## FY 2022 Advertised Budget Plan: Performance Measures

### Office of Elections

#### Objective

To improve the voting experience by providing a sufficient number of voting machines for each precinct (a minimum of 1 digital ballot scanning machine and 2 accessible ballot marking devices) that provide a voter verifiable paper ballot and comply with legal mandates.

#### Performance Indicators

| Indicator   | FY 2018 Actual | FY 2019 Actual | FY 2020 Estimate | FY 2020 Actual | FY 2021 Estimate | FY 2022 Estimate |
|---|----------------|----------------|------------------|----------------|------------------|------------------|
| <b>Output</b>   |                |                |                  |                |                  |                  |
| Registered voters   | 760,257        | 745,261        | 765,000          | 789,000        | 765,000          | 765,000          |
| Registered voters/precinct                                  | 3,129          | 3,067          | 3,148            | 3,247          | 3,148            | 3,148            |
| Poll voters   | 331,187        | 404,588        | 430,000          | 186,253        | 430,000          | 210,000          |
| Absentee voters   | 85,702         | 85,702         | 165,000          | 414,381        | 165,000          | 400,000          |
| Precincts   | 243            | 243            | 243              | 243            | 243              | NA               |
| Voting machines   | 990            | 992            | 988              | 988            | 988              | 988              |
| Absentee satellites   | 10             | 10             | 11               | 14             | 14               | 14               |
| <b>Efficiency</b>   |                |                |                  |                |                  |                  |
| Cost of machines/precinct                                   | \$1,270        | \$1,273        | \$1,400          | \$1,275        | \$1,400          | \$1,400          |
| <b>Service Quality</b>                                      |                |                |                  |                |                  |                  |
| Percent of polling places that are handicapped accessible   | 100.0%         | 100.0%         | 100.0%           | 100.0%         | 100.0%           | 100.0%           |
| Percent of polling places that are in compliance (machines) | 100.0%         | 100.0%         | 100.0%           | 100.0%         | 100.0%           | 100.0%           |
| Percent of polling places that are in compliance (size)     | 100.0%         | 100.0%         | 100.0%           | 100.0%         | 100.0%           | 100.0%           |
| <b>Outcome</b>  |                |                |                  |                |                  |                  |
| Machines/precinct   | 3.00           | 3.00           | 3.00             | 3.00           | 4.20             | 3.00             |

# Office of Elections

## FY 2022 Advertised Budget Plan: Performance Measures

### Objective

To increase the number of election officers in order to reduce voter lines at each polling place, with a countywide average of approximately 10 election officers per polling place based on the number of registered voters in the precinct and anticipated voter turnout.

### Performance Indicators

| Indicator                 | FY 2018 Actual | FY 2019 Actual | FY 2020 Estimate | FY 2020 Actual | FY 2021 Estimate | FY 2022 Estimate |
|---------------------------|----------------|----------------|------------------|----------------|------------------|------------------|
| <b>Output</b>             |                |                |                  |                |                  |                  |
| Election officers         | 2,485          | 2,486          | 2,800            | 3,800          | 2,800            | 3,800            |
| <b>Efficiency</b>         |                |                |                  |                |                  |                  |
| Cost of officers/precinct | \$1,790        | \$1,791        | \$1,729          | \$2,736        | \$1,729          | \$2,737          |
| Cost per poll voter       | \$2.45         | \$2.40         | \$2.25           | \$3.52         | \$2.25           | \$3.16           |
| <b>Service Quality</b>    |                |                |                  |                |                  |                  |
| Percent voter turnout     | 69.8%          | 69.8%          | 55.0%            | 79.0%          | 55.0%            | 75.0%            |
| <b>Outcome</b>            |                |                |                  |                |                  |                  |
| Officers/precinct         | 10.23          | 10.20          | 10.00            | 15.64          | 14.82            | 15.27            |

# Office of Elections

## FY 2022 Advertised Budget Plan: Performance Measures

### Objective

To maintain no less than 98 percent, the number of error-free data entry transactions initially completed for all voter registration documents processed, including all registrations, transfers and address/name changes.

### Performance Indicators

| Indicator  | FY 2018 Actual | FY 2019 Actual | FY 2020 Estimate | FY 2020 Actual | FY 2021 Estimate | FY 2022 Estimate |
|--|----------------|----------------|------------------|----------------|------------------|------------------|
| <b>Output</b>  |                |                |                  |                |                  |                  |
| Registrations, transfers and address/name changes processed                          | 204,000        | 306,510        | 310,000          | 420,000        | 310,000          | 500,000          |
| <b>Efficiency</b>  |                |                |                  |                |                  |                  |
| Cost per registration, transfer or address/name change processed                     | \$5.40         | \$5.35         | \$5.40           | \$6.40         | \$5.40           | \$5.40           |
| <b>Service Quality</b>   |                |                |                  |                |                  |                  |
| Error rate   | 2.0%           | 1.8%           | 2.0%             | 2.9%           | 2.0%             | 2.0%             |
| <b>Outcome</b>   |                |                |                  |                |                  |                  |
| Percent of registrations, transfers and address/name changes completed without error | 98.0%          | 98.2%          | 98.0%            | 98.0%          | 98.0%            | 98.0%            |
