¹ DFS determines eligibility and provides case management for the Child Care Assistance and Referral (CCAR) program. All other services for children are included in the Department of Neighborhood and Community Services (NCS) and Fund 40045, Early Childhood Birth to 5, which is administered by NCS.

² In an effort to fully integrate a number of programs and services that have been moved to the department since FY 2020, the Department of Neighborhood and Community Services has completed an internal reorganization to more intentionally align itself with the new mission, vision, and values; reduce redundancies and inefficiencies; and better align the department's work with countywide strategic plan priorities while illustrating the many program- and population-based continuums supported by the department. Part of this alignment included more closely aligning budget to actual expenses and has resulted in restating the FY 2023 Adopted Budget column from what was published in the [FY 2023 Adopted Budget Plan](#).

³ This previously included maintenance of grass fields only. All years have been modified to include maintenance of turf fields as well.
