

Response to Questions on the FY 2010 County's Line of Business & Schools Program Review Processes Fall 2008

Request By: Chairman Connolly

Question: Please provide the amount of State Revenue in the Police Department's (PD) Internal Affairs Line of Business (LOB 90-02), and also summarize the amount of Freedom of Information Act (FOIA) cases and general cases handled by Internal Affairs (IA).

Response: State revenue from HB 599 was spread proportionally between all Police LOBS. As a result, \$141,895 was included in LOB 90-02. This revenue does not represent a specific reimbursement from the state for Internal Affairs or Freedom of Information Act cases.

The cases investigated in Calendar Year 2007 within this LOB are:
FOIA Cases – 382
Cases investigated directly by Internal Affairs – 103
Additional cases worked at the station/division level but processed by Internal Affairs – 473
Subpoenas handled by IA - 755
