

Potential Shared-Use Opportunities List

This section of the CIP provides a list of both Fairfax County Public Schools (FCPS) projects and County projects in the 5-10-year period that have potential shared-used opportunities. This list was previously provided to both the Board of Supervisors and the School Board in fall 2017 and has been updated annually to reflect the latest information. This list is sorted by both Supervisory District and by Referendum year and does not include projects that are currently in the design or construction phase.
