PROGRAM GOALS / INFORMATION

The goal of the **Fairfax County Youth Leadership Program (YLP)** is to help high school students gain an understanding and appreciation of how local government impacts their everyday lives. The curriculum and activities are designed to develop citizenship skills and encourage participants to become active, involved citizens.

Participants will learn how local government addresses community issues and helps people solve problems. They will meet key decision makers in government and gain insight into the services County government provides.

Through monthly meetings and a **paid summer internship (if conditions allow)**, participants will expand their knowledge of public service and their own community.

The Program will begin virtually and when conditions allow, most meetings will take place at:

Fairfax County Government Center
12000 Government Center Parkway
Fairfax, VA 22035

Refreshments will be provided at each meeting.
