Unreserved Balance	\$0	\$0	\$0	\$0	\$0

¹ Miscellaneous revenue includes such items as reimbursement from the Washington Metropolitan Area Transit Authority (WMATA) for the value of WMATA tokens collected on Fairfax Connector routes, insurance recoveries, and miscellaneous developer contributions.

² Fare revenue is received either directly by the County as SmarTrip fare payments, or indirectly through contractor billings.

³ WMATA reimburses the County for its share of space at the West Ox Bus Operations Center, a joint use facility for WMATA and the County Connector. WMATA initiated operations from this site in Spring 2009.

⁴ State Aid for mass transit is disbursed to the Northern Virginia Transportation Commission (NVTC), where it is made available to the County.

⁵ As a result of the Federal Transit Administration (FTA) regional transit services support included in the Coronavirus Aid, Relief and Economic Security (CARES) Act, Fairfax County is receiving \$26.3 million in credits allocated by WMATA to support the loss of passenger fare revenue, capital, operating and other County transit-related expenses to prevent, prepare for and respond to the COVID-19 pandemic. This credit is reflected in Fund 30000, Metro Operations and Construction, reducing the annual state aid contribution for Fairfax County's share of its WMATA subsidy for FY 2021. These credits will be held at NVTC. For the *FY 2021 Revised Budget Plan*, \$8.0 million of the CARES credits is utilized to offset anticipated reductions in Fairfax Connector SmarTrip and cash fare revenue. The remaining \$18.3 million will be held in reserve for future years or unanticipated issues.

⁶ Reimbursement from the Virginia Department of Rail and Public Transportation (VDRPT) for operating assistance in implementing I-95 Express Lane bus services.

⁷ Funding received from the Commonwealth Transportation Board to offset fare revenues lost as a result of the COVID-19 pandemic.

⁸ The FY 2021 transfer of \$38.4 million from Fund 40010, County and Regional Transportation Projects, is consistent with a transportation funding list periodically updated and approved by the Board of Supervisors. Of this total, \$23.9 million is from Commercial and Industrial (C&I) real estate revenue and \$14.5 million is from HB 2313 local revenues.

⁹ Fairfax County participates in the Virginia Railway Express (VRE) Master Agreement and provides an annual subsidy to VRE operations and construction.

Fund 40000: County Transit Systems

SUMMARY OF CAPITAL PROJECTS

Project	Total Project Estimate	FY 2020 Actual Expenditures	FY 2021 Pre-Mid-Year Revised	FY 2021 Mid-Year Revised
