<sup>1</sup> Includes Fringe Benefits in an effort to more accurately reflect program costs.

<sup>2</sup> Based on work done as part of the FY 2016 Lines of Business Phase 2 process, staff from health and human services agencies reviewed coordination opportunities between all early childhood services. To strengthen the system response and coordination of early intervention services for all children and families, the Infant and Toddler Connection (ITC) program is moving from the Fairfax-Falls Church Community Services Board to the Department of Family Services. Total funding supporting the ITC program has not changed; however, funding has shifted between Fund 40040, Fairfax-Falls Church Community Services Board, the Department of Family Services in the General Fund and Fund 50000, Federal-State Grant Fund in order to more appropriately align resources. The FY 2017 Actuals, FY 2018 Adopted Budget Plan and FY 2018 Revised Budget Plan are reflected in the Fairfax-Falls Church Community Services Board budget. However, beginning in FY 2019, funding will be reflected in the Department of Family Services.

<sup>3</sup> Includes Fringe Benefits in an effort to more accurately reflect program costs associated with the SACC program and to be consistent with SACC rate setting methodology.

<sup>4</sup> This includes Local Cash Match funding for Federal Head Start and Early Head Start for the Higher Horizons, Gum Springs and Schools' contracts.

<sup>5</sup> Only the cost of athletic field lighting is reflected here. All other Fairfax County Public Schools-related field improvement funding is managed by, and shown under, the Fairfax County Park Authority.
