ADMINISTRATIVE -

Authorization to Advertise a Public Hearing to Amend the Current Appropriation Level in the FY 2006 Revised Budget Plan

ISSUE:

Board approval of an advertisement for a public hearing to increase the FY 2006 appropriation level. The advertisement encompasses both the County and the Schools' *FY 2006 Third Quarter Reviews*. Section 15.2-2507 of the Code of Virginia requires that a public hearing be held prior to Board action to amend the current appropriation level.

RECOMMENDATION:

The County Executive recommends that the Board authorize staff to publish the advertisement for a public hearing to be held on April 3, 4, and 5, 2006 at 7:00 p.m.

TIMING:

Board action is requested on March 13, 2006 to provide sufficient time to advertise the proposed public hearing on April 3, 4, and 5, 2006 at 7:00 p.m.

BACKGROUND:

As the *FY 2006 Third Quarter Review* includes potential increases in appropriation greater than \$500,000, a public hearing is required prior to Board action. In addition, the Code of Virginia requires that a synopsis of proposed changes be included in the advertisement. Copies of these documents are being made available for citizen review at governmental centers, libraries, the Government Center, and on the County's Internet website.

The School Board funding adjustments included in the advertisement are based on staff's Third Quarter recommendations to the School Board, which is scheduled to take action on them on March 23, 2006. Should the School Board's final actions result in any changes to the funding adjustments shown in this advertisement, a separate advertisement and public hearing will have to be held.
