

**Response to Questions on the FY 2010
County Lines of Business & Schools Program Review Processes
Fall 2008**

Request By: Supervisor McKay

Response By: Fairfax County Public Schools

Question: Please review opportunities for fee enhancements at FCPS. What are available options, and how much could potentially be generated?

Response: The following response is provided by the Fairfax County Public Schools:

Options for fee enhancements will be reviewed at a later point during the FY 2010 budget process. A review will include: fees charged to students for AP/IB tests; parking; Virginia High School League (VHSL) athletic participation; fees charged for community use of facilities; and fees for design services provided to parent organizations.
