## FY 2022 Adopted Budget Plan: Performance Measures

### Goal

To provide overall direction, management and oversight of the County’s centralized procurement and material management program. Management of the department is accomplished in accordance with the Code of Virginia and the Fairfax County Purchasing Resolution through policies that emphasize central control with decentralized implementation and selected delegation of authority. The procurement and material management program serves both Fairfax County government and Fairfax County Public Schools (FCPS) through acquisition of goods and services, contract administration, warehousing, procurement support, training programs and inventory management. To provide program management, training and support for the County’s environmentally preferred procurement program including excess property redistribution and surplus property sales and disposal.

To support the Board of Supervisors' Supplier Diversity Program and Small Business Commission.

### Objective

To maintain the percentage of formal contract actions awarded without valid protest or legal actions at 100 percent.

## FY 2022 Adopted Budget Plan: Performance Measures

### Material Management

#### Goal

To provide central warehousing services, including timely collection, storage and distribution of materials for customer departments. In support of the Fairfax County Public Library, the division manages the transfer of over 6.8 million books between the County’s 23 library sites. In addition, the division supports the redistribution of excess property, reducing costs through effective reuse of property. The Material Management Division is responsible for logistics support for materials for the Office for Children’s School-Age Child Care (SACC) program, the Park Authority’s RecPAC program, and related programs. The Material Management Division oversees facility operations, space management and tenant relationships at the Springfield warehouse with 128,000 square feet of storage. The division continues in its role as a key player in emergency planning and response on the local, regional and statewide levels.

#### Objective

To support circulation of library materials through the DPMM book distribution program by transferring 30 percent or more of total circulation annually.

#### Performance Indicators

Indicator	FY 2018 Actual	FY 2019 Actual	FY 2020 Estimate	FY 2020 Actual	FY 2021 Estimate	FY 2022 Estimate
