GOVERNMENT FACILITIES

Environmental and Energy Program Goals

- To support the Board of Supervisors' Environmental Agenda through annual environmental improvement projects.
- To support the Board of Supervisors' Operational Energy Strategy and reduce energy use by 20 percent by 2029.
- To support Environmental Sustainability Strategies for capital projects.

Government Facilities and Programs Goals

- To provide County vehicle maintenance facilities that are located on adequate and appropriate sites.
- To provide improvements and redevelopment at County owned facilities.

Infrastructure Replacement and Upgrades Goals

- To provide for a planned series of infrastructure replacement and upgrades that will maximize the useful life of County facilities
- To modify County facilities and environmental control systems to increase energy utilization efficiency.
- To provide emergency repairs to County facilities and correct potential safety or structural hazards.

Libraries Goals

- To continue to provide a modern network of effective, relevant, and efficient library services that are convenient and accessible for the changing population of Fairfax County.
- To locate library facilities to provide service to the greatest number of persons within designated service areas, and provide high visibility, safe and easy access, and ample size for the building, parking areas, landscaping, and future expansion.
- To continually evaluate patron needs and usage, providing a basis for responsible library management decisions in the public interest.
