## FCRHA Private Financing

### Focus

Fund 81050, FCRHA Private Financing, was established to budget and report costs for capital projects which are supported in full or in part by funds borrowed by the Fairfax County Redevelopment and Housing Authority (FCRHA) through the FCRHA sale of notes or bonds, or through equity financing received through the sale of federal low-income housing tax credits. Housing development and improvement projects may be financed with funds borrowed from private lenders, the Virginia Housing Development Authority (VHDA) bonds, or federal government sources. At times, the FCRHA has invested in short-term notes of the County to provide an interim source of financing until permanent financing from one of these sources can be secured. Fund 81050, FCRHA Private Financing, permits the accounting for the receipt of proceeds from the lender and disbursements made by the FCRHA so that the total cost of a project can be maintained in the County's financial system and can be reflected on the FCRHA balance sheet. In FY 2018, Fund 81030, FCRHA Revolving Development was consolidated into Fund 81050, FCRHA Private Financing. Fund 81050 will continue to provide advances for projects for which federal, state, or other private financing is later available. This includes the initial project costs, such as development support for new site investigations for proposed projects, architectural and engineering plans, studies and fees prior to permanent financing plans for repayment to this fund.
