<sup>1</sup> Beginning in FY 2020, funding in the amount of \$54,000 is transferred to the General Fund to partially offset central support services supported by the General Fund, which benefit Fund 40130. This increase results in a corresponding decrease in the transfer out from Fund 40140. These indirect costs include support services such as Human Resources, Purchasing, Budget and other administrative services.

<sup>2</sup> The Operating Reserve provides a minimum of 15 percent of the operating budget to maintain financial stability for unforeseen expenditures.

<sup>3</sup> The Capital Equipment Reserve is for future capital equipment requirements based on replacement value and age of equipment.

<sup>4</sup> The Rate Stabilization Reserve provides funds to mitigate against any need for an unusually large rate increase in a future year.
