund balances at adequate levels relative to projected operation and maintenance expenses. These costs change annually; therefore, funding for sewer operations and maintenance is carried forward each fiscal year, and ending balances fluctuate, reflecting the carryover of these funds.
