HEALTH AND HUMAN SERVICES AND HOUSING DEVELOPMENT

HEALTH AND HUMAN SERVICES GOALS

To provide facilities and services which will enhance the physical health, mental health, and social well-being of County residents.

To provide facilities and services that will assist in the rehabilitation of individuals recovering from alcohol and drug abuse.

To establish additional treatment facilities in new growth areas to accommodate the human services needs for local residents.

To continue partnerships with Virginia Department of Medical Assistance Services for maximizing Medicaid revenues to fund clinical residential supports.

To continue a commitment to privatization by working collaboratively with private service provider agencies for the delivery of residential support services.

To support, promote, and provide quality childcare and early childhood education services in Fairfax County.

HOUSING DEVELOPMENT GOALS

To develop, maintain, and preserve affordable housing and promote equal housing opportunity through the acquisition, renovation, and/or construction of affordable housing units.

To develop affordable housing programs for persons with disabilities, homeless, and elderly which provide or have access to supportive services to facilitate independent living.

To locate affordable housing as close as possible to employment opportunities, public transportation, and community services.

To promote economically balanced communities by developing affordable housing in all parts of the County.

To maintain the quality of existing units in the Fairfax County Rental Program as they age to promote the stability of the neighborhoods in which they are located.

To maximize the use of federal, state, non-profit, and private sector housing development programs and funding.
